Fred Dallmayr Farah Godrej, 2017-06-26 Fred Dallmayr's work is innovative in its rethinking of some of the central concepts of modern political philosophy challenging the hegemony of a modern subjectivity at the heart of Western liberalism individualism and rationalism and articulating alternative voices claims and ideas His writings productively confound the logocentrism of Western modernity while providing alternative conceptions of political community that are post individualist post anthropocentric and relational The editor has focused on work in three key areas Critical phenomenology and the study of politics The first selections focus on the philosophical roots of Dallmayr's work in two of the most innovative intellectual trends of the twentieth century phenomenology and critical theory These chapters outline some of the main arguments advanced by practitioners of phenomenology particularly existential phenomenology as well the guiding ideas of critical theory and critical Marxism while tracing Dallmayr's debt to thinkers such as Heidegger Gadamer Habermas Adorno and Merleau Ponty Cross cultural theory These readings illustrate Dallmayr's explorations beyond the confines of Western culture as this phase of his thinking turns toward what is now called cross cultural or comparative political theory In an approach that maintains its linkage with critical phenomenology Dallmayr asserts that Western or European American political theory can no longer claim undisputed hegemony rather it must allow itself to be contested amplified and corrected through a comparison with non Western theoretical traditions and initiatives Cosmopolitanism These selections explore the final phase of Dallmayr's work in which he applies his insights on cross cultural studies to the context of global politics rebutting Samuel Huntington's clash of civilizations thesis and instead arguing for a cosmopolitanism that takes a middle path between both global universalism and restrictive particularism advocating sustained dialogue and respectful mutual learning between countries and civilizations

Between Past and Future Hannah Arendt, Jerome Kohn, 2006-09-26 From the author of *Eichmann in Jerusalem* and *The Origins of Totalitarianism* a book to think with through the political impasses and cultural confusions of our day *Harper's Magazine* Hannah Arendt's insightful observations of the modern world based on a profound knowledge of the past constitute an impassioned contribution to political philosophy In *Between Past and Future* Arendt describes the perplexing crises modern society faces as a result of the loss of meaning of the traditional key words of politics justice reason responsibility virtue and glory Through a series of eight exercises she shows how we can redistill the vital essence of these concepts and use them to regain a frame of reference for the future To

participate in these exercises is to associate in action with one of the most original and fruitful minds of the twentieth century

The English Common Reader: a Social History of the Mass Reading Public 1800-1900 Richard D. Altick, 1957

The Spirit and the Common Good Daniela C. Augustine, 2019-09-12 A fresh vision of the common good through pneumatological lenses Daniela C Augustine a brilliant emerging scholar offers a theological ethic for the common good Augustine develops a public theology from a theological vision of creation as the household of the Triune God bearing the image of God in a mutual sharing of divine love and justice and as a sacrament of the divine presence The Spirit and the Common Good expounds upon the application of this vision not only within the life of the church but also to the realm of politics economics and care for creation The church serves a priestly and prophetic function for society indeed for all of creation This renewed vision becomes the foundation for constructing a theological ethic of planetary flourishing in and through commitment to a sustainable communal praxis of a shared future with the other and the different While emphatically theological in its approach The Spirit and the Common Good engages readers with insights from political philosophy sociology of religion economics and ecology as well as forgiveness reconciliation and peacebuilding studies

Being and Time Martin Heidegger, 1996-01-01 A new definitive translation of Heidegger's most important work

Culture and Imperialism Edward W. Said, 2012-10-24 A landmark work from the author of *Orientalism* that explores the long overlooked connections between the Western imperial endeavor and the culture that both reflected and reinforced it Grandly conceived urgently written and urgently needed No one studying the relations between the metropolitan West and the decolonizing world can ignore Mr Said's work The New York Times Book Review In the nineteenth and early twentieth centuries as the Western powers built empires that stretched from Australia to the West Indies Western artists created masterpieces ranging from *Mansfield Park* to *Heart of Darkness* and *Aida* Yet most cultural critics continue to see these phenomena as separate Edward Said looks at these works alongside those of such writers as W B Yeats Chinua Achebe and Salman Rushdie to show how subject peoples produced their own vigorous cultures of opposition and resistance Vast in scope and stunning in its erudition *Culture and Imperialism* reopens the dialogue between literature and the life of its time

L'Espace Littéraire Maurice Blanchot, 1989-01-01 Maurice Blanchot the eminent literary and cultural critic has had a vast influence on contemporary French writers among them Jean Paul Sartre and Jacques Derrida From the 1930s through the present day his writings have been shaping the international literary consciousness The Space of Literature first published in France in 1955 is central to the development of Blanchot's thought In it he reflects on literature and the unique demand it makes upon our attention Thus he explores the process of reading as

well as the nature of artistic creativity all the while considering the relation of the literary work to time to history and to death This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience informed most notably by studies of Mallarmé Kafka Rilke and Hlderlin Blanchot s discussions of those writers are among the finest in any language **Literary Theory : An**

Introduction, Anniversary Ed. Terry Eagleton,2008 Governing the Commons Elinor Ostrom,2015-09-23 The governance of natural resources used by many individuals in common is an issue of increasing concern to policy analysts Both state control and privatization of resources have been advocated but neither the state nor the market have been uniformly successful in solving common pool resource problems After critiquing the foundations of policy analysis as applied to natural resources Elinor Ostrom here provides a unique body of empirical data to explore conditions under which common pool resource problems have been satisfactorily or unsatisfactorily solved Dr Ostrom uses institutional analysis to explore different ways both successful and unsuccessful of governing the commons In contrast to the proposition of the tragedy of the commons argument common pool problems sometimes are solved by voluntary organizations rather than by a coercive state Among the cases considered are communal tenure in meadows and forests irrigation communities and other water rights and fisheries **Reconnecting Reading and Writing** Alice S. Horning,Elizabeth W. Kraemer,2013-09-06

Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction *Uniting of Europe* Ernst B. Haas,Ernst Haas, Dr,2020-11-15 The University of Notre Dame Press is pleased to bring Ernst Haas s classic work on European integration The Uniting of Europe back into print First published in 1958 and last printed in 1968 this seminal volume is the starting point for anyone interested in the pre history of the European Union Haas uses the European Coal and Steel Community ECSC as a case study of the community formation processes that occur across traditional national and state boundaries Haas points to the ECSC as an example of an organization with the power to redirect the loyalties and expectations of political actors In this pathbreaking book Haas contends that based on his observations of the actual integration process the idea of a united Europe took root in the years immediately following World War II His careful and rigorous analysis tracks the development of the ECSC including in his 1968 preface a discussion of the eventual loss of the individual identity of the ECSC through its absorption into the new European Community Featuring a new introduction by Haas analyzing the impact of his book over time as well as an updated bibliography The Uniting of Europe is a must have for political scientists and historians of modern and contemporary Europe This book is the inaugural volume of Notre Dame s new Contemporary European Politics and Society Series **The End of Books--or Books Without End?** J. Yellowlees

Douglas, 2000 J Yellowlees Douglas looks at the new light that interactive narratives may shed on theories of reading and interpretation and the possibilities for hypertext novels World Wide Web based short stories and cinematic interactive narratives on CD ROM She confronts questions that are at the center of the current debate Does an interactive story demand too much from readers Does the concept of readerly choice destroy the author's vision Does interactivity turn reading fiction from play into work too much work Will hypertext fiction overtake the novel as a form of art or entertainment And what might future interactive books look like
