Reincarnation for Christians John W. Sweeley, 2013 Why Christians Should Believe in Reincarnation Reincarnation was an accepted belief by the great minds of antiquity In Greece Plato was influenced by earlier classical Greek philosophers such as Pythagoras 6th cent BCE while Reincarnation was both believed and taught by Jesus and many Church Fathers through the 8th century as well as in Hebrew texts and mystical traditions throughout the middle ages In Reincarnation for Christians Monsignor Sweeley proves that reincarnation was accepted by Jesus according to Holy Scripture was accepted and taught by the Church Fathers as a doctrine of the faith and is believed today by many Christians Moreover he makes clear why there is no conflict between the atonement of Jesus and Jesus as the redeemer of humanity with the necessity of living many lives before we attain salvation In this timely book about reincarnation and the Christian tradition Monsignor Sweeley gives us an eye opening look into an issue that has been long ignored by mainstream Christian churches Most Rev Alan R Kemp D Min CEO The Ascension Alliance Msgr Jack Sweeley has amassed an enormous collection of information about the belief called reincarnation He includes evidence in support of reincarnation from the Christian Scriptures as well as from the Dead Sea Scrolls and the Nag Hammadi Library He cites and quotes notables from all walks of life and periods of history who have shared a belief in reincarnation Bishop Bernie O Finch D C EMD DD As a believer in reincarnation I was amazed at the information that literally packs the pages of Monsignor Sweeley s book As you will find reincarnation is not just New Age but has been a major belief in one form or another for thousands of years Katy O Ishee author of Pieces of My Heart and Gemini s Galaxy Msg Sweeley s brilliantly researched and comprehensive treatment of the Judeo Christian roots of Reincarnation will
