A Hunger for God John Piper,2013-04-23 There is an appetite for God And it can be awakened I invite you to turn from the dulling effects of food and the dangers of idolatry and to say with some simple fast This much O God I want you Our appetites dictate the direction of our lives whether it be the cravings of our stomachs the passionate desire for possessions or power or the longings of our spirits for God But for the Christian the hunger for anything besides God can be an arch enemy While our hunger for God and Him alone is the only thing that will bring victory Do you have that hunger for Him As John Piper puts it If we don't feel strong desires for the manifestation of the glory of God it is not because you have drunk deeply and are satisfied It is because we have nibbled so long at the table of the world Our soul is stuffed with small things and there is no room for the great If we are full of what the world offers then perhaps a fast might express or even increase our soul's appetite for God Between the dangers of self denial and self indulgence is this path of pleasant pain called fasting It is the

path John Piper invites you to travel in this book For when God is the supreme hunger of your heart He will be supreme in everything And when you are most satisfied in Him He will be most glorified in you Just Do Something Kevin L.

DeYoung,2009-04-01 Hyper spiritual approaches to finding God s will don t work It s time to try something new Give up Pastor and author Kevin DeYoung counsels Christians to settle down make choices and do the hard work of seeing those choices through Too often he writes God s people tinker around with churches jobs and relationships worrying that they haven t found God s perfect will for their lives Or even worse they do absolutely nothing stuck in a frustrated state of paralyzed indecision waiting waiting waiting for clear direct unmistakable direction But God doesn t need to tell us what to do at each fork in the road He s already revealed his plan for our lives to love him with our whole hearts to obey His Word and after that to do what we like No need for hocus pocus No reason to be directionally challenged Just do something

The Coming of the Son of Man Andrew Perriman,2012-08-21 Tracing the powerful motif of the coming of the Son of man from Daniel through to Revelation Andrew Perriman provides thought provoking ideas about eschatological narrative What was it like to hear the biblical proclamation of this coming for the first time in a cultural political and religious context very different from our own How did early Christians think about the imminence of the promised day of the Lord What difference did this message make to how they thought lived and spread the gospel message This book engages the minds of jaded twenty first century postmoderns who have heard it all before By seeing the fulfilment of much of New Testament apocalyptic in events of the first centuries Perriman proposes that in some important sense we have moved beyond eschatology into an age of renewed community and mission that is creational in its scope The Coming of the Son of Man is important reading for those who want to engage in the debate concerning what church is and will be **The Sovereignty**

of God Arthur Pink,2022-05-17 The Sovereignty of God is a religion classic by English Bible teacher Arthur Pink who articulates and relates the Biblical truths of God s absolute Sovereignty with the main goal to exalt God solely from the pages of Scripture Pink attempts to draw closer the tension between the sovereignty of God and the responsibility of man an eternal question that remains debated even though it s seemingly plainly taught in the Scripture The author s focus is on the divine side of the issue defining God s sovereignty and presenting the different spheres that it works and operates Further on he turns to the tension between the sovereignty of God and human will and responsibility **The Jesus Way** Eugene H.

Peterson,2011-09-02 Arguing that the way Jesus leads and the way we follow are symbiotic Peterson begins with a study of how the ways of those who came before Christ revealed and prepared the way of the Lord that became complete in Jesus He then challenges the ways of the contemporary American church showing in stark relief how what we have chosen to focus on consumerism celebrity charisma and so forth obliterates what is unique in the Jesus way **Truth for Life — Volume 1**

Suffering and the Sovereignty of God John Piper, Justin Taylor, 2006-09-13 In the last few years 9 11 a tsunami Hurricane Katrina and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous Against the overwhelming weight and seriousness of the Bible many Christians are choosing to become more shallow more entertainment oriented and therefore irrelevant in the face of massive suffering In *Suffering and the Sovereignty of God* contributors John Piper Joni Eareckson Tada Steve Saint Carl Ellis David Powlison Dustin Shramek and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word They urge readers to look to Christ even in suffering to find the greatest confidence deepest comfort and sweetest fellowship they have ever known

Can We Trust the Gospels? Mark D. Roberts, 2007-06-08 Attacks on the historical reliability of the Gospels especially their portrayal of Jesus Christ are nothing new But are these attacks legitimate Is there reason to doubt the accuracy of the Gospels By examining and refuting some of the most common criticisms of the Gospels author Mark D Roberts explains why we can indeed trust the Gospels nearly two millennia after they were written Lay readers and scholars alike will benefit from this accessible book and will walk away confident in the reliability of the Gospels

The Contemplative Rosary with St. John Paul II and St. Teresa of Avila Dan Burke, Connie Rossini, 2017 Includes the National Catholic Register's new guide to the rosary

Life and Holiness Thomas Merton, This is intended to be a very simple book an elementary treatment of a few basic ideas in Christian spirituality Hence it should be useful to any Christian and indeed to anyone who wants to acquaint himself with some principles of the interior life as it is understood in the Catholic Church Nothing is here said of such subjects as contemplation or even mental prayer And yet the book emphasizes what is at once the most common and the most mysterious aspect in the Christian life grace the power and the light of God in us purifying our hearts transforming us in Christ making us true sons of God enabling us to act in the world as his instruments for the good of all men and for his glory This is therefore a meditation on some fundamental themes appropriate to the active life It must be said at once that the active life is essential to every Christian Clearly the active life must mean more than the life which is led in religious institutes of men and women who teach care for the sick and so on When one is talking of the active life as opposed to the contemplative life this is the usual reference Here action is not looked at in opposition to contemplation but as an expression of charity and as a necessary consequence of union with God by baptism

Discipleship Training in Luke's Gospel Ralph F. Wilson, 2020-10-09 Wouldn't it be wonderful to be trained as a disciple by Jesus himself To be one of that band of Twelve
