Counseling for Sexual Disorders Clifford Penner, Joyce Penner, 2024-12-26. Counseling for Sexual Disorders was first published as Volume Twenty Six of Resources for Christian Counseling by Word Publishing in 1990 as the protocol for sexual therapists to use in effectively treating couples experiencing sex dysfunction or those seeking increased sexual satisfaction. The protocol was developed based on the research of Masters and Johnson, which is the application of their findings to therapeutic intervention that they had intended but did not complete. The addition of others like Helen Singer Kaplan's works were incorporated into this practical handbook. It has become the text frequently used in universities, seminaries, and graduate schools. Since 1990, the basics are the same; the table of contents reflects this stability, but the terminology used and the knowledge gained through sex and the brain research organizations like ISSWSH, Dr. Irwin Goldstein, and the Penners' 50 years of clinical experience led to this much-needed revised updated version. Counseling for Sexual Disorders prepares the clinician and graduate student to have a clear comprehension of the Guidelines and Underlying Principles for the effective use of the evidence-based strategies for assessment, therapeutic intervention, and relapse prevention. The tools to implement those processes may be duplicated, including the forms for assessment, the 31 Sexual Therapy assignments, and for gathering data regarding the couple's experience of the completion of the assignments in the privacy of their own home. This revision for professionals is now designed to parallel the client's handbook, Restoring the Pleasure. Thus, the 31 assignments are identical in both books.

What Happened to My Sex Life?: A Sex Therapist's Guide to Reclaiming Lost Desire, Connection, and Pleasure Kate Balestrieri, 2025-02-11. An invaluable resource for anyone who wants to know where their sex drive went and, importantly, how to get it back. Laurie Mintz, PhD, author of A Tired Woman's Guide to Passionate Sex and Becoming Cliterate. When your interest in sex takes a dive, it can be frustrating, isolating, and scary. You might feel pressured by a partner to get back to normal or worry that you're broken, no longer able to connect authentically to your sexuality. You're not broken, and you will feel desire again. In What Happened to My Sex Life?, Dr. Kate Balestrieri, licensed sex therapist, founder of Modern Intimacy, and host of the podcast Get Naked with Dr. Kate, uncovers the twelve most common causes of a loss of libido. Then she shares what you can do to overcome them and reignite your passion. Sometimes the cause of a dip in desire is obvious: stress at work, a fight with your partner. But often it's not so clear. Maybe you're struggling with shame, burnout, or feeling disconnected from your body. Or maybe you're dealing with libido killers like a partner's entitlement, a stagnating long-term relationship, or feelings of objectification. Whatever the cause, once you know what's behind your lack of interest, you can address it. With Dr. Kate's compassionate guidance, you'll be empowered to begin asking yourself what you really want from sex, befriending your body, confronting your mental blocks, discovering, and sharing
