**Modernizing Insurance Regulation** John H. Biggs, Matthew P. Richardson, 2014-03-25 The future of the insurance regulation begins now For those involved with the insurance industry from investment professionals to policy makers and regulators to legislators tremendous change is coming With insurance premiums constituting an ever growing portion of annual U S GDP and provisions of the Dodd Frank Act specifically calling for modernization of insurance regulations the issues at hand are pervasive In *Modernizing Insurance Regulation* these issues are described against a backdrop of the political and industry discussions that surround insurance regulation and systemic risk Experts Viral V Acharya and Matthew Richardson discuss a variety of issues with top thinkers in the fields of finance derivatives credit risk and banking to bring to light the most germane elements of this ongoing discussion In *Modernizing Insurance Regulation* Acharya and Richardson call on the expertise of all the relevant stakeholders within government academia and industry to offer a well rounded and independent view of insurance regulation and how the evolution of this key industry affects the U S economy now and in the future Provides an overview of the feasibility of maintaining a state level regulatory structure Offers a view of the issues from top academics industry leaders and state regulators Explores the debate surrounding the insurance industry and systemic risk Provides an in depth look at upcoming changes under the Dodd Frank Act *Modernizing Insurance Regulation* provides a look into the crucial changes coming to insurance regulation and an overview of how those changes will affect almost everyone

**Life Insurance Fact Book**, 1957      **A Guide to Insurance Management** Stephen Diacon, 1990-05-31 This book makes a substantial contribution to the general level of management education in insurance by providing a comprehensive review of the main issues facing the management of insurance enterprises Nineteen authors with considerable practical as well as academic experience have collaborated to give an international perspective in areas such as strategy corporate planning organisation and staffing costing underwriting and premium rating marketing reserving and investment profit analysis and regulation      *Bank On Yourself* Pamela Yellen, 2010-03-23 The Wall Street Journal USA Today and BusinessWeek bestseller *Bank On Yourself* The Life Changing Secret to Growing and Protecting Your Financial Future reveals the secrets to taking back control of your financial future that Wall Street banks and credit card companies don't want you to know Can you imagine what it would be like to look forward to opening your account statements because they always have good news and never any ugly surprises More than 100 000 Americans of all ages incomes and backgrounds are already using *Bank On Yourself* to grow a nest egg they can predict and count on even when stocks real estate and other investments tumble You'll meet some of them and hear their stories of how *Bank On Yourself* has helped them reach a wide variety of short and long term personal and financial goals and dreams in this book      **ACLI Life Insurance Fact Book**, 1999      **Regulation of the Life Insurance Business** Jon S. Hanson, 1996      **When Insurers Go Bust** Guillaume Plantin, Jean-Charles Rochet, 2016-06-28 In the 1990s large insurance companies failed in virtually every major market

prompting a fierce and ongoing debate about how to better protect policyholders Drawing lessons from the failures of four insurance companies When Insurers Go Bust dramatically advances this debate by arguing that the current approach to insurance regulation should be replaced with mechanisms that replicate the governance of non financial firms Rather than immediately addressing the minutiae of supervision Guillaume Plantin and Jean Charles Rochet first identify a fundamental economic rationale for supervising the solvency of insurance companies policyholders are the bankers of insurance companies But because policyholders are too dispersed to effectively monitor insurers it might be efficient to delegate monitoring to an institution a prudential authority Applying recent developments in corporate finance theory and the economic theory of organizations the authors describe in practical terms how such authorities could be created and given the incentives to behave exactly like bankers behave toward borrowers as tough claimholders
