## **Regionalist Parties In Western Europe:**

Regionalist Parties in Western Europe Lieven De Winter, Huri Tursan, 2003-08-29 Ethnoregionalist parties are an increasingly influential political phenomenon in many Western European countries. Despite this, there has been little systematic study of these important political parties. This volume fills the gap with an exploration of the successes and failures experienced by ethnoregionalist parties in post-war Europe. *Regionalist Parties in Western Europe* looks in detail at the fortunes of twelve regionalist parties in the Basque country, Corsica, French-speaking Belgium, Scotland, Wales, Catalonia, Flanders, Italy, and South Tyrol. *Regionalist Parties in Western Europe* Oscar Mazzoleni, Sean Mueller, 2016-08-25 Regionalist parties matter. Over the past 40 years, they have played an ever-larger role in West European democracies. Because of their relevance and temporal persistence, their achievements have increasingly become visible, not only in the electoral arena but also as regards holding office and policy-making. Enhancing our understanding of these different dimensions of success, this book analyses various types of regionalist party success. Beyond conventional perspectives, the focus of this book is also on how the dimensions of success are related to each other and, in particular, to what extent electoral and office success jointly or alternatively contribute to policy success. Adopting a common theoretical framework and combining the in-depth knowledge of country experts, each chapter explores the evolution and impact of regionalist parties in regional or federal states that is the UK, Germany, Italy, Spain, Belgium, and Switzerland. This allows for a comprehensive and comparative analysis of one of the main political challenges within West European democracies.

**Regionalist Parties in Western Europe** Lieven De Winter, Huri Tursan, 2003-08-29 Ethnoregionalist parties are an increasingly influential political phenomenon in many Western European countries. Despite this, there has been little systematic study of these important political parties. This volume fills the gap with an exploration of the successes and failures experienced by ethnoregionalist parties in post-war Europe. *Regionalist Parties in Western Europe* looks in detail at the fortunes of twelve regionalist parties in the Basque country, Corsica, French-speaking Belgium, Scotland, Wales, Catalonia, Flanders, Italy, and South Tyrol. *Regional and National Elections in Western Europe* R. Dandoy, A. Schakel, 2013-11-19 Utilizing both historical and new research data, this book analyzes voting patterns for local and national elections in thirteen West European countries from 1945 to 2011. The result of rigorous and in-depth country studies, this book challenges the popular second-order model and presents an innovative framework to study regional voting patterns. The Party Politics of Territorial Reforms in Europe Emanuele Massetti, Simon Toubeau, 2020-07-24 The book analyses how political parties compete and strategise on the issue of territorial reform using case studies that include countries from both Western Belgium, Germany, Italy, and Spain and Central Eastern Europe, Poland, Slovakia, and Romania. Each case study considers different drivers of decentralization such as territorial identities and the demands of regionalist parties for territorial autonomy or independence, efficiency concerns related to issues of uneven economic development and economic

competitiveness the pressure from supra national organizations especially the EU as well as different combinations of these drivers They also consider how the ideology and organisation of state wide parties and the institutional context in which they compete shape their responses to these drivers and their strategy towards the question of territorial reform This collection investigates the logic of the actions that guide political parties strategy to highlight trends that are apparent across the case studies This book was originally published as a special issue of West European Politics

**Federalism and Regionalism in Western Europe** W. Swenden, 2006-02-21 Federalism and Regionalism in Western Europe seeks to clarify the relevance problems and consequences of operating federal systems of government in Western Europe The book analyzes and explains varieties in the allocation of resources the decision making process and problem solving capacity of West European federal and regional states

*Understanding Populist Party Organisation* Reinhard Heinisch, Oscar Mazzoleni, 2016-10-01 Right wing populist parties are thriving throughout Europe With few exceptions political systems have seen such parties make significant electoral gains and shape the national political discourse across the continent In recent years many populist parties have undergone leadership changes and other evolutionary challenges to which they adapted well often contrary to expectations This timely collection is devoted to understanding how Western European right wing populist parties organize themselves Without understanding the role of the organizational dynamics we fail to understand how populist parties adapt over time and thus endure Providing a systematic and comprehensive analysis of organizational issues of populist parties over time *Understanding Populist Party Organisation* explores a range of political parties in Western Europe examining their internal dynamics and questioning whether it is possible to discern or construct a general populist party typology of organization and representation The book includes chapters on the Austrian Freedom Party the Vlaams Belang the Swiss People's Party the Lega Nord the Front National the Norwegian Progress Party and the Sweden Democrats

**Politics and Society in Western Europe** Jan-Erik Lane, Svante O. Ersson, 1999-02-23 Politics and Society in Western Europe is a comprehensive introduction for students of West European politics and of comparative politics This new edition has been extensively revised and updated to meet with the new needs of undergraduate students as they come to terms with a changing social and political landscape in Europe This textbook provides a full analysis of the political systems of 18 Western European countries their political parties elections and party systems as well as the structures of government at local regional national and European Union levels Throughout the book key theoretical ideas are accessibly introduced and examined against the very latest empirical data on civil society and the state

The European Union and the Rise of Regionalist Parties Seth Kincaid Jolly, 2015-08-27 Using a cross national quantitative study and a detailed case study of the pro independence Scottish National Party demonstrates that supranational integration and subnational fragmentation are related in theoretical and predictable ways Posits that the EU makes smaller states more viable and politically attractive by diminishing the relative economic and political advantages of larger sized states

*Regional and National Elections in*

*Eastern Europe* Arjan H. Schakel, 2017-02-11 This book is the second of two studies which systematically explore territoriality of the vote in Europe They investigate when and where voters treat regional elections differently from national contests and aim to increase our understanding of the dynamics of electoral competition which have become increasingly multifarious and complex in many countries due to the establishment and strengthening of regional government This volume brings together leading experts on elections who analyze differences between regional and national electoral outcomes in ten East European countries since 1990 Based on a common analytical framework each chapter investigates congruence between regional and national elections and traces and explains second order and regional election effects The editors applied a similar analytical framework in *Regional and National Elections in Western Europe* Palgrave 2013 which focused on 13 West European countries enabling the authors to compare regionalelectoral dynamics between Eastern and Western Europe and observe to what extent explanations for territorial heterogeneity in the vote in the West also apply to the East This book will be of particular interest to advanced students and scholars in the fields of comparative politics regional studies Eastern European politics and democratization

**New Challenges for Stateless Nationalist and Regionalist Parties** Eve

Hepburn, 2013-10-18 Throughout Europe stateless nationalist and regionalist parties have moved from niche actors in party systems to mainstream political players No longer the outsider in party politics these parties have successfully entered government at the regional and state levels and many have been responsible for pushing the agenda for radical constitutional change in the United Kingdom Spain Italy Belgium Germany and France However the transformation of these parties from peripheral movements to established parties of government does not come without its problems Whilst these parties were once able to focus on the single issue of self determination they have been forced to change their strategies alter their behaviour and compromise on their principles in order to succeed in an era of electoral volatility partisan dealignment and multi level governance This book explores how stateless nationalist and regionalist parties across Western Europe have responded to the twin challenges of multi level politics i e operating at the regional state and European levels and a multi dimensional policy space whereby they must articulate policy proposals alongside their territorial demands Written by leading experts in the field this is a cutting edge collection of theoretical analytical and empirical work on the challenges currently facing nationalist and regionalist parties in Europe This book was previously published as a special issue of *Regional and Federal Studies*

*Radical Right-Wing Populist Parties in Western Europe* Tjitske Akkerman, Sarah L. de

Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded

their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

**New Challenger Parties in Western Europe** Airo Hino,2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail Systematically comparing 229 elections since 1950 across 15 European democracies including the United Kingdom France Germany Italy the Benelux and Scandinavian countries this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure As one of the first systematic and comparative examinations of new challenger parties this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election Identifying two distinctive stages of party development the author adopts a double hurdle model involving first the chances of emergence and second sustained success This framework in combination with a wide range of empirical data provides for an innovative and insightful analysis of a neglected topic New Challenger Parties in Western Europe will be of interest to students and scholars of government comparative politics and political parties

**Multi-Level Party Politics in Western Europe** K. Detterbeck,2012-05-29 A study of territorial dynamics within party organizations in multi layered systems This book contributes to a new approach in party research which acknowledges the importance of multi layered institutional framing It includes an analysis of vertical linkages and sub state autonomy in Austrian Belgian British German and Spanish parties

**Right-Wing Populism in Europe** Ruth Wodak,Brigitte Mral,Majid KhosraviNik,2013-05-23 This volume offers a comparative survey of Far Right parties across Europe examining in particular their changing political rhetoric The contributors look at the development of two distinct forms of party development and discourse The Haiderization and The Berlusconi model

*The Rise of Regionalism* Rune Dahl Fitjar,2009-09-10 This book examines why regional identities are stronger in some regions than in others and discusses the underlying causes of the mobilization of sub state regions in Western Europe over the past fifty years

Why Regional Parties? Adam Ziegfeld,2016-02-19 The first major study of India s regional parties which discusses why when and where they are electorally successful

Sovereignism and Populism Linda Basile,Oscar Mazzoleni,2021-12-19 At a time when populism and appeal for national and popular sovereignty are on the rise in Europe the USA and beyond this volume proposes a new research agenda in political science that focuses on the linkages

between populist and sovereignism in Europe The book's core question is to know and describe whether how and to what extent populism has been able to articulate the calls for taking back control of the national borders and authority by looking at both the demand and supply sides Through compelling empirical analyses the authors offer fresh data and theoretical insights on the determinants of the support for sovereigntist claims and its impact on voting choices as well as on the features of the sovereignist discourse in populist parties Coupled with the growing electoral success of party based populism sovereignism actually poses challenges to the ongoing processes of supranational integration This urges a timely rethinking of democratic politics and calls for far sighted alternatives to taking back control to address the impact of globalisation and regionalisation on contemporary societies The chapters in this book were originally published as a special issue of the journal *European Politics and Society*

**Origin, Ideology and Transformation of Political Parties** Vít Hloušek, Lubomír Kopeček, 2010 In this book Vít Hloušek and Lubomír Kopeček critically apply the party families approach to political parties in the Czech Republic Hungary Poland Slovakia and Slovenia By examining the political relevance of different party families Hloušek and Kopeček are able to assess the validity of this typology in the analysis of the transformation of political parties in this region

Regionalism and Regional Self-Government in South-East Europe Vedran Đulabić, 2024-11-15 The book analyses state of play regarding regional level of government in the countries of South East Europe particularly countries succeeding former Yugoslavia Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro Kosovo and North Macedonia using the research methods from the fields of Law Public Administration and Political Science The book offers fresh analytical perspective of the regional self government issues in these countries out of which every country has particular issues to deal with Be it controversial territorial restructuring debate Croatia complex institutional system B H dealing with territorial concentrated ethnic minorities Serbia Kosovo North Macedonia or the issue of small size and non existence of regional forces Slovenia Montenegro Besides the introductory methodological and concluding synthesis trends and issues for further research chapters the book contains country chapters written by experts from a particular country in the region who follow the same chapter structure which allows further comparisons Besides that the book contains three chapters on several cross cutting issues such as position of ethnic minorities and their territorial regional concentration and institutional representation in the overall system of local and regional self government analysis of regional political parties and movements that influence the debate in these countries and the analysis of position and interplay of deconcentrated state administration and regional self government in analysed countries

## Regionalist Parties In Western Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regionalist Parties In Western Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regionalist Parties In Western Europe has opened up a world of possibilities. Downloading Regionalist Parties In Western Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regionalist Parties In Western Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regionalist Parties In Western Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regionalist Parties In Western Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regionalist Parties In Western Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regionalist Parties In Western Europe has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Regionalist Parties In Western Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regionalist Parties In Western Europe is one of the best book in our library for free trial. We provide copy of Regionalist Parties In Western Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regionalist Parties In Western Europe. Where to download Regionalist Parties In Western Europe online for free? Are you looking for Regionalist Parties In Western Europe PDF? This is definitely going to save you time and cash in something you should think about.
