Relevant Retreats 26 Readings On The Issues Of Life:

An Introduction to the Desert Fathers Jason Byassee, 2007-08-15 The desert fathers wanted to get away from a church co-opted by empire and a Christian faith grown cold and listless. They retreated to the desert to do battle against demons and against their own worst desires. They had no intention of being famous yet ironically their Sayings have inspired millions of imitators over the centuries. This guide is meant to accompany a reading of the Sayings of the Desert Fathers in hopes that readers with lives quite different than those third and fourth century dwellers of the Egyptian desert might nevertheless come to imitate their lives of poverty, chastity, and obedience and more importantly that readers might grow more imaginative and passionate in their following of the same Lord.

Wild at Heart Revised and Updated John Eldredge, 2011-04-17 John Eldredge revises and updates his best-selling renowned Christian classic *Wild at Heart* and in it invites men to Recover their masculine heart. See themselves in the image of a passionate god. Delight in the strength and wildness men were created to offer. In this provocative book Eldredge provides a look inside the true heart of a man and gives men permission to be what God designed them to be: dangerous, passionate, alive, and free.

Spirit, Soul, and Body Andrew Wommack, 2018-12-18 Have you ever asked yourself what changed when you were born again? You look in the mirror and see the same reflection; your body hasn't changed. You find yourself acting the same and yielding to those same old temptations that didn't seem to change either. So you wonder: Has anything really changed? The correct answer is *I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11. A compassionate, shame-free guide for your darkest days. A one-of-a-kind book to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized, or over-spiritualized. Kay Warren, cofounder of Saddleback Church, asks: What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to choose joy and pray more. So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
