BOOK JACKET

**Swoon: Great Seducers and Why Women Love Them** Betsy Prioleau, 2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau

cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women. What she discovers is revolutionary. Using evidence from science, popular culture, fiction, anthropology, and history, and from interviews with colorful real-world ladykillers, Prioleau finds that great seducers share a constellation of unusual traits. While these men run the gamut, they radiate joie de vivre, intensity, and sex appeal; above all, they adore women. They listen, praise, amuse, and delight, and they know their way around the bedroom. And they've finessed the hardest part: locking in and revving desire. Women never tire of these fascinators, and often like Casanova's conquests, remain besotted for life. Finally, Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today. After a critique of the twenty-first-century sexual malaise, the gulf between the sexes, and women's record of discontent, she compellingly argues that society needs ladies men more than ever. Groundbreaking and provocative, *Swoon* is underpinned with sharp analysis, brilliant research, and served up with seductive verve. Princess Nest of Wales Kari Maund, 2007-04-01 The daughter of one king and the lover of another matriarch of a powerful dynasty and the cause of conflict and war, Nest, princess of Dyfed, became a legend. The Seductress Trap Jac Sherry, 2022-01-18 A ruse to trap a seductress who slept with the wrong woman turns into a tangled web of deceit, disguise, and ultimately desire. *Warrior, Dancer, Seductress, Queen* Susan Ackerman, 1998 In *Warrior, Dancer, Seductress, Queen*, author Susan Ackerman offers a keen analysis of the main types of women found in Judges and looks to other biblical books and to ancient Near Eastern literature to demonstrate how these types recur elsewhere. The roles they play significantly impact other events in the Bible and in the history of Israel. *The Seductress: Bad Girls Book 2* Jordan Silver, 2016-10-14 He was supposed to be someone else's someone very close to her. But she knew something he didn't. Something that once revealed could change the course of all their lives. Would she hold onto this secret and watch him be lost to her forever? *Second Seduction* Frances Lear,1994-09-01      **In the Limelight and Under the Microscope** Diane Negra,Su Holmes,2011-03-17 This timely collection explores the politics of female celebrity across a range of contemporary and historical media contexts Amidst concerns about the apparent decline in the currency of modern fame famous for being famous as well as debates about the shifting parameters of public private visibility it is female celebrities who are positioned as the most active discursive terrain This collection seeks to interrogate such phenomena by forging a greater conceptual theoretical and historical dialogue between celebrity studies and critical gender studies It takes as its starting point the understanding that female celebrity is a particularly fraught cultural phenomenon with ideological and industrial implications that warrant careful scrutiny In moving across case studies from the 19th century to the present day this book works from the assumption that the case study should play a crucial role in generating debate about the dialogue between past and present and the individual essays seek to reflect this spirit of enquiry      **My Wife, The Seductress** Max
