Reichen & Robert Alain Pélissier,1994 **Reichen & Robert** Bernard Reichen,Philippe Robert,2003 Relatively few French architects have successfully secured a position for themselves in international architecture yet Bernard Reichen and Philippe Robert have realised projects in Greece in Australia in the USA in Qatar since they founded their office in 1973 They have made a name for themselves with their conversions of 19th century buildings such as the Grande Halle de la Villette and the Pavillon de l Arsenal in Paris and increasingly issues deriving from urban development and landscape planning are featuring in their work This book opens with an interview of Bernard Reichen and Philippe Robert which reveals their approach to architecture and urban design In the main part of the book some 80 buildings and projects are presented and documented including the development of the plans of one of the sites of the 2004 Olympic Games in Athens and the headquarters of Nestle France in a former chocolate factory **Industrial Heritage Sites in Transformation** Harald A. Mieg,Heike Oevermann,2014-08-07 The management of industrial heritage sites requires rethinking in the context of urban change and the issue of how to balance protection preservation conservation and development becomes all the more crucial as industrial heritage sites grow in number This brings into play new challenges not only through the known conflicts between monument preservation and contemporary architecture but also with the increasing demand for economic urban development by reusing the built heritage of former industrial sites This book explores the conservation and change of industrial heritage sites in transformation presenting and examining ten European and Asian case studies The interdisciplinary approach of the book connects a diversity of rationales and discourses including monument protection World Heritage conventions urban regeneration urban planning and design architecture and politics This is the first book to deepen the understanding of industrial heritage site management as a networked multi dimensional task involving diverse social agents and societal discourses Subject Guide to Books in Print ,1997 *Design Book Review* ,1995 **Adaptions** Philippe Robert,1991 Whitaker's Books in Print ,1998 **Steel Contruction Manual** Helmut C. Schultz,Werner Sobek,Karl J. Habermann,2012-12-10 No detailed description available for Steel Contruction Manual *Books In Print* 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *Neighbourhoods in Transition* Emmanuel Rey,Martine Laprise,Sophie Lufkin,2021-09-25 This open access book is focused on the intersection between urban brownfields and the sustainability transitions of metreopolitan areas cities and neighbourhoods It provides both a theoretical and practical approach to the topic offering a thorough introduction to urban brownfields and regeneration projects as well as an operational monitoring tool Neighbourhoods in Transition begins with an overview of historic urban development and strategic areas in the hearts of towns to be developed It then defines several key issues related to the topic including urban brownfields regeneration projects and sustainability issues related to neighbourhood development The second part of this book is focused on support tools explaining the challenges faced the steps involved in a regeneration process and offering an operational monitoring tool

It applies the unique tool to case studies in three selected neighbourhoods and the outcomes of one case study are also presented and discussed highlighting its benefits The audience for this book will be both professional and academic It will support researchers as an up to date reference book on urban brownfield regeneration projects and also the work of architects urban designers urban planners and engineers involved in sustainability transitions of the built environment
