Religion And Life 1914

Timothy Larsen

Religion And Life 1914:

Religion and Society in England, 1850-1914 Hugh McLeod, 1996 This book begins with a social portrait of each of the characteristic forms of religion and irreligion that flourished in Victorian England including Anglicans Dissenters Catholics Jews Secularists and the indifferents *Catholicism and the Great War* Patrick J. Houlihan, 2015-04-16 This transnational comparative history of Catholic everyday religion in Germany and Austria Hungary during the Great War transforms our understanding of the war's cultural legacy Challenging master narratives of secularization and modernism Houlihan reveals that Catholics from the losing powers had personal and collective religious experiences that revise the decline and fall stories of church and state during wartime Focusing on private theologies and lived religion Houlihan explores how believers adjusted to industrial warfare Giving voice to previously marginalized historical actors including soldiers as well as women and children on the home front he creates a family history of Catholic religion supplementing studies of the clergy and bishops His findings shed new light on the diversity of faith in this period and how specifically Catholic forms of belief and practice enabled people from the losing powers to cope with the war much more successfully than previous cultural histories have led us to believe *Losing Heaven* Thomas Großbölting, 2016-10-01 As the birthplace of the Reformation Germany has been the site of some of the most significant moments in the history of European Christianity Today however its religious landscape is one that would scarcely be recognizable to earlier generations This groundbreaking survey of German postwar religious life depicts a profoundly changed society congregations shrink private piety is on the wane and public life has almost entirely shed its Christian character yet there remains a booming market for syncretistic and individualistic forms of popular religion *Losing Heaven* insightfully recounts these dramatic shifts and explains their consequences for German religious communities and the polity as a whole *Sacred and Secular Martyrdom in Britain and Ireland Since 1914* John Wolffe, 2019-11-28 During and immediately after the First World War there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920 John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom analysing the ways in which they operated sometimes in parallel sometimes merged together and sometimes in conflict with each other Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England Secular martyrdom is discussed in relation to military conflicts especially the Second World War and the Falklands In Ireland there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916 although by the time of the Northern Ireland Troubles in the later twentieth century these traditions diverged In covering these themes the book also offers historical and comparative context for understanding present day acts of martyrdom in the form of suicide attacks *The Great and Holy War* Philip Jenkins, 2014-06-20 *The Great and Holy War* offers the first look at how religion created and

prolonged the First World War and the lasting impact it had on Christianity and world religions more extensively in the century that followed. The war was fought by the world's leading Christian nations who presented the conflict as a holy war. A steady stream of patriotic and militaristic rhetoric was served to an unprecedented audience using language that spoke of holy war and crusade of apocalypse and Armageddon. But this rhetoric was not mere state propaganda. Philip Jenkins reveals how the widespread belief in angels, apparitions, and the supernatural was a driving force throughout the war and shaped all three of the Abrahamic religions: Christianity, Judaism, and Islam, paving the way for modern views of religion and violence. The disappointed hopes and moral compromises that followed the war also shaped the political climate of the rest of the century, giving rise to such phenomena as Nazism, totalitarianism, and communism. Connecting remarkable incidents and characters from Karl Barth to Carl Jung, the Christmas Truce to the Armenian Genocide, Jenkins creates a powerful and persuasive narrative that brings together global politics, history, and spiritual crisis. We cannot understand our present religious, political, and cultural climate without understanding the dramatic changes initiated by the First World War. The war created the world's religious map as we know it today.

The Slain God Timothy Larsen, 2014-08-29. Throughout its entire history, the discipline of anthropology has been perceived as undermining or even discrediting Christian faith. Many of its most prominent theorists have been agnostics who assumed that ethnographic findings and theories had exposed religious beliefs to be untenable. E. B. Tylor, the founder of the discipline in Britain, lost his faith through studying anthropology. James Frazer saw the material that he presented in his highly influential work *The Golden Bough* as demonstrating that Christian thought was based on the erroneous thought patterns of savages. On the other hand, some of the most eminent anthropologists have been Christians, including E. E. Evans-Pritchard, Mary Douglas, Victor Turner, and Edith Turner. Moreover, they openly presented articulate reasons for how their religious convictions cohered with their professional work. Despite being a major site of friction between faith and modern thought, the relationship between anthropology and Christianity has never before been the subject of a book-length study. In this groundbreaking work, Timothy Larsen examines the point where doubt and faith collide with anthropological theory and evidence.

Religion & Life (New York - 1914), 1914. *Among Our Books* Carnegie Library of Pittsburgh, 1917. The Stockton Free Public Library Bulletin Stockton (Calif.). Free Public Library, 1915.

Wisconsin Library Bulletin, 1915. **Bulletin of the Brooklyn Public Library** Brooklyn Public Library, 1911.

Bulletin Trenton Free Public Library (Trenton, N.J.), 1913. Library Record Free Public Library of Jersey City, 1915.

The Open Shelf, 1914. **Trauma, Religion and Spirituality in Germany during the First World War** Jason

Crouthamel, 2021-10-21. This book explores the impact of violence on the religious beliefs of front soldiers and civilians in Germany during the First World War. The central argument is that religion was the main prism through which men and women in the Great War articulated and processed trauma. Inspired by trauma studies, the history of emotions, and the social and cultural history of religion, this book moves away from the history of clerical authorities and institutions at war and

instead focuses on the history of religion and war from below Jason Crouthamel provides a fascinating exploration into the language and belief systems used by ordinary people to explain the inexplicable From Judeo Christian traditions to popular beliefs and superstitions German soldiers and civilians depended on a malleable psychological toolbox that included a hybrid of ideas stitched together using prewar concepts mixed with images or experiences derived from the surreal environment of modern combat Perhaps most interestingly studying the front experience exposes not only lived religion but also how religious beliefs are invented Front soldiers in particular constructed new subjective spiritual and religious concepts based on encounters with industrialized weapons the sacred experience of comradeship and immersion in mass death which profoundly altered their sense of self and the supernatural More than just a coping mechanism religious language and beliefs enabled victims and perpetrators of violence to narrate concepts of psychological renewal and rebirth In the wake of defeat and revolution religious concepts shaped by the war experience also became a cornerstone of visions for radical political movements including the National Socialists to transform a shattered and embittered German nation Making use of letters between soldiers and civilians diaries memoirs and front newspapers *Trauma Religion and Spirituality in Germany during the First World War* offers a unique glimpse into the belief systems of men and women at a turning point in European history

Rationed Life Rudolf Kučera, 2016-04-01 Far from the battlefield hundreds of thousands of workers toiled in Bohemian factories over the course of World War I and their lives were inescapably shaped by the conflict In particular they faced new and dramatic forms of material hardship that strained social ties and placed in sharp relief the most mundane aspects of daily life such as when what and with whom to eat This study reconstructs the experience of the Bohemian working class during the Great War through explorations of four basic spheres food labor gender and protest that comprise a fascinating case study in early twentieth century social history *Annual Report* Helena (Mont.) Public Library, 1894 **Monthly Bulletin of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh, 1915 *Comparative Religion* Louis Henry Jordan, 1915 **War and Faith** Pavlina Bobi?, 2012-01-20 Drawing on the themes of religious rhetoric embedded in social and political contexts this study offers new insights into the manners in which the Catholic Church helped mould the Slovenians responses to WWI and reconsiders the reasons for the clergy s political actions amid tensions which resulted in the Habsburg empire s collapse

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Religion And Life 1914** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
