Religion And Mass Media Audiences And Adaptations:

Religion and Mass Media Daniel A. Stout, Judith M. Buddenbaum, 1996-03-21 This research on the uses of mass media across diverse Christian traditions is both original and provocative By focusing on what audiences perceive and how they respond Religion and Mass Media is able to illuminate the experience of faith at a time when devotion is seen as a dimension of individuality best suited to the privacy of one's home Professors Daniel A Stout and Judith M Buddenbaum should be commended for helping advance the study of religion and mass communication in the United States John P Ferr Associate Professor of Communication University of Louisville How do religious audiences react to and use the mass media Religion and Mass Media is an audience centered examination that reveals how a variety of Christian traditions experience media news and entertainment in the context of institutional religious influences and expectations Drawing on social science theories and empirical research methodologies the contributors explore responses from Roman Catholics Fundamentalists Evangelicals mainline Protestants and Mormons and a variety of other traditions In the first section contributors set the framework by describing recent theoretical developments in the sociology of religion and communication theory Section two provides an overview of the particulars of certain religious beliefs section three looks at audience behavior section four describes specific case studies including one on rap music and section five looks at the changing information environment and the future Students and professionals in communication sociology sociology of religion and anthropology will find this volume to be both informative and insightful an excellent supplement

Media and Religion Daniel Stout, 2013-06-17 This text examines the history theory cultural context and professional aspects of media and religion While religion has been explored more fully in psychology sociology anthropology and the humanities there is no clear bridge of understanding to the communication discipline Daniel A Stout tackles this issue by providing a roadmap for examining this understudied area so that discussions about media and religion can more easily proceed Offering great breadth this text covers key concepts and historical highlights world religions denominations and cultural religion and religion and specific media genres The text also includes key terms and questions to ponder for every chapter and concludes with an in class learning activity that can be used to encourage students to explore the media religion interface and review the essential ideas presented in the book Media and Religion is an ideal introduction for undergraduate students in need of a foundation for this emerging field

Religion and Media in America Anthony Hatcher, 2018-05-25 Covering topics ranging from the Moral Monday movement to Christian films and performers Religion and Media in America is a qualitative study of the ways in which religion has been woven into American popular and civic culture This book explores how Christianity both adapts to and is affected by new media forms Its six chapters address religious activism government imposition of religiosity into secular culture religious entertainment Bible translations marketed as consumer goods and how religious satire comes from both religious and secular sources Recommended for scholars and students interested in media studies film studies religion communication American

history American studies political science and popular culture Religion in the Media Age Stewart M. Hoover, 2006-11-22 Looking at the everyday interaction of religion and media in our cultural lives Religion in the Media Age is an exciting new assessment of the state of modern religiosity **Handbook of Religion and Social Institutions** Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions Evangelical Christians and Popular Culture Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter **Belief in Media** Mary E. Hess, 2020-07-24 Most works on media developments and Christianity approach the subject from the perspective of the implications of new media technologies for traditional Christian practices or how churches can use new media to further their goals The common framework of analysis is a given reality of traditional institutional Christianity and how it interacts with affects and is affected by media Media are treated as a separate cultural reality This book presents in an accessible form the new directions that approach the interaction of media and religion from a cultural perspective and illustrates these new directions by a number of international and intercultural case studies and explorations Looking at how global media are constructing cultural forms structures and processes the authors show how these have become the life out of which individual and social meaning is created and practised Examining how individuals create religious meaning by interacting with media of various kinds crossing boundaries of traditional religious cultures and contemporary media cultures this book reveals how Christian institutions are also

defined in the process of living culturally within their broader media context *The Miracle Lady* Amy Collier Artman, 2019-03-19 A smart powerful charismatic preacher brought back to life On October 15 1974 Johnny Carson welcomed his next guest on The Tonight Show with these words I imagine there are very few people who are not aware of Kathryn Kuhlman She probably along with Billy Graham is one of the best known ministers or preachers in the country But while many people today recognize Billy Graham not many remember Kathryn Kuhlman 1907 1976 who preached faith and miracles to countless people over the fifty five years of her ministry and became one of the most important figures in the rise of charismatic Christianity In *The Miracle Lady* Amy Collier Artman tells the story of Kuhlman s life and in the process relates the larger story of charismatic Christianity particularly how it moved from the fringes of American society to the mainstream Tracing her remarkable career as a media savvy preacher and fleshing out her unconventional character Artman also shows how Kuhlman skillfully navigated the oppressive structures rules and landmines that surrounded female religious leaders in her conservative circles

Mormons and Popular Culture J. Michael Hunter, 2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond *Mormons and Popular Culture The Global Influence of an American Phenomenon* provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book s well documented chapters helpful

Religious Messages in the Media Terézia Rončáková, 2021-01-06 Can religious messages be transmitted through the media If so how and why Taking these questions as its starting point and focusing on the relationship between media and religion this book presents an analysis of the relationship between religion and the media It explores the inherent qualities of media communication channels and codes and the ways in which they affect the dissemination of religious messages as well as the arguments over religion used in public discourse The book also presents a critical analysis of church media in Slovakia and shows that although the media do have the capacity to convey religious messages they can only do so in a superficial manner and thus do not represent a suitable instrument for mediating deep spiritual content or serving as a vehicle for evangelization Another key finding here is that the differences between the basic argumentation structures of the

religious and secular worlds are irreconcilable meaning that conservatives and progressives can expect little more than a basic sense of tolerance and decency from each other *The Concise Encyclopedia of American Radio* Christopher H. Sterling, Cary O'Dell, 2010-04-12 The Concise Encyclopedia of American Radio is an essential single volume reference guide to this vital and evolving medium Comprised of more than 300 entries spanning the invention of radio to the Internet this reference work addresses personalities music genres regulations technology programming and stations the golden age of radio and other topics relating to radio broadcasting throughout its history The entries are updated throughout and the volume includes nine new entries on topics ranging from podcasting to the decline of radio *There's Never Been a Show Like Veggie Tales* Hillary Warren, 2005 A sociological examination of the production and audiences of Veggie Tales a popular evangelical video series for children *The Art of Dialogue* Ineke de Feijter, 2007 Media and culture are deeply intertwined in contemporary society Religions have problems relating to this media culture which is shaped by media processes and conditioned by digital media and interactive forms of communication Media set the agenda and they profoundly challenge religions both with respect to their public communication and their very existence and public relevance People increasingly use media for shaping their religious identity and their search with respect to questions of ultimate meaning Barely any theological studies exist that reflect on religious policies and their subsequent praxis in the field of communication The author analyzes Christian policy views and identifies the main problems and opportunities in relating to media culture

Mediating Piety Francis Khek Gee Lim, 2009-09-29 A timely and groundbreaking work here is a comprehensive analysis of the interactions between religion and technology in Asia today How does the use of technology affect people's experience of spirituality and the formation of religious identity and community How do developments in the latest technological breakthroughs such as the Internet influence the ways people constitute themselves as social beings and how does it shape their experience of the sacred and the divine Conversely to what extent and in what ways do religious beliefs and practices shape people's attitude towards new technology and its deployment Combining wide ranging empirical investigations and sophisticated theoretical reflections this book demonstrates how the technological and the religious often intersect with the political thereby elucidating the complex relationships between spirituality social and identity formation sovereignty and power *MEDIATING Theology* Jione Havea, 2021-08-01 This collection engages the challenges and opportunities for doing theology in the context or age of media The intersection of media with theology is reciprocating media boosts theology in its functions to inform connect and educate theology humbles the globalizing media with a reminder media is in mediation but not in domination Media and theology thus intersect at mediating negotiating interceding resisting protesting and they should avoid the temptation to colonize The essays are presented in two overlapping clusters Mediascapes intersection of media and a selection of land and sea scapes and Mediations implications of mediating theology for interrogating hegemonies The topics addressed include social media and tag cultures the fourth industrial revolution and artificial intelligence

homiletics social resistance Palestine Latin America climate change and Covid 19 Dieser Sammelband betrachtet die Herausforderungen und Chancen für die Ausübung von Theologie im Medienzeitalter In ihren Berührungspunkten bedingen Medien und Theologie einander Medien unterstützen die Theologie bei ihrer Aufgabe zu informieren zu verbinden und zu bilden Theologie wiederum erdet die globalisierten Medien indem sie daran erinnert dass Medien eine Vermittlerrolle ausüben und keine Herrschaftsrolle Diesen Vermittlungsaspekt haben Theologie und Medien gemeinsam Verhandeln Intervention Widerstand Protest weshalb sie der Versuchung widerstehen sollten berheblich zu werden Die vorliegenden Beiträge sind in zwei Bereiche unterteilt Medienlandschaften und Vermittlung Die besprochenen Themen beinhalten Social Media Hashtag Kultur Industrie 4.0 KI Homiletik sozialer Widerstand Palästina Lateinamerika Klimawandel und Covid 19 **Christian**

Worldview and the Academic Disciplines Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the differences that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline Christian Worldview and the Academic Disciplines is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful

The Electronic Church in the Digital Age Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution's modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today's Christian subculture while

the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today's religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accommodate both secular and religious voices **From Yahweh to Yahoo!** Doug Underwood, 2010-10-01 Presenting religion as journalism's silent partner From Yahweh to Yahoo provides a fresh and surprising view of the religious impulses at work in contemporary newsrooms Focusing on how the history of religion in the United States entwines with the growth of the media Doug Underwood argues that American journalists draw from the nation's moral and religious heritage and operate in important ways as personifications of the old religious virtues Underwood traces religion's influence on mass communication from the biblical prophets to the Protestant Reformation from the muckraker and Social Gospel campaigns of the late nineteenth and early twentieth centuries to the modern age of mass media While forces have pushed journalists away from identifying themselves with religion they still approach such secular topics as science technology and psychology in reverential ways Underwood's thoughtful analysis covers the press's formulaic coverage of spiritual experience its failure to cover new and non-Christian religions in America and the complicity of the mainstream media in launching the religious broadcasting movement

Media Power, Media Politics Mark J. Rozell, 2003 This work examines the role and influence of the media in every sphere of American politics Organized thematically the book analyzes the relationship between the media and key institutions political actors and nongovernmental entities as well as the role of the new media media ethics and foreign policy coverage Written by leading scholars in the field the chapters serve as broad overviews to the issues while discussion questions and suggestions for further reading encourage deeper inquiry Designed to complement a wide variety of classes the book is a look at the pervasive influence of the media in American society **From Angels to Aliens** Lynn Schofield

Clark, 2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers' longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in-depth interviews with teens and their families Clark seeks to discover what today's teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today's popular stories of demons hell and the afterlife actually have their roots in the U.S.'s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal

religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices From Angels to Aliens paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

Getting the books **Religion And Mass Media Audiences And Adaptations** now is not type of challenging means. You could not on your own going subsequently books store or library or borrowing from your contacts to retrieve them. This is an completely easy means to specifically get lead by on-line. FAQs About Religion And Mass Media Audiences And Adaptations Books

What is a Religion And Mass Media Audiences And Adaptations PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And Mass Media Audiences And Adaptations PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And Mass Media Audiences And Adaptations PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And Mass Media Audiences And Adaptations PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And Mass Media Audiences And Adaptations PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
