Compton, 2003-06-01 Not only do new church starts in significant numbers bring systemic change and renewal to mainline denominations but new church development brings similar change to individual aging congregations in their vicinity Author Stephen Compton argues that a decline in new church starts in the last half of the 20th century was the major contributor to the decline of mainline church groups not liberalism or lack of faith as is often cited He shows in this book how introducing considerable numbers of new congregations into these old denominations can cause these venerable institutions to revisit the meaning of church and congregation develop a clearer vision of their collective mission and grow in their ability to bring about positive change in the world In effect he contends new churches in an aging organization do not merely make it grow They make it change in ways that make it more effective in its mission and ministries This book will appeal to leaders across denominational lines including those not ordinarily called mainline and especially to pastors and leaders of older congregations **A 14-Day Romance Challenge** Sharon Jaynes, 2017-01-01 Captivate Your Husband All Over Again More than 250 ways to WOW your man Does your marriage need a little help in the romance department Has it grown ho hum in the daily routine If so it s time to spice up your relationship and rekindle the passion with hundreds of creative ways to show your man just how much you love him Bestselling author and conference speaker Sharon Jaynes offers heart stirring inspiration and simple ideas that will put a smile on your husband s face and a spark in your marriage Get ready to wow your guy with simple acts of affection he ll treasure for a lifetime wake up the passion that was God s idea in the first place watch your marriage grow stronger and your love grow deeper Take the 14 Day Romance Challenge and make your husband feel like the luckiest man on earth While You're Waiting Rissa Singson-Kawpeng, While You Wait for Mr Right You don t need to keep your life on hold just because you re longing to be married This coloring book for the single person based on the LittleBook Oh God I m Still Single will teach you how you can maximize this temporary season of life and squeeze it of all it offers Aside from stimulating your creative flair you ll also learn dating guidelines as well as spiritual and practical tips to

guidance those already ordained can find themselves slipping into boredom or even cynicism But Fr Kereszty knows the fire of a true vocation With insights and examples from St Bernard of Clairvaux St Th r se of Lisieux St John Paul II Benedict XVI and many others Rekindle the Gift of God helps priests and seminarians discover or rediscover their mission as shepherds prophets and teachers A happy priest is one who lays down his life not only for his flock but for his Lord Father Kereszty gives patient down to earth counsel on putting this ideal into practice and he offers a glimpse of his own immense joy and gratitude for the gift of serving Jesus Christ

Southern Sounds From The North Richard L. Doran, 2008-11-06 Historically the state of Ohio has maintained an active role in the promotion of southern gospel music Many gospel artists including some of the Nation's finest were either born or lived a portion of their life in Ohio Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio's history Over the past two years, desiring to preserve a portion of this history, I have completed extensive research interviewing gospel artists throughout the state I then compiled this information into a unique collection of history to be shared with everyone To help the reader more fully appreciate life on the road, the stories of these gospel artists are presented within the context of eight road tours covering the entire state of Ohio Travelling along on each

tour we will experience a variety of emotions from laughter to frustration At each stop we will learn some fascinating facts about the town and while in town we ll stop by and visit with a few of those southern gospel artists and or groups who claim the town as part of their heritage Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited So come on Open the book climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we ll meet some truly inspiring people Hope you enjoy the book **Worship Through the Ages** Elmer L.
