Reivers 1st Edition:

Border Reiver 1513-1603 Keith Durham, 2011-03-22 Stretching from the North Sea to the Solway Firth the Border region has a sharply diverse landscape and was a battleground for over 300 years as the English and Scottish monarchs encouraged their subjects to conduct raids across their respective borders This Warrior title will detail how this narrow strip of land influenced the Borderer's way of life in times of war Covering every aspect of militant life from the choice of weapons and armor to the building of fortified houses this book gives the readers a chance to understand what it must have been like to live life in a late medieval war zone *Natural Aristocracy* Kevin Railey, 2012-06-04 Railey uses a materialist critical approach to argue that Faulkner's obsession with history and his struggle with specific ideologies affecting southern society and his family guided his development as an artist Faulkner may have written himself into history in a way that satisfied the image he had of himself as a natural artistic aristocrat *Light in August* William Faulkner, 2022-08-01 DigiCat Publishing presents to you this special edition of *Light in August* by William Faulkner DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Absalom, Absalom!** William Faulkner, 2022-08-01 DigiCat Publishing presents to you this special edition of *Absalom Absalom* by William Faulkner DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Noah's Compass** Anne Tyler, 2010-01-05 From Pulitzer Prize winner Anne Tyler a wise gently humorous and deeply compassionate novel about a retired school teacher forced to re-evaluate his life Liam Pennywell has never liked teaching at a run-down private school so when he is forced to retire at sixty-one it doesn't bother him But what does is having no memory of an assailant who attacked him on the first night after he moved to his efficient condominium on the outskirts of Baltimore He's driven to recover this memory and at the same time recover other moments of his life that he has over time forgotten But he can't do it alone What he needs is a hired rememberer someone who will do the remembering for him but when he finds Eunice he gets a whole lot more than he anticipated Subtle funny and populated with characters that are as real as friends Noah's Compass is an engaging and revealing novel about coming to terms with change family love and memory *William Faulkner* Nicolas Tredell, 2000 This Guide explores the wealth of critical material generated by these two exceptional works of modernist fiction From the initially mixed critical responses to the novels in the early 1930s the Guide follows the enormous growth of interest in Faulkner's work across six decades New writings shaped by a range of critical theories are discussed offering the reader a clear view of the place now given to one of America's most innovative and influential novelists **SO BIG** EDNA FERBER, **The Official Price Guide to Collecting Books** Marie
