Ehrman, 2014-03-25 New York Times bestselling author and Bible expert Bart Ehrman reveals

how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was and is God. But this is not what the original disciples believed during Jesus's lifetime and it is not what Jesus claimed about himself. *How Jesus Became God* tells the story of an idea that shaped Christianity and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death alive again did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was and is God.

Jesus of the Apocalypse Barbara Thiering, 2011-11-30. The sequel to the controversial *Jesus the Man*. In her 1992 bestseller *Jesus the Man*, Barbara Thiering analysed the hidden meaning contained in the Dead Sea Scrolls to propose a radical new historical interpretation of the life of Jesus Christ. Now in *Jesus of the Apocalypse* she unravels the mysteries of the Book of Revelation including the four horsemen of the Apocalypse, the beast whose number is 666 and the Great Harlot clothed in scarlet and purple. In this new work of remarkable research and scholarship, Thiering argues that Jesus was a central figure in a major political movement to overthrow the pagan Roman empire. Although crucified, he did not die on the cross and he and subsequently his sons took an important role in the evolution of the new underground religion which was developing out of Judaism. With detective-like perseverance, Thiering sheds new and significant light on a period that has so often been seen more through the implications of scripture than the facts of history.

The New Jerusalem Messenger, 1902. **The Book of Apocalypse explained by Archangel Michael and the Family of Light** Giovanni Orlando, 2010. **Agents of the Apocalypse** David Jeremiah, 2014-10-07. Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players: the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet and the beast. One by one, Dr Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set and the curtain is about to rise on Earth's final act. Will you be ready?
