

Rosario - La Creación de la Bandera Argentina

A las seis y media de la tarde del 27 de febrero de 1812, fue enarbolada por primera vez la bandera celeste y blanca, en presencia del vecindario enfervorizado.

Era un atardecer sereno y resplandeciente.

La población se agolpó en la explanada lindera a la batería "Libertad", que se construía sobre la barranca.

Llegado el momento -según relato de Mitre- Belgrano, acompañado de sus oficiales y autoridades de la Capilla, dio la orden memorable.

"A su frente se extendían las islas floridas del Paraná que limitaban el horizonte: a sus pies se deslizaban las corrientes del inmenso río, sobre cuya superficie se reflejaban las nubes blancas en fondo azul de un cielo de verano, y el sol que se inclinaba al ocaso iluminaba con sus rayos aquel paisaje lleno de grandiosa majestad."

En aquel momento la bandera celeste y blanca fue izada por primera vez por el vecino de Rosario Cosme Maciel, a quien Belgrano concediera tan grande honor.

Relato Breve En Argentina
