Second Edition

JOHN D. LOFTIN

Religion And Hopi Life Religion In North America Hardcover

John D. Loftin

Religion And Hopi Life Religion In North America Hardcover:

Religion and Hopi Life John D. Loftin, 2003 Includes material on shamanism death witchcraft myth tricksters and kachina initiations **We Have a Religion** Tisa Joy Wenger, 2009 For Native Americans religious freedom has been an elusive goal From nineteenth century bans on indigenous ceremonial practices to twenty first century legal battles over sacred lands peyote use and hunting practices the U S government has often act *Religion and American Culture* ,1994

Religion and Hopi Life, Second Edition John D. Loftin, 2003-05-08 Includes material on shamanism death witchcraft myth tricksters and kachina initiations **Big Gods** Ara Norenzayan, 2013-08-25 A groundbreaking account of how religion made society possible How did human societies scale up from tight knit groups of hunter gatherers to the large anonymous cooperative societies of today even though anonymity is the enemy of cooperation How did organized religions with Big Gods the great monotheistic and polytheistic faiths spread to colonize most minds in the world In Big Gods Ara Norenzayan makes the surprising argument that these fundamental puzzles about the origins of civilization answer each other Sincere faith in watchful Big Gods unleashed unprecedented cooperation within ever expanding groups yet at the same time it introduced a new source of potential conflict between competing groups And in some parts of the world societies with atheist majorities some of the most cooperative and prosperous in the world have climbed religion s ladder and then kicked it away Big Gods answers fundamental questions about the origins and spread of world religions and helps us understand the rise of cooperative societies without belief in gods *Religion and Hopi Life in the Twentieth Century* John D. Loftin, 1991

Tales of the North American Indians Stith Thompson, 2012-09-11 DIV Nearly 100 myths and legends of heroes journeys to the other world animal wives and husbands and even biblical subjects include The Woman Who Fell from the Sky Seneca The Star Husband Ojibwa Crossing the Red Sea Cheyenne and scores more div *The Wisdom of the Native Americans* Kent Nerburn, 2010-10-06 The teachings of the Native Americans provide a connection with the land the environment and the simple beauties of life This collection of writings from revered Native Americans offers timeless meaningful lessons on living and learning Taken from writings orations and recorded observations of life this book selects the best of Native American wisdom and distills it to its essence in short digestible quotes perhaps even more timely now than when they were first written In addition to the short passages this edition includes the complete Soul of an Indian as well as other writings by Ohiyesa Charles Alexander Eastman one of the great interpreters of American Indian thought and three great speeches by Chiefs Joseph Seattle and Red Jacket **Truth of a Hopi** Edmund Nequatewa, 2013-02-06 In the Truth of a Hopi Edmund Nequatewa relates the Hopis myths legends belief systems and oral history Nequatewa s writings give us a glimpse into the psyche of the Hopi in the way that only a Hopi could Here you will find not only the traditional oral histories but stories of how the Hopi resisted sending their children away to enforced boarding schools A fascinating view of a subtle people *American Indian Culture and Research Journal* ,1994 **AAR/SBL Annual Meeting Program** American

Academy of Religion. Meeting, 2002 *Reincarnation Beliefs of North American Indians* Warren Jefferson, 2008 Soul Journeys Metamorphoses and Near Death Experiences This book provides an in depth look at spiritual experiences about which very little has been written Belief in reincarnation exists not only in India but in most small tribal societies throughout the world including many Indian groups in North America The stories and commentary presented here are well researched and drawn from anthropological records and other reliable sources of information Learn about a Winnebago shaman s initiation the Cherokee s Orpheus myth the story of A Journey to the Skeleton House from the Hopi the Inuit man who lived the lives of all animals the Ghost Dance and other extraordinary accounts **Book of the Hopi** Frank Waters, 1972 Reveals the Hopi view of life kept secret for generations **Program** Organization of American Historians. Meeting, 2003

Program of the ... Annual Meeting Organization of American Historians. Meeting, 2003 *The Handbook of Religion and Communication* Yoel Cohen, Paul A. Soukup, 2023-02-22 Provides a contemporary view of the intertwined relationship of communication and religion The Handbook of Religion and Communication presents a detailed investigation of the complex interaction between media and religion offering diverse perspectives on how both traditional and new media sources continue to impact religious belief and practice across multiple faiths around the globe Contributions from leading international scholars address key themes such as the changing role of religious authority in the digital age the role of media in cultural shifts away from religious institutions and the ways modern technologies have transformed how religion is communicated and portrayed Divided into five parts the Handbook opens with a state of the art overview of the subject s intellectual landscape introducing the historical background theoretical foundations and major academic approaches to communication media and religion Subsequent sections focus on institutional and functional perspectives theological and cultural approaches and new approaches in digital technologies The essays provide insight into a wide range of topics including religious use of media religious identity audience gratification religious broadcasting religious content in entertainment films and religion news reporting about religion race and gender the sex religion matrix religious crisis communication public relations and advertising televangelism pastoral ministry death and the media online religion future directions in religious communication and more Explores the increasing role of media in creating religious identity and communicating religious experience Discusses the development and evolution of the communication practices of various religious bodies Covers all major media sources including radio television film press digital online content and social media platforms Presents key empirical research real world case studies and illustrative examples throughout Encompasses a variety of perspectives including individual and institutional actors academic and theoretical areas and different forms of communication media Explores media and religion in Judeo Christian traditions Islam Buddhism Hinduism religions of Africa Atheism and others The Handbook of Religion and Communication is an essential resource for scholars academic researchers practical theologians seminarians mass communication researchers and undergraduate and graduate students taking courses

on media and religion **Religion of the Ancient Egyptians** Alfred Wiedemann,2012-04-26 Highly readable factual account of principal deities myths and doctrines with particular emphasis on the Egyptian s dedication to recording their rich history and belief in an afterlife *Prophets of the Great Spirit* Alfred A. Cave,2006-01-01 Prophets of the Great Spirit offers an in depth look at the work of a diverse group of Native American visionaries who forged new syncretic religious movements that provided their peoples with the ideological means to resist white domination By blending ideas borrowed from Christianity with traditional beliefs they transformed high gods or a distant and aloof creator into a powerful activist deity that came to be called the Great Spirit These revitalization leaders sought to regain the favor of the Great Spirit through reforms within their societies and the inauguration of new ritual practices Among the prophets included in this study are the Delaware Neolin the Shawnee Tenkwatawa the Creek Red Stick prophets the Seneca Handsome Lake and the Kickapoo Kenekuk Covering more than a century from the early 1700s through the Kickapoo Indian removal of the Jacksonian Era the prophets of the Great Spirit sometimes preached armed resistance but more often used nonviolent strategies to resist white cultural domination Some prophets rejected virtually all aspects of Euro American culture Others sought to assure the survival of their culture through selective adaptation Alfred A Cave explains the conditions giving rise to the millenarian movements in detail and skillfully illuminates the key histories personalities and legacies of the movement Weaving an array of sources into a compelling narrative he captures the diversity of these prophets and their commitment to the common goal of Native American survival *Following the Sun and Moon* Alph H. Secakuku,1995 In 1975 The Heard Museum published a catalogue of the Barry Goldwater collection of Hopi kachina dolls The catalog is no longer in print but the Museum s collection is hereby made accessible in print once again Beautiful color photographs of 200 kachina dolls are combined with sensitive commentary by a Hopi author Annotation copyright by Book News Inc Portland OR **Many Nations under Many Gods** Todd Allin Morman,2018-11-22 The lands the United States claims sovereignty over by right of the Doctrine of Discovery are home to more than five hundred Indian nations each with its own distinct culture religion language and history Yet these Indians and federal Indian law rarely factor into the decisions of the country s governing class as recent battles over national monuments on tribal sites have made painfully clear A much needed intervention Many Nations under Many Gods brings to light the invisible histories of several Indian nations as well as their struggles to protect the integrity of sacred and cultural sites located on federal public lands Todd Allin Morman focuses on the history of Indian peoples engaging in consultation a process mandated by the National Environmental Policy Act and the Indian Religious Freedom Act whenever a federal agency s proposed action will affect land of significance to indigenous peoples To understand this process and its various outcomes first requires familiarity with the history and culture that make these sites significant to particular Indian nations Morman provides this necessary context for various and changing indigenous perspectives in the legal process He also examines consultation itself in a series of case studies including Hopi efforts to preserve the sacred San Francisco Peaks

in the Coconino National Forest from further encroachment by a ski resort the Washoes effort near Lake Tahoe to protect Cave Rock from an influx of rock climbers the Forest Service s plan for the Blackfeet site Badger Two Medicine and religious freedom cases involving the Makahs the Quechans the Western Apaches and the Standing Rock Sioux These cases illuminate the strengths and dangers inherent in the consultation process They also illustrate the need for Natives and non Natives alike to learn the history of North America in order understand the value of protecting the many cultural and sacred sites of its many indigenous peoples Many Nations under Many Gods reveals and works to meet the urgency of this undertaking
