Happy Families Carlos Fuentes, 2008-09-23 The internationally acclaimed author Carlos Fuentes winner of the Cervantes Prize and the Latin Civilization Award delivers a stunning work of fiction about family and love across an expanse of Mexican life reminding us why he has been called a combination of Poe Baudelaire and Isak Dinesen Newsweek In these masterly vignettes Fuentes explores Tolstoy's classic observation that happy families are all alike every unhappy family is unhappy in its own way In A Family Like Any Other each member of the Pagan family lives in isolation despite sharing a tiny house In The Mariachi's Mother the limitless devotion of a woman is revealed as she secretly tends to her estranged son's wounds Sweethearts reunites old lovers unexpectedly and opens up the possibilities for other lives and other loves These are just a few of the remarkable stories in Happy Families but they all inhabit Fuentes's trademark Mexico where modern obsessions bump up against those of the mythic past and the result is a triumphant display of the many ways we reach out to one another and find salvation through irrepressible acts of love In this spectacular translation the acclaimed Edith Grossman captures the full weight of Fuentes's range Whether writing in the language of the street or in straightforward elegant prose Fuentes gives us stories connected by love including the failure of love between spouses lovers parents and children siblings From the Mexican presidential palace to the novels of the poor and the vast expanse of humanity in between Happy Families is a magnificent portrait of modern life in all its complicated beauty as told by one of the world's most celebrated writers Praise for Carlos Fuentes Winner of the Cervantes Prize The Old Gringo A dazzling novel that possesses the weight and resonance of myth and the fierce magic of a remembered dream The New York Times The Death of Artemio
