A Conscious Life Funmi Oyetunji, 2016-07-16 In my observation of lives around me I often wonder What happened there I imagine what that person might have done to contribute to the success or failure of their own life Usually a life attracts my attention because of its exceptionality for good or for bad Over time I have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking This is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end It is also a summary of the lessons I have learned from my own experiences or from books and other resources I have used in my quest for answers on the subject of life The chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life It is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey The book must not be read in a particular sequence you can read particular chapters or aspects as required by your particular stage situation or need for counsel at different times Different chapters will be more applicable and enlightening for different readers at different times It could be growing up and career building time for some marriage and parenting for others It might be about maneuvering middle and old age for yet another In the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings Make your life happen *Floret Farm's Cut Flower Garden* Erin Benzakein, 2017-03-07 1 Amazon Best Seller Welcome to the farm The Cut Flower Garden Erin Benzakein is a florist farmer leader in the local florist community and owner of internationally renowned Floret Flower Farm in Washington's lush Skagit Valley A stunning flower book This beautiful guide to growing harvesting and arranging gorgeous blooms year round provides readers with vital tools to nurture a stunning flower garden and use their blossoms to create show stopping arrangements Floret Farm's Cut Flower Garden Cut Flower Garden is equal parts instruction and inspiration a book overflowing with lush photography of magnificent flowers and breathtaking arrangements organized by season Find inspiration in this lush flower book Irresistible photos of Erin's flower farm that showcase exquisite blooms Tips for growing in a variety of spaces and climates Step by step instructions for lavish garlands airy centerpieces and romantic floral decor for every season If you liked Paris in Bloom you'll love Floret Farm's Cut Flower Garden **Annie's Garden Journal** Annie Spiegelman, 1996 In this quirky funny and moving book Annie a wannabe Master Gardener travels back and forth with us between her present backyard in California and her past growing up in New York City In a journal chronicling the burgeoning of a garden we see Annie transform herself from a sometimes angry confused young woman into an empowered if unconventional bride ready to take on the future When her longtime companion proposes marriage a fear of commitment arises and childhood memories of her parents bitter divorce come streaming in Along with some wonderful and some turbulent memories she is forced to face
