Regional Development In Western Europe:

Regional Development in Western Europe Hugh D. Clout, 1975 Regional Development George Demko, 2017-08-31
Originally published in 1984 This volume brings together papers concerned with the problems of regional development in both Eastern and Western Europe These include regional economic and social inequalities lagging and backward regions and constricted flows of labour This book provides identification comparison analysis and discussion of regional development problems in Eastern and Western Europe It discusses the latest trends in regional policy assesses their effectiveness and puts forward innovative thinking on the various issues and how they should be tackled in future *Return Migration and Regional Development in Europe* Robert Nadler, Zoltán Kovács, Birgit Glorius, Thilo Lang, 2016-07-30 This book assesses recent migration patterns in Europe which have significantly included return migration against the stream of East West migration Since the Eastern enlargement of the EU many regions of Central and Eastern Europe have experienced a loss of human resources in core industries raising concerns about social economic and territorial cohesion in the region The success rates of national and regional governmental policy aiming to retain or re attract skilled workers have been variable yet return migration has emerged as a major element of migration flows Bringing together leading researchers on this important topic in contemporary European geography the contributors analyse a series of key issues These include theoretical frameworks in the field of return migration the nexus between return migration and regional development the effects of the global and European crisis on emigration and return migration non economic motivations for emigration and return the intergenerational character of return migration and the reintegration of return migrants into post socialist societies Taken together the chapters see return migrants as important agents of change innovation and economic growth The book will be of great interest for scholars and students of human economic and political geography Routledge Revivals: Regional Development in Western Europe (1975) Hugh Clout, 2017 First published in 1975 this book provides a straightforward examination of regional differences and regional development in the countries of Western Europe Professor Clout divides this into two parts The first examines a series of themes with reference to the whole of Western Europe and the second part discusses regional development in individual countries or groups of countries Contributions by experts from the UK and from mainland Europe present an essentially geographic approach combining thematic and country by country discussions Provided by publisher **Routledge Revivals: Regional Development in Western Europe (1975)** Hugh Clout, 2017-11-22 First published in 1975 this book provides a straightforward examination of regional differences and regional development in the countries of Western Europe Professor Clout divides this into two parts The first examines a series of themes with reference to the whole of Western Europe and the second part discusses regional development in individual countries or groups of countries Contributions by experts from the UK and from mainland Europe present an essentially geographic approach combining thematic and country by country discussions **Regional Development in**

Western Europe ,1975 Regional Development on Western Europe Nations Unies. Institut de recherche pour le développement social,1970 **The New Regionalism in Western Europe** Michael Keating,1998 This text traces the historical origins of regionalism showing that theoretical politics has always been a feature of the West European state The book then analyzes the post war model of territorial management in the Keynesian welfare state and shows how the current trends are re shaping the meaning of political space and encouraging new forms of political mobilization and action

Service activities and regional development in western Europe Sven Illeris,1989 **Regional Development Experiences and Prospects in Western Europe** ,1970 **Urban Sprawl in Western Europe and the United States** Chang-Hee Christine Bae,2017-03-02 Urban sprawl is one of the key planning issues today This book compares Western Europe and the USA focusing on anti sprawl policies The USA is known for its settlement patterns that emphasize low density suburban development and extreme automobile dependence whereas European countries emphasize higher densities pro transit policies and more compact urban growth Yet on closer inspection the differences are not as wide as first appears A key feature of the book is the attention given to France its experience is little known in the English speaking world The book concludes that both continents can offer each other useful insights and perhaps policy guidance **Regional Development in Western Europe** United Nations Research Institute for Social Development,1970 **Local Governance in Western Europe** Peter John,2001-12-20 Its strength lies in combining theoretical insights with an impressive range of empirical material The analysis is subtle and multi layered This is a timely and important book Political Studies Local governance have gained massive attention among scholars and practitioners during the past several years Peter John s book fills a void in the literature by tracing the historical roots of local governance and by placing his findings in a comparative perspective Professor Jon Pierre University of Gothenburg Sweden Peter John has produced a fascinating and stimulating book in which he assesses current developments in urban politics and local government in Europe and suggests how these changes are leading to different patterns of sub national territorial politics in the EU today What he has to say is of important interest to all students of local government comparative politics and of territorial politics more generally Michael Goldsmith University of Salford this book offers a fascinating comparative analysis themes such as New Public Management globalisation regionalism and privatisation will be relevant to numerous courses in government politics public administration and public policy West European Politics This text provides a comprehensive introduction to local government and urban politics in contemporary Western Europe It is the first book to map and explain the change in local political systems and to place these in comparative context The book introduces students to the traditional structures and institutions of local government and shows how these have been transformed in response to increased economic and political competition new ideas institutional reform and the Europeanization of public policy At the book s core is the perceived transition from local government to local governance The book traces this key development thematically across a wide range of West European states including

Belgium France Greece Italy Germany the Netherlands Norway Portugal Spain and the United Kingdom *Regional and National Elections in Western Europe* R. Dandoy, A. Schakel, 2013-11-19 Utilizing both historical and new research data this book analyzes voting patterns for local and national elections in thirteen west European countries from 1945-2011. The result of rigorous and in depth country studies this book challenges the popular second order model and presents an innovative framework to study regional voting patterns Regional Development , 1985 **Western Europe** Max Schulze, 2014-07-10 This major new text offers a clearly structured introduction to the economic and social development of Western Europe since the Second World War. A team of experts explore key aspects of postwar Europe's economy and society in a number of thematic chapters with a regional and strongly comparative focus and these are followed by specific national studies

Regional Development George Demko, 2017 Problems and Perspectives of Regional Development in Western Europe M. E. Streit, 1974 **Tourism and Regional Development in Western Europe** Laurent Bridel, Université de Lausanne. Institut de géographie, 1977 *Regional Development in Western Europe* Ole Kristian Therkildsen, 1977
