Ausführlich und anschaulich erläutert Mencius die Motive für die Wallfahrten, die Reisewege und die Ziele im Heiligen Land und in Rom. Zudem bietet er umfangreiche Beschreibungen Wittenbergs und des Heiligen Landes mitsamt Jerusalem. Nach der Reformation war eben nicht mehr der Ablass Erwerb, sondern die Förderung der humanistischen Bildung der Zweck der Pilgerreisen und ihrer Darstellung. This is the traditional explanation for the presence of the international powers in the region. This important new book questions this view. Through a study of two important projects of the time, international efforts to determine the exact level of the Dead Sea and Chesney's Euphrates Expedition to find a quicker route to India, Professor Goren shows how other forces than the interests of empire were involved. He reveals the important role played by private individuals and establishes a wealth of new connections between the key players and he reveals for the first time an important Irish nexus. The resulting work adds an important new dimension to our existing understanding of this period **Reiseberichte und Geschichtsdichtung** Wolfgang Achtnitz, 2012 Band 3 enthält die Werke zum Geschichtsbewusstsein und Chroniken, biographische Schriften und historische Lieder und zur Raumerfahrung und a. modernization of the country The large numbers of Europeans spearheaded by British missionaries who began to visit Palestine and the Levant brought modern medical practices to the region The driving factor for this change was the medical enterprise of the London Mission and the series of hospitals it established This pioneering initiative led to the development of competition among the Great Powers in Palestine and by the end of the nineteenth century there were scores of medical institutions that were representative of the modern age Using a wide selection of primary sources from both Britain and Israel Perry and Lev bring together for the first time the history of medical service men who fought to improve the health of the inhabitants of the Holy Land under the most difficult conditions of climate and disease Abgrenzungen.
