**Paul Richardson**

## **Reinterpreting Russian History Readings 860 1860s:**

Reinterpreting Russian History Daniel H. Kaiser,1994-01 The first comprehensive reader in Russian history in almost two decades this collection includes primary and secondary material much of which has never before been published in English reflecting the latest scholarship on the subject Supplemented by over 70 illustrations selections are introduced by placing them in the context of the work s major themes state structure the economy society and culture and everyday life From the multi ethnic peopling of early Russia to the elite society of the nineteenth century original sources illuminate such topics as state building government and politics the peasantry and the countryside clergy and religious communities and women and gender making this comprehensive text vital for students of Russian history

**Reinterpreting Russian History** Daniel H. Kaiser,Gary Marker,1994 This collection includes primary and secondary material much of which has never before been published in English Supplemented by over 70 illustrations selections are introduced by placing them in the context of the work s major themes state structure the economy society and culture and everyday life From the multi ethnic peopling of early Russia to the elite society of the nineteenth century original sources illuminate such topics as state building government and politics the peasantry and the countryside clergy and religious communities and women and gender From publisher s description

**A History of Russia Volume 1** Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss s A History of Russia will appeal to academics students and general readers alike

**The Routledge Atlas of Russian History** Martin Gilbert,2013-04-03 The complex and often turbulent history of Russia over the course of 2 000 years is brought to life in a series of 176 maps by one of the most prolific and successful historian authors today This fourth edition of The Routledge Atlas of Russian History covers not only the wars and expansion of Russia but also a wealth of less conspicuous details of its history from famine and anarchism to the growth of naval strength and the strengths of the river systems From 800 BC to the fall of the Soviet Union this indispensable guide to Russian history covers war and conflict from the triumph of the Goths between 200 and 400 BC to the defeat of Germany at the end of the Second World War and the end of the Cold War politics from the rise of Moscow in the Middle Ages to revolution the fall of the monarchy and the collapse of communism industry economics and transport from the Trans Siberian Railway between 1891 and 1917 to the Virgin Lands Campaign and the growth of heavy industry society trade and culture from the growth of monasticism to peasant discontent Labour Camps and the geographical distribution of

ethnic Russians Now bringing new material to view and including seven new maps this popular atlas will more than readily gain a place on the bookshelves of anyone interested in the history of Russia *Russia's People of Empire* Stephen M. Norris, Willard Sunderland, 2012-07-11 A fresh and lively approach to understanding how the various Russian empires have worked Slavic Review A fundamental dimension of the Russian historical experience has been the diversity of its people and cultures religions and languages landscapes and economies For six centuries this diversity was contained within the sprawling territories of the Russian Empire and the Soviet Union and it persists today in the entwined states and societies of the former USSR Russia's People of Empire explores this enduring multicultural world through life stories of 31 individuals famous and obscure high born and low men and women that illuminate the cross cultural exchanges at work from the late 1500s to post Soviet Russia Working on the scale of a single life these microhistories shed new light on the multicultural character of the Russian Empire which both shaped individuals lives and in turn was shaped by them Students of Russian empire would be well served with this work given its snapshots of diverse imperial milieus and their attendant multicultural dialogues at the personal level Slavic and East European Journal This compilation gives readers a more in depth personal understanding of how the inescapable existence of diversity in Russia and the Soviet Union related to everyday life Highly recommended Choice **A History Of Russia Volume 2** Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world [Russian Women, 1698-1917](#) Robin Bisha, 2002-09-16 Women can do everything men can do the rest Between a woman's yes and a woman's no it's hard to pass a needle What goes in with mother's milk goes out with the soul Russian proverbs This rich anthology of source materials makes available for the first time in any language an extensive variety of primary sources on the lives of Russian women from the reign of Peter the Great to the Bolshevik revolution The selections are drawn from a wide variety of sources published and unpublished including memoirs diaries legal codes correspondence short fiction poetry ethnographic observations and folklore with primacy given to sources produced by women and previously unavailable in English translation Organised thematically the documents focus on women's family life work and schooling public activism creative self expression and sexuality and spirituality as well as on the cultural ideals and legal framework which constrained women of all social classes Introductions to chapters and to individual selections provide context for the sources and highlight both the continuities and changes that occurred in Russian women's lives over time This compendium serves as a unique guide to the social economic political and cultural history of women in Imperial Russia The volume includes illustrations a chronology a glossary of Russian terms a map and a guide to further reading Russian Women Experience and Expression is an ideal collection for

classroom use in Russian history literature and culture courses and in comparative courses in women's history

**The Reforms of Peter the Great** Evgenii V. Anisimov, J.T. Alexander, 2015-02-24 This psychologically penetrating revisionist account of the life and rule of Russia's 18th century Tsar reformer develops an important theme that is what happens when the drive for progress is linked to an autocratic expansionist impulse rather than to a larger goal of human emancipation And what has been the price of power both for Peter and for Russia

**Driving Down Russia's Spine** Paul Richardson, 2016-06-01 On one level this book is the story of an epic 6000 kilometer road trip from the frigid shores of the Barents Sea to Sochi Russia's southernmost tip on the Black Sea Dubbed The Spine of Russia the adventure tasked a mismatched duo of Russian and American journalists with capturing a view of Russia from the ground to collect powerful images and honest human stories that offered a more subtle complex picture of the world's largest country But this book is far more than just a travel essay For it intertwines fascinating subject profiles with digressions into historical and cultural themes relevant to understanding modern Russia It is a story told with humor and with the insight derived from the author's three decades of intimate interactions with Russia Among the many interesting stories in the book An expedition to The Well to Hell A music school in one of the most polluted towns on earth An energetic youth activist branded as a foreign agent Russia's largest manufacturer of barbells who also makes cloudberry preserves A roadside berry seller recently paroled from prison A blacksmith who is a Jehovah's Witness A bone chilling trip to the foundation place of the Russian state The slightly off kilter leader of St Petersburg's Cossack community A retired village doctor who can't stop working because he won't be replaced A piece of Nebraska transplanted into the middle of Russia's Black Earth region There were also craft beer makers ballroom dancers policemen restaurant owners an opera student a priest a single mother an accessibility activist teachers docents a best selling author soap makers journalists a sailor a winemaker and a woman taking on the male dominated world of Russian hockey And no trip to Russia would be complete without a run in with security officials in leather jackets So there is also that Taken together the stories from this epic road trip create a compelling portrait of Russia and its people The book could not be more timely recent events show how vital it is for Americans to continue working to understand Russia

**Russia and Western Civilization** Russell Bova, 2015-02-12 This volume introduces readers to an age old question that has perplexed both Russians and Westerners Is Russia the eastern flank of Europe Or is it really the heartland of another civilization In exploring this question the authors present a sweeping survey of cultural religious political and economic developments in Russia especially over the nineteenth and twentieth centuries Based on the interdisciplinary Russian studies program at Dickinson College this splendid collection will complement many curricula The text features highlight boxes and selected illustrations Each chapter ends with a glossary study questions and a reading list

**The Prophecy That Is Shaping History** Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re

emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

*Kulikovo 1380* Mark Galeotti, 2019-02-21 The colourful enthralling story of the Russo Mongol battle of Kulikovo involving the killing of a Muscovite prince only for it to turn out to be a body double and an unexpected ambush to turn looming defeat into glorious victory The 14th century Mongol conquest of the Rus the principalities of Russia was devastating and decisive Cities were laid waste new dynasties rose and for a hundred years the Russians were under unquestioned foreign rule However the Mongols were conquerors rather than administrators and they chose to rule through subject princes This allowed the Rurikid dynastic princes of Moscow to rise with unprecedented speed With the famed Mongol Yoke loosening Grand Prince Dmitri of Moscow saw in this an unparalleled opportunity to rebel On 7 September 1380 his 60 000 troops crossed the Don to take the battle to Mamai's 125 000 which included Armenian and Cherkessk auxiliaries and Genoese mercenaries Using specially commissioned artwork this is the engrossing story of the victory that heralded the birth of Russian statehood

*A History of Women in Russia* Barbara Evans Clements, 2012-06-29 A survey of the key political economic social and cultural developments in Russian women's history from 900 to 2010 and their impact on the nation Synthesizing several decades of scholarship by historians East and West Barbara Evans Clements traces the major developments in the history of women in Russia and their impact on the history of the nation Sketching lived experiences across the centuries she demonstrates the key roles that women played in shaping Russia's political economic social and cultural development for over a millennium The story Clements tells is one of hardship and endurance but also one of achievement by women who for example promoted the conversion to Christianity governed estates created great art rebelled against the government established charities built the tanks that rolled into Berlin in 1945 and flew the planes that strafed the retreating Wehrmacht This daunting and complex history is presented in an engaging survey that integrates this scholarship into the field of Russian and post Soviet history The product of a lifetime of engagement by one of the preeminent authorities on the history of Russian women the book reflects the author's deep expertise in primary sources as well as her familiarity with the secondary literature Choi Chatterjee California State University Los Angeles A significant achievement in

scholarship on Russian women and gender Among this text s many strengths are its lucidity readability and engaging synthesis of a large number of both primary and secondary sources Its erudite contextualization of the history of Russian women within a larger European framework ensures its interest for and accessibility to a wide readership especially those outside of the Slavic field Slavic and East European Journal Clements s writing is engaging clear and jargon free making this book easily accessible to a general audience Highly recommended Choice This daunting and complex history is presented in an engaging survey that integrates this scholarship into the field of Russian and post Soviet history Journal of Turkish Weekly

**Understanding the Modern Russian Police** Olga B. Semukhina, Kenneth Michael Reynolds, 2013-05-24 Understanding the Modern Russian Police represents the culmination of ten years of research and an ongoing partnership between the Volgograd Academy of Russian Internal Affairs Ministry VA MVD and the Volgograd branch of the Russian Presidential Academy of National Economy and Public Administration VAPA The book provides a timely and comprehensive **Serfdom, Society, and the Arts in Imperial Russia** Richard Stites, 2008-10-01 Serf era and provincial Russia heralded the spectacular turn in cultural history that began in the 1860s Examining the role of arts and artists in society s value system Richard Stites explores this shift in a groundbreaking history of visual and performing arts in the last decades of serfdom Provincial town and manor house engaged the culture of Moscow and St Petersburg while thousands of serfs and ex serfs created or performed Mikhail Glinka raised Russian music to new levels and Anton Rubinstein struggled to found a conservatory Long before the itinerant painters explored town and country in genre scenes of everyday life Serf actors on loan from their masters brought naturalistic acting from provincial theaters to the imperial stages Stites s richly detailed book offers new perspectives on the origins of Russia s nineteenth century artistic prowess Russia and the Dutch Republic, 1566-1725 Kees Boterbloem, 2021-06-29 This study examines the close cultural economic and military relationship between the Russian Empire and the Netherlands in the early modern period The author argues that the Netherlands had an outsized impact on Russia s early development into a powerful state *The Space of the Book* Miranda Remnek, 2011-01-01 Skilfully connecting multidisciplinary sources along broad historical continuum The Space of the Book will be a valuable resource as the study of Russian print culture takes on new directions in a digitized world **The Collective and the Individual in Russia** Oleg Kharkhordin, 2023-04-28 Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demonstrates that Party rituals which forced each Communist to reflect intensely and repeatedly on his or her self an entirely novel experience for many of them had their antecedents in the Orthodox Christian practices of doing penance in the public gaze Individualization in Soviet Russia occurred through the intensification of these public penitential practices rather than the private confessional practices that are characteristic of Western Christianity He also finds that objectification of the individual in Russia relied on practices of mutual surveillance

among peers rather than on the hierarchical surveillance of subordinates by superiors that characterized the West The implications of this book expand well beyond its brilliant analysis of the connection between Bolshevism and Eastern Orthodoxy to shed light on many questions about the nature of Russian society and culture Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demon Queer Masculinities, 1550-1800 K. O'Donnell, M. O'Rourke, 2005-09-27 This book offers the most up to the minute snapshot of scholarship on queer gay historiographies in a number of geographical regions in western Europe Asia and the US It features the work of the most established scholars in the field of the history of same sex desire and promises to take the study of same sex relations in the early modern period in radical new directions **Muscovy and the Mongols** Donald Ostrowski, 2002-06-20 A 1998 study of the impact of the Mongols on the Rus lands using a broad and extensive source base
