Relationships Gods Way Not Your Way:

Not Yet Married Marshall Segal, 2017-06-20 Life Is Never Mainly About Love and Marriage So Learn to Live and Date for More Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you But God has far more planned for you than your future marriage Not Yet Married is not about waiting quietly in the corner of the world for God to bring you the one but about inspiring you to live and date for more now If you follow Jesus the search for a spouse is no longer a pursuit of the perfect person but a pursuit of more of God He will likely write a love story for you different than the one you would write for yourself but that's because he loves you and knows how to write a better story This

book was written to help you find real hope happiness and purpose in your not yet married life **No More Faking Fine** Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you've ever been given empty clichés during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you've done the same Esther's journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It's called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you'll soon find that when one person stops faking fine it gives everyone else permission to do the same Fortified Marriages Chris Garner, 2006-02 Not Half Way, Not Your Way, But God's Way John Beresky, 2018-07-24 Regarding faith a playwright once said Men still have faith but today men do not have faith in God Men have faith in the doctor That playwright lived to be ninety five years old We need to learn from God's people who lived long Ask yourself this question what did Noah or Abraham or Moses or Joshua do to achieve health and longevity I'm sure they did nothing halfway or their way but they did things God's way *Things Not Seen* Jon Bloom, 2015-07-15 True faith is hard More than mere sentimentalism faith often calls for a deep and resilient trust in God especially when the going gets tough and the road is dark In *Things Not Seen* author Jon Bloom encourages readers with 35

With Skye Jethani, 2011-08-22 With explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we've misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In With you'll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we've grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In With Skye Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly
