*Reincarnation* Elizabeth Clare Prophet,Erin L. Prophet,1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively

that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same *Death and Reincarnation (Traslated)* PAPUS Dr G. Encausse,2022-03-03 Reincarnation is the return of the spiritual Principle in a new fleshly envelope For a human being this envelope is always a human body This return can take place on the same planet where one lived his last existence or on another planet The return to a material body cannot be fixed in advance just as one cannot fix a time for terrestrial life Some human beings spend 3 years on earth and others 90 If one were to say man lives 30 years above the earth one would speak as an amateur of statistics but not as an observer of real laws The length of life on earth is a personal fact so the length of time one spends before returning to earth is also a special fact that depends on many circumstances It must be said at once that before reincarnating on a planet the spiritual being prepares himself for the loss of the memory of his previous existences We will be able to give all the testimonies of the classical authors concerning this fact and symbolized by the immersion in the water of the river Lete which gives oblivion before the return to the earth The reincarnation really has been marked as an esoteric mystery in all the initiations of the Antiquity The Science of Happiness Ryuho Okawa,2009-07-24 The Science of Happiness presents Okawa s 10 essential principles that can serve as a compass for a spiritual life He provides the tools necessary to transform one s inner world to be receptive to true happiness and enlightenment **Religious Books, 1876-1982** ,1983 PRAYER POWER Daniel Okorie,2024-11-18 HOW DO YOU SAY EFFECTIVE PRAYERS GET QUICK ANSWERS AND OVERCOME THE ENEMY When the intensity of your prayer rises above the boiling point in the Spirit what you can do becomes limitless God wants us to excel prosper overcome the enemy and become victorious in our prayer lifestyle The book you are reading details 7 steps on how to overcome the enemy in every area of your life Brother Daniel Okorie also explains in details how to fast and pray to achieve positive results how to touch heaven and change the earth through fervent provoked prayer how to pray according to the will of God the need to never give up in your fasting and prayer until you receive the answers your authority in Christ as a believer faith the Holy Spirit being freed and delivered from generational curses spiritual warfare and battlefield and how to defeat the giants in the Land when you fall down on your knees Daniel also wrote about a recent testimony of a friend who died on December 24 2022 but was given a second chance and brought back to life by the Lord There were numerous testimonies in this book Holy Spirit encounters healing manifestations dreams and visions angel visitations and outer body experiences This book will encourage you empower you and help you realize that you are more than enough and that you can do all things through Christ when your prayer lifestyle changes and intensifies **The Call to Glory** Jeane Dixon,1972 The real meaning of Reincarnation and Rebirth Joseph Murphy,2023-12-21 Many people regardless of their religious beliefs believe in reincarnation and karma because these theories seem to explain many of life s mysteries However as readers of this excellent book will learn there are other very credible explanations that explain why people are born with different advantages disadvantages and handicaps and account for what people believe to be past life experiences
