Regulating Health Facilities Construction Proceedings:

Regulating Health Facilities Construction Clark C. Havighurst, 1974-01-01 Regulating Health Facilities Construction Clark C. Havighurst, 1974 **Grow and Hide** Colleen M. Grogan, 2023 In *Grow and Hide* Colleen M. Grogan details the history of the American health care state and argues that the public has been intentionally misled about the true role of government. The US created a publicly financed system while framing it as the opposite in what Grogan terms the grow and hide regime. Today the state's role is larger than ever yet it remains largely hidden because stakeholders have repeatedly and successfully presented the illusion of minimal government involvement. As Grogan reveals, if we want to fix care in America, we need to reimagine the way it is organized, prioritized, funded, and perhaps most importantly, discussed.
