Lincoln Fenn,2024-10-29 From the award winning author of *Dead Souls* and *Poe* comes an all new bone chilling novel where a mysterious island holds the terrifying answers to a woman's past and future In 1939 on a remote Pacific island botanical researcher Irene Greer plunges off a waterfall to her death convinced the spirits of her dead husband and daughter had joined the nightmarchers ghosts of ancient warriors that rise from their burial sites on moonless nights But was it suicide or did a strange young missionary girl Agnes play a role in Irene's deteriorating state of mind It all seems like ancient family history to Julia Greer who has enough problems of her own A struggling journalist she's recovering from a divorce and is barely able to make rent let alone appeal the court's decision to give sole custody of their daughter to her ex husband When her elderly great aunt offers her an outrageously large sum to travel to this remote island and collect samples of a very peculiar flower as well as find out what really happened to her sister Irene all those years ago Julia thinks her life might finally be on an upward swing She's also tasked to connect with the island's Church of Eternal Light which her great aunt suspects knows more about Irene's tragic death than they've said But Julia finds this place isn't so quick to give up its secrets The Church is tight lipped about the deaths that have contributed to its oddly large cemetery as well as Irene's final fate The only person who seems to know more is a fellow traveler Noah Cooper who thinks that Julia's not the only one on a mission to find the rare flower which if the rumors are true could have world changing properties What Julia does know is that the longer she stays on the island the more the thin line begins to blur between truth and lies reality and the fantastical until she finds herself face to face with the
