Regimes In Crisis The Postsoviet Era And Implications For Development:

The Anatomy of Post-Communist Regimes Bálint Magyar, Bálint Madlovics, 2021-02-15 Offering a single coherent framework of the political economic and social phenomena that characterize post communist regimes this is the most comprehensive work on the subject to date Focusing on Central Europe the post Soviet countries and China the study provides a systematic mapping of possible post communist trajectories At exploring the structural foundations of post communist regime development the work discusses the types of state with an emphasis on informality and patronalism the variety of actors in the political economic and communal spheres the ways autocrats neutralize media elections etc The analysis embraces the color revolutions of civil resistance as in Georgia and in Ukraine and the defensive mechanisms of democracy and autocracy the evolution of corruption and the workings of relational economy an analysis of China as market exploiting dictatorship the sociology of clientage society and the instrumental use of ideology with an emphasis on populism Beyond a cataloguing of phenomena actors institutions and dynamics of post communist democracies autocracies and dictatorships Magyar and Madlovics also conceptualize everything as building blocks to a larger coherent structure a new language for post communist regimes While being the most definitive book on the topic the book is nevertheless written in an accessible style suitable for both beginners who wish to understand the logic of post communism and scholars who are interested in original contributions to comparative regime theory The book is equipped with QR codes that link to www.postcommunistregimes.com which contains interactive 3D supplementary material for teaching

Handbook of Economic Development Kuo-Tsai Liou, 1998-06-25 Featuring over 1900 references drawings and tables and drawing on disciplines as diverse as political economics public management and urban affairs this versatile text offers comprehensive information on major policy and managerial issues important to local and national economic development Pulling together the work of over 40 researchers the book examines the role of government in economic advances and reform provides a complete up to date survey of the literature on local and national economic development details local and regional economic progress in the US adopts an innovative interdisciplinary approach to the study of economic expansion and more

The Dialectics Of Globalization Menno Vellinga, 2019-05-28 Challenging conventional theories about the process and impact of globalization The Dialectics of Globalization is from the Latin America in Global Perspective series Through comparative analyses of case studies by leading economists social scientists and geographers from Asia Latin America the Caribbean and Europe this volume refines the u

Hegemonic Globalisation Thanh Duong, 2017-11-22 This title was first published in 2002 This innovative work analyses how the United States has laid down the foundations for global power It reassesses and re evaluates the declinist renewal argument and challenges conventional balance of power theories demonstrating how the United States is attempting to hegemonically globalise the entire international system To evaluate the success of hegemonic globalisation the book analyses four major powers and regions Russia the People s Republic of China PRC the European

Union EU and Japan and their historical political economic cultural and geopolitical relations with the United States Each study examines the tangible and intangible sources of their relationship and the possible tensions and resistance towards United States hegemony therein Providing much needed insight and a fresh perspective this book makes a worthwhile contribution to our understanding of contemporary international power Regimes in Crisis Barry K. Gills, Shahid Qadir, 1995 The revolutions in Eastern Europe the disintegration of the Soviet Union and China's transition to a market economy have thrown many Third World countries that proclaimed commitment to a socialist development path into crisis This collection explores the nature of this crisis It examines the recent experiences of radical and socialist regimes as they attempt to adjust to the new geopolitical and economic realities of the 1990s the formerly Afro Marxist states the radical Arab regimes as well as China Vietnam Cuba and North Korea It looks at why the Soviet economic model collapsed and at the important structural shifts that global capitalism went through in the 1980s It asks if there is such a thing as a socialist development strategy and if so what it might comprise in a world where the Soviet statist model has been defeated but where poverty inequality and exploitation grow ever more stark **Power To The People** Robert K Schaeffer, 1997-07-31 Power to the People after documenting the emergence of a new interstate system and the Cold War that divided it in the postwar period examines the factors that led to the process of democratization in countries around the world *Crises in the Post-Soviet Space* Felix Jaitner, Tina Olteanu, Tobias Spöri, 2018-06-13 The breakup of the Soviet Union led to the creation of new states and territorial conflicts of different levels of intensity Scrutinising the post Soviet period this volume offers explanations for both the frequency and the intensity of crises in the region This book argues that the societies which emerged in the post Soviet space share characteristic features and that the instability and conflict prone nature of the Soviet Union's successor states can be explained by analysing the post independence history of the region and linking it to the emergence of overlapping economic political and violent crises called Intersecting Crises Phenomena Transformation itself is shown to be a decisive process and while acknowledging specific national and regional characteristics and differences the authors demonstrate its shared impact This comparison across countries and over time presents patterns of crisis and crisis management common to all the successor states It disentangles the process highlighting the multifaceted features of post Soviet crises and draws upon the concept of crisis to determine the tipping points of post Soviet development Especially useful for scholars and students dealing with the Soviet successor states this book should also prove interesting to those researching in the fields of communist and post communist Studies Eurasian politics international relations and peace and conflict studies **Social Justice in a Turbulent Era** Gary Craig, 2023-07-01 This incisive book examines how the values of social justice can be protected against attacks from the interacting economic social environmental and health crises of the 21st century Global contributors outline key elements of a political programme that resists the shift to the right caused by this turbulence through centring fairness equality respect and inclusion **The International Economic Crisis and the**

Post-Soviet States Valentina Feklyunina, Stephen White, 2014-06-11 At first it seemed as if the international financial crisis that broke out in 2008 would have little effect in Russia and the other post Soviet states But by the end of the year growth was slowing banks were reluctant to lend share values had collapsed and unemployment was rising inexorably The stability of the Putin leadership it appeared had been built on the turnaround in economic performance that it had managed to achieve over more than a decade How would it cope with a sudden reversal In Ukraine living standards fell even more sharply In Belarus there were fewer obvious signs of economic difficulty but it could hardly be unaffected by the performance of its major trading partners Drawing on a wide range of evidence an international group of scholars address the impact of the international financial crisis in the post Soviet states and the continuing implications of the crisis for these countries themselves and for the wider world This book was published as a special issue of the Journal of Communist Studies and Transition Politics now known as East European Politics

Fluid Russia Vera Michlin-Shapir, 2021-12-15 Fluid Russia offers a new framework for understanding Russian national identity by focusing on the impact of globalization on its formation something which has been largely overlooked This approach sheds new light on the Russian case revealing a dynamic Russian identity that is developing along the lines of other countries exposed to globalization Vera Michlin Shapir shows how along with the freedoms afforded when Russia joined the globalizing world in the 1990s came globalization s disruptions Michlin Shapir describes Putin s rise to power and his project to reaffirm a stronger identity not as a uniquely Russian diversion from liberal democracy but as part of a broader phenomenon of challenges to globalization She underlines the limits of Putin s regime to shape Russian politics and society which is still very much impacted by global trends As well Michlin Shapir questions a prevalent approach in Russia studies that views Russia s experience with national identity as abnormal or defective either being too weak or too aggressive What is offered is a novel explanation for the so called Russian identity crisis As the liberal postwar order faces growing challenges Russia s experience can be an instructive example of how these processes unfold This study ties Russia s authoritarian politics and nationalist rallying to the shortcomings of globalization and neoliberal economics potentially making Russia patient zero of the anti globalist populist wave and rise of neo authoritarian regimes In this way Fluid Russia contributes to the broader understanding of national identity in the current age and the complexities of identity formation in the global world

The Georgian Regime Crisis of 2003-2004 Rebecca S Katz, 2006-04-03 The Republic of Georgia remains characterized by an unstable socio political economy and by gross levels of economic inequality corruption ineffective policing a weak judiciary and a limited free and independent press Currently sixty five percent of the population continue to live under the poverty level thus facilitating participation in crime and corruption to survive economically Following initial independence from the Soviet Union separatist and nationalistic movements resulting in the secession of several regions and the creation of hundreds of thousands of internally displaced Georgians Georgia s post soviet history included violent political purges including inter political party violence bomb attacks

and murders Official corruption remains problematic and includes individuals at all levels of government This exploratory narrative analysis of media coverage of crime corruption and politics in post Soviet Georgia illuminates the early development of a free press while reflecting Georgian attitudes about politics and corruption The analysis includes preelection newspaper coverage of the November 2003 parliamentary poll beginning in late August 2003 the Rose Revolution in November 2003 resulting in the resignation of President Eduard Shevardnadze and the socio economic and socio political events preceding and following the election of new President Mikhail Saakashvili from January 2004 through the end of March 2004

Post-Soviet Constitutions and Challenges of Regional Integration Roman Petrov, Peter Van Elsuwege, 2017-11-22 This book explores the implications of European and Eurasian integration projects for the constitutional orders of post Soviet countries On the one hand the process of Eurasian integration culminating in the establishment of the Eurasian Economic Union EAEU led to the creation of new institutions and mechanisms influencing the domestic legal order of the participating countries On the other hand the process of European integration epitomised through the European Union EU constitutes an important source of reference for domestic constitutional developments in the countries which recently concluded a new generation of Association Agreements with the EU This book analyses the implications of both processes The book addresses the relevant experience of the countries from Central and Eastern Europe with transitional constitutionalism mapping out the significance of European and Eurasian integration for protecting the rule of law in the post Soviet space and identifying the constitutional implications and challenges of the EAEU and the new generation of Association Agreements It also provides detailed country reports on national constitutional orders in the post Soviet space and their adaptability to regional integration projects authored by leading academics from the countries concerned providing a number of general reflections about the evolution of post Soviet constitutions in light of European and Eurasian integration projects

[The Cumulative Book Index](#), 1996 A world list of books in the English language

The Economic Future in Historical Perspective Paul A. David, Mark Thomas, 2006-02-23 The essays in this volume demonstrate the power of using history to improve our understanding of the economic and social challenges of the present and future A distinguished group of authors provide new perspectives on the dynamics of economic growth the challenges of economic and political transitions and the relationships between economic growth institutional development and individual well being in mature industrial societies

[Resource Curse and Post-Soviet Eurasia](#) Vladimir Gel'man, Otar Marganiya, 2010-08-06 By the end of the 2000s the term resource curse had become so widespread that it had turned into a kind of magic keyword not only in the scholarly language of the social sciences but also in the discourse of politicians commentators and analysts all over the world _like the term modernization in the early 1960s or transition in the early 1990s In fact the aggravation of many problems in the global economy and politics against the background of the rally of oil prices in 2004D2008 became the environment for academic and public debates about the role of natural resources in general and oil and gas in particular in

the development of various societies The results of numerous studies do not give a clear answer to questions about the nature and mechanisms of the influence of the oil and gas abundance on the economic political and social processes in various states and nations However the majority of scholars and observers agree that this influence in the most of countries is primarily negative Resource Curse and Post Soviet Eurasia Oil Gas and Modernization is an in depth analysis of the impact of oil and gas abundance on political economic and social developments of Russia and other post Soviet states and nations such as Kazakhstan and Azerbaijan The chapters of the book systematically examine various effects of resource curse in different arenas such as state building regime changes rule of law property rights policy making interest representation and international relations in theoretical historical and comparative perspectives The authors analyze the role of oil and gas dependency in the evolution and subsequent collapse of the Soviet Union authoritarian drift of post Soviet countries building of predatory state and pendulum like swings of Russia from state capture of 1990s to business capture of 2000s uneasy relationships between the state and special interest groups and numerous problems of geo economics of pipelines in post Soviet Eurasia

The Scourge of Genocide Adam Jones, 2013-06-26 The Scourge of Genocide collects essays reviews and reportage on the subjects of genocide and crimes against humanity by Adam Jones recently selected as one of Fifty Key Thinkers on the Holocaust and Genocide The volume includes a number of previously unpublished essays and explores a range of debates and approaches in comparative genocide studies such as Genocide pedagogy and visual representation Gender and gendercide The role of media and communications in genocide The historiography of genocide studies Subaltern genocide or genocides by the oppressed Strategies of genocide prevention and intervention Covering a broad spectrum of theoretical perspectives as well as case studies from the former Yugoslavia Rwanda Guatemala Afghanistan Iraq and Israel Palestine this book is essential reading for all scholars and students of genocide studies political violence and international relations

Vodka Politics Mark Lawrence Schrad, 2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In Vodka Politics Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin Vodka Politics presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russia s rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II s ill fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics

contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka's hurdles to produce greater social well being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodka's devastating political legacies may be the greatest political challenge for this generation of Russia's leadership as well as the next

Explaining Post-Soviet Patchworks Klaus Segbers, 2017-10-05 This title was first published in 2001 Based on extensive research this trilogy provides new insights into Post Soviet transformations without taking refuge in the traditional assumption that Russia is unique Using powerful analytical tools this trilogy marks the re integration of the Former Soviet Union FSU into the main current of political science An invaluable resource for all those interested in Russia and the Post Soviet states This first volume focuses on state sectoral and transnational actors from a predominantly rational choice perspective The book includes an extensive introduction by the editor which uses additional material gathered by the project team on two polls 1999 and 2000 which in addition to the individual studies provide sufficient data to obtain unprecedented insights into the basic preferences and the logic of action of the main players in Russia The outcomes of this research will be particularly relevant for students researchers journalists and decision makers interested in Russia and the Post Soviet states politics international relations economics social policy and sociology

Putinism - Post-Soviet Russian Regime Ideology Mikhail Suslov, 2024-02-23 A key question for the contemporary world What is Putin's ideology This book analyses this ideology which it terms Putinism It examines a range of factors that feed into the ideology conservative thought in Russia from the nineteenth century onwards Russian and Soviet history and their memorialisation Russian Orthodox religion and its political connections a focus on traditional values and Russia's sense of itself as a unique civilisation different from the West and due a special respected place in the world The book highlights that although the resulting ideology lacks coherence and universalism comparable to that of Soviet era Marxism Leninism it is nevertheless effective in aligning the population to the regime and is flexible and applicable in different circumstances And that therefore it is not attached to Putin as a person is likely to outlive him and is potentially appealing elsewhere in the world outside Russia especially to countries that feel belittled by the West and let down by the West's failure to resolve problems of global injustice and inequality

Regimes In Crisis The Postsoviet Era And Implications For Development Introduction

In today's digital age, the availability of Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regimes In Crisis The Postsoviet Era And Implications For Development versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regimes In Crisis The Postsoviet Era And Implications For Development books and manuals for download and embark on your journey of knowledge?

FAQs About Regimes In Crisis The Postsoviet Era And Implications For Development Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regimes In Crisis The Postsoviet Era And Implications For Development is one of the best book in our library for free trial. We provide copy of Regimes In Crisis The Postsoviet Era And Implications For Development in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regimes In Crisis The Postsoviet Era And Implications For Development. Where to download Regimes In Crisis The Postsoviet Era And Implications For Development online for free? Are you looking for Regimes In Crisis The Postsoviet Era And Implications For Development PDF? This is definitely going to save you time and cash in something you should think about.
