Scorched Earth Jörg Baberowski, 2016-01-01 Cover Title Copyright Contents Preface 1 What Was Stalinism 2 Imperial Spaces of Violence 3 Pyrrhic Victories 4 Subjugation 5 Dictatorship of Dread 6 Wars 7 Stalin's Heirs Notes Index A B C D E F G H I K L M N O P R S T U V W Y Z **Stalin's Genocides** Norman M. Naimark, 2010-07-19 The chilling story of Stalin's crimes against humanity Between the early 1930s and his death in 1953 Joseph Stalin had more than a million of his own citizens executed Millions more fell victim to forced labor deportation famine bloody massacres and detention and interrogation by Stalin's henchmen Stalin's Genocides is the chilling story of these crimes The book puts forward the important argument that brutal mass killings under Stalin in the 1930s were indeed acts of genocide and that the Soviet dictator himself was behind them Norman Naimark one of our most respected authorities on the Soviet era challenges the widely held notion that Stalin's crimes do not constitute genocide which the United Nations defines as the premeditated killing of a group of people because of their race religion or inherent national qualities In this gripping book Naimark explains how Stalin became a pitiless mass killer He looks at the most consequential and harrowing episodes of Stalin's systematic destruction of his own populace the liquidation and repression of the so-called kulaks the Ukrainian famine the purge of nationalities and the Great Terror and examines them in light of other genocides in history In addition Naimark compares Stalin's crimes with those of the most notorious genocidal killer of them all Adolf Hitler Life in Stalin's Soviet Union Kees Boterbloem, 2019-09-05 Life in Stalin's Soviet Union is a collaborative work in which some of the leading scholars in the field shed light on various aspects of daily life for Soviet citizens Split into three parts which focus on Food Health and Leisure the Lived Experience and Religion and Ideology the book is comprised of chapters covering a range of important subjects including Food Health and Housing Sex and Gender Education Religion Christianity Islam and Judaism Sport and Leisure Festivals There is detailed analysis of urban and rural life as well as explorations of life in the gulag life as a peasant life in the military and what it was like to be disabled in Stalin's Russia The book also engages with the wider Soviet Union wherever possible to ensure the most in-depth discussion of life in all its minutiae under Stalin This is a vitally important book for any student of Stalin's Russia keen to know more about the human history of this complex period of dictatorship

Stalin Ronald Grigor Suny, 2020-10-06 A spellbinding new biography of Stalin in his formative years This is the definitive biography of Joseph Stalin from his birth to the October Revolution of 1917 a panoramic and often chilling account of how an impoverished idealistic youth from the provinces of tsarist Russia was transformed into a cunning and fearsome outlaw who would one day become one of the twentieth century's most ruthless dictators In this monumental book Ronald Grigor Suny sheds light on the least understood years of Stalin's career bringing to life the turbulent world in which he lived and the extraordinary historical events that shaped him Suny draws on a wealth of new archival evidence from Stalin's early years in the Caucasus to chart the psychological metamorphosis of the young Stalin taking readers from his boyhood as a Georgian
