Regents Canal:

Present Shipping & Canal Rates, and Regulations of the Regent's Canal Company. 1st July, 1869 Regent's Canal Company, 1869 Towpath Lori De Mori, Laura Jackson, 2020 A lot has changed since Towpath first rolled up its shutters 10 years ago on the Regent's Canal in Hackney and everything but the toasted cheese sandwich was cooked from home across the bridge And a lot hasn't It is still as much a social experiment as a unique and beloved eatery What happens when seasonality means you close every year in November because England's cold dark winters are simply inhospitable to hospitality from a little perch beside a shallow manmade waterway that snakes through East London What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water If you don't have a phone or a website because you'd rather people just show up like hungry kids at a playground Towpath is a collection of recipes stories and photographs capturing the vibrant cafe's food community and place throughout the arc of its season beginning just before the first breath of spring through the dog days of summer and culminating with fireworks before its painted shutters are rolled down again for winter *The Regent's Canal* David Fathers, 2012-10 The Regent's Canal the Limehouse Cut the Hertford Union and the Lee Navigation collectively cut a swathe through north and east London This 14 mile path cycle and waterway is a journey full of intriguing contrasts From the amateur sports fields of Regent's Park to London's new Olympic Park From the studio where Hitchcock directed some of his early films to MTV in Camden Lock From fine period housing to industrial wasteland social housing and new canalside builds From the pleasure boats chugging to Camden to the sleek Eurostars roaring off to Paris The use of canals has changed dramatically over the past fifty years from one of industrial transportation to waterfront living and leisure activities The canals in this book have undergone major phases of rebirth with new developments at King's Cross Limehouse and the Olympic Park in Newham Illustrator David Fathers offers a snapshot of how the canals were formed and how they appear today in a series of arresting and information packed pages following a course from Little Venice to the River Thames at Limehouse and on to the Olympic Park

London's Lost Rivers Paul Talling, 2020-04-02 Packed with surprising and fascinating information London's Lost Rivers uncovers a very different side to London showing how waterways shaped our principal city and exploring the legacy they leave today With individual maps to show the course of each river and over 100 colour photographs it's essential browsing for any Londoner and the perfect gift for anyone who loves exploring the past An amazing book BBC Radio London Talling's highly visual fact packed waffle free account is the freshest take we've yet seen A must buy for anyone who enjoys the hidden side of London Londonist A fascinating and stylish guide to exploring the capital's forgotten brooks waterways canals and ditches it's a terrific book Walk Pocket sized beautifully designed illustrated and informative in short a joy to read handle and use Reader review Delightful informative and beautifully produced Reader review A small gem A really great book I can't put it down Reader review Fascinating from start to finish Reader review From the sources of the Fleet in Hampstead's ponds to
