Proceedings, 1989 **Bulletin** Modern Greek Studies Association, 1997 Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **Kassandra and the Censors** Karen Van Dyck, 1998 In this pioneering study of contemporary Greek poetry Karen Van Dyck investigates modernist and postmodernist poetics at the edge of Europe She traces the influential role of Greek women writers back to the sexual politics of censorship under the dictatorship 1967 1974 Reading the effects of censorship in cartoons the dictator's speeches the poetry of the Nobel Laureate George Seferis and the younger generation of poets she shows how women poets use strategies which although initiated in response to the regime's press law prove useful in articulating a feminist critique In poetry collections by Rhea Galanaki Jenny Mastoraki and Maria Laina among others she analyzes how the censors' tactics for stabilizing signification are redeployed to disrupt fixed meanings and gender roles As much a literary analysis of culture as a cultural analysis of literature her book explores how censorship consumerism and feminism influence contemporary Greek women's poetry as well as how the resistance to clarity in this poetry trains readers to rethink these cultural practices Only with greater attention to the cultural and formal specificity of writing Van Dyck argues is it possible to theorize the lessons of censorship and women's writing If Not Critical Eric Griffiths, 2018-03-16 Eric Griffiths delivered hundreds of lectures at the Faculty of English in Cambridge yet his lectures were never turned into books If Not Critical brings together ten lectures

published here for the first time that offer a representative selection of Dr Griffiths original fully argued and richly exemplified contributions to literary criticism and literary history Crammed into his writing are decades of reading in several languages and across most genres and literary periods In these lectures he pursues the blind spots not only of other people s arguments but of the whole business of criticism in general with what he calls its over concentration on a narrow range of examples such over concentration warps our thinking Implicit and explicit throughout his work is the argument that an appropriately wide range of instances is essential to making progress in conceptualisation that what we need in order to do better thinking is a keener attention to a greater variety of examples Such examples include in these lectures the works of Shakespeare Dante Kafka Beckett Racine Rabelais T S Eliot and Jonathan Swift *Attention and Performance XIV* David E. Meyer, Sylvan Kornblum, 1993 *Attention and Performance XIV* provides a broad historic and timely synthesis of the empirical and theoretical ideas on which performance theory now rests **Contemporary Women Stage Directors** Paulette Marty, 2019-03-21 *Contemporary Women Stage Directors* opens the door into the minds of 27 prolific female theatre directors allowing you to explore their experience wisdom and knowledge Directors give insight into their diverse approaches to the key challenges of directing theatre including choosing projects engaging with scripts conceptualizing visual and acoustic production elements collaborating with actors and production teams building their careers and navigating challenges and opportunities posed by gender race and ethnicity The directors featured include Maria Aberg May Adrales Sarah Benson Karin Coonrod Rachel Chavkin Lear deBessonet Nadia Fall Vicky Featherstone Polly Findlay Leah Gardiner Anne Kauffman Lucy Kerbel Young Jean Lee Patricia McGregor Blanche McIntyre Paulette Randall Diane Rodriguez Indhu Rubasingham KJ Sanchez Tina Satter Kimberly Senior Roxana Silbert Leigh Silverman Caroline Steinbeis Liesl Tommy Lyndsey Turner and Erica Whyman These women are making profoundly exciting theatre in some of the most influential organizations across the English speaking world from Broadway to the West End from the National Theatre in London to Center Theatre Group in Los Angeles As generally mid career professionals they are informed by both their hard earned expertise and their forward looking energy They offer astute observations about the current state of the art form as well as inspiring visions of what theatre can accomplish in the decades to come **Ibbs and Tillett** Christopher Fifield, 2017-11-22 For the greater part of the twentieth century Ibbs and Tillett s concert agency was to the British music industry what Marks and Spencer is to the world of the department store The roll call of famous musicians on its books was unmatched and included such international stars as Clara Butt Fritz Kreisler Pablo Casals Sergei Rachmaninov Andr Segovia Kathleen Ferrier Myra Hess Jacqueline du Pr Clifford Curzon and Vladimir Ashkenazy to name but a handful From 1906 the success of the company was due to the dedication of its founders Robert Leigh Ibbs and John Tillett After their deaths the agency was run by the latter s wife Emmie who dubbed the Duchess of Wigmore Street became one of the most formidable yet respected women in British music The history of this unique institution and its owners is told here for the first time often through the

fascinating letters that were exchanged between the artists themselves and the agency It begins in the latter years of the 19th century with the concert and theatrical manager Narciso Vert for whom both Ibbs and Tillett worked until his death in 1905 The story then becomes a history of musical life in twentieth century Britain illuminating aspects of the day to day management of concerts and festivals the lives and livelihoods of professional musicians as well as those who strove to join their ranks through audition or recommendation The changing profile and particularly the onset and development of personal management of artists represented by Ibbs and Tillett and their reception in the press can be viewed as a barometer of musical taste The demise of the agency in 1990 was indicative of just how much the world of British music had changed by the end of the century but despite its loss to the profession the legacy and influence of Ibbs and Tillett has remained a benchmark in today's highly competitive world of artist management and concert promotion many of whose principal operators began

A Schoenberg Reader Joseph Auner, 2008-10-01 Arnold Schoenberg's close involvement with many of the principal developments of twentieth century music most importantly the break with tonality and the creation of twelve tone composition generated controversy from the time of his earliest works to the present day This authoritative new collection of Schoenberg's essays letters literary writings musical sketches paintings and drawings offers fresh insights into the composer's life work and thought The documents many previously unpublished or untranslated reveal the relationships between various aspects of Schoenberg's activities in composition music theory criticism painting performance and teaching They also show the significance of events in his personal and family life his evolving Jewish identity his political concerns and his close interactions with such figures as Gustav and Alma Mahler Alban Berg Wassily Kandinsky and Thomas Mann Extensive commentary by Joseph Auner places the documents and materials in context and traces important themes throughout Schoenberg's career from turn of century Vienna to Weimar Berlin to nineteen fifties Los Angeles

Colson, 2015-07-09 Following on the heels of his *Conducting and Rehearsing the Instrumental Music Ensemble* John F Colson takes students to the next level in conducting practice with *Rehearsing Critical Connections for the Instrumental Music Conductor* Colson draws together the critical connections for those seeking to become fully capable and self assured instrumental music conductors As he argues too often conductor training programs treat the problems and challenges of the rehearsal perhaps the single most critical element in any effort to achieve competency as a conductor as secondary Colson supplies the missing link for conductors looking for advice that allows them to complete their training for reaching complete competency as a conductor He demonstrates throughout the specific connections that the advanced conductor must know and regularly employ connections that few if any other works on the art of conducting address or bring together One connection for example illustrates the joining of music imagery inner singing and conducting technique to score study Throughout these connections describe the nitty gritty of what it really takes to stand up in front of an instrumental music ensemble and successfully rehearse in order to achieve its highest performance level Also Colson argues and demonstrates the pitfalls of the commonly mistaken assumption among instrumental music conductors that score study alone is sufficient to prepare them for the rehearsal process This grave error is regularly belied by the fact that a number of other steps precede the actual rehearsal process from the use of instrumental pedagogy during the rehearsal process to teaching through performance concepts Colson's work addresses the entire rehearsing process thoroughly and authoritatively *Dress Rehearsal* Sandra Alex, 2021-03-08 The tormented guitarist The fearless security guard The kiss that's seen globally The razor blade that threatens to end everything Billy Nestor has everything he's always wanted a band the best guitar skills a creative edge like
