*Reliving Past Lives: The Evidence Under Hypnosis* Helen Wambach, 2021-04-06 In *Reliving Past Lives* psychologist Helen Wambach PhD shares the fascinating results of her large scale past life group hypnotherapy sessions In an effort to rule out false memory fantasy and wishful thinking often associated with past life hypnosis Wambach devised a protocol where she chose time specific periods from 2000 BC to the twentieth century and asked respondents where they were and what they were doing during that specific period Race social class occupation types of money used and gender were all explored Mundane questions were asked such as What types of utensils are being used Describe weaving techniques that are being used What foodstuffs are commonly in use during this time What color is the brickwork of the houses As expected when taken to a specific period some respondents reported experiences while others reported nothing prompting the question did they report nothing because they were between lives Wambach reasoned that if she asked a large number of subjects questions about a specific time and place and received a sizable percentage of similar answers from subjects who weren't consciously aware of the information they were reporting that was something worth investigating further Together with her book *Life before Life* the data is compelling reading for anyone pondering the validity of reincarnation and life beyond physical death

**Past Lives, Present Dreams** Denise Linn, 1997 As we approach the beginning of a new millennium huge and exciting changes will occur And as powerful planetary shifts increase we have a unique opportunity to release our limitations *Past Lives Present Dreams* teaches us how to best take advantage of the energies available for growth and personal expansion In this wise and thorough guide to past life therapy renowned healer Denise Linn shows you how to address persistent conditions that haven't responded to other types of therapy You will come to understand The concepts of reincarnation soul mates and karma Techniques that can be used for past life regression How past life therapy can improve your health relationships and prosperity How fears phobias and blockages can be released through regression Dreams and how they provide a vital connection to your past lives Spirit guides animal guides and angels that can assist you in past life exploration With many examples of past life regressions and her comprehensive knowledge of mystical traditions around the world Linn teaches you to rewrite the past to improve your present and future

**Return to Life** Jim B. Tucker, M.D., 2013-12-03 Dr Tucker in a follow up to his book *Life Before Life* explores American cases of young children who report memories of previous lives in the New York Times bestseller *Return to Life* A first person account of Jim Tucker's experiences with a number of extraordinary children with memories of past lives *Return to Life* focuses mostly on American cases presenting each family's story and describing his investigation His goal is to determine what happened what the child has said how the parents have reacted whether the child's statements match the

life of a particular deceased person and whether the child could have learned such information through normal means Tucker has found cases that provide persuasive evidence that some children do in fact possess memories of previous lives Among others readers will meet a boy who describes a previous life on a small island When Tucker takes him to that island he finds that some details eerily match the boy's statements and some do not Another boy points to a photograph from the 1930s and says he used to be one of the men in it Once the laborious efforts to identify that man are successful many of the child's numerous memories are found to match the details of his life Soon after his second birthday a third boy begins expressing memories of being a World War II pilot who is eventually identified Thought provoking and captivating Return to Life urges its readers to think about life and death and reincarnation and reflect about their own consciousness and spirituality *Past Lives, Future Lives* Bruce Goldberg, 1997-10-04 Dr Bruce Goldberg a prominent hypnotherapist chronicles a practice that has led hundreds of patients on dramatic voyages of self discovery through not only centuries past but also centuries to come He discloses here the rapture and revelation of the soul's migration from life to life His subjects fathom the workings of Karma transition between frequencies light beings and passage through astral and etheric planes And often they awake to find their present day lives transformed From the Paperback edition **Life Before Life** Jim B. Tucker, 2009 *Reincarnation* Roy Stemman, 2004-07-01 Roy Stemman has had a lifelong interest in reincarnation As a journalist and director of Psychic News and as editor of Life An Italian family whose daughter died but announced in a dream that she would return and their new baby who was able to sing perfectly the lullaby her dead sister had been taught Burmese children who remember details of life as Japanese soldiers The English woman whose memories of a past life reunited her children from that previous life who were then able to corroborate her memories Cases of people who under regression can speak a foreign language fluently Cases of famous people who believe they have lived before And much much more *Reincarnation: Past Lives and the Akashic Records* Lois J. Wetzel, 2014-09-09 In Reincarnation Past Lives and the Akashic Record Lois J Wetzel MFA has written the long awaited sequel to her first book Akashic Records Case Studies of Past Lives Yet Reincarnation takes the reader on a trip to the past like none other Once again riveting stories of the past lives of scores of different people are narrated These lifetimes go back hundreds of thousands of years on Earth allowing the reader glimpses of long lost civilizations not contained in our historical record In this book unlike the first the author challenges our ancient history as wrong giving ample examples of proof we have lived on this swirling ball of minerals for hundreds of thousands of years She also cites current new information indicating recent scientific discoveries which may support the reality of reincarnation

**Born Again** Walter Semkiw, 2011-08 With easy to read synopses of the Anne Frank James Leininger Amitabh Bachchan Picasso Gauguin Laurel Hardy Lincoln and over 50 other fascinating reincarnation cases Past Lives Peter Fenwick, Elizabeth Fenwick, 2001-07-01 For centuries the existence of reincarnation has been a firmly held belief of millions that crosses races religions and cultures In Past Lives Dr Peter Fenwick and Elizabeth Fenwick examine this extraordinary

phenomenon by attempting to determine whether people are experiencing actual memories or thoughts and ideas based on imagination Featuring more than 100 firsthand accounts from those who believe they can recall their previous existences this insightful exploration of reincarnation may change the way you think and challenge your views of life itself A World War II veteran relives the moment of his death in the cockpit of a bi plane during the first World War A hypnotized woman starts speaking with an Irish brogue about her life in Ireland although she s never visited there While vacationing in Egypt a woman correctly describes a temple she was once worshipped in without ever having been inside

**Children's Past Lives** Carol Bowman,2012-02-01 Has your child lived before In this fascinating controversial and groundbreaking book Carol Bowman reveals overwhelming evidence of past life memories in children Not only are such experiences real they are far more common than most people realize Bowman s extraordinary investigation was sparked when her young son Chase described his own past life death on a Civil War battlefield an account so accurate it was authenticated by an expert historian Even more astonishing Chase s chronic eczema and phobia of loud noises completely disappeared after he had the memory Inspired by Chase s dramatic healing Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives spontaneously and naturally In Children s Past Lives she tells how to distinguish between a true past life memory and a fantasy offers practical advice to parents on how to respond to a past life memory and shows how to foster the spiritual and healing benefits of these experiences Perhaps the most moving convincing and best documented evidence yet for life after death Children s Past Lives will stand alongside the classics of Betty J Eadie Raymond Moody and Brian Weiss in its power to comfort uplift and transform our thinking about life after death
