Reforming the Investment Climate Sunita Kikeri,Thomas John Kenyon,Vincent Palmade,2006-01-01 This paper analyzes the administrative political and technical challenges involved in passing and implementing investment climate reforms in developing countries Drawing on more than 25 case studies the

authors emphasize the role of international bench marking in triggering reform the importance of pilot projects for policy learning and experimentation and the need to treat implementation and monitoring as an integral part of the reform process and not merely as an afterthought *Corporate Manslaughter and Regulatory Reform* P. Almond,2013-01-17 This book provides an account of the international emergence of corporate manslaughter offences to criminalise deaths in the workplace during the last twenty years identifying the limitations of health and safety regulation that have prompted this development Downsizing the State Dag MacLeod,2010-11-01 Beginning in 1983 the Mexican government implemented one of the most extensive programs of market oriented reform in the developing world Downsizing the State examines a key element of this reform program the privatization of public firms Drawing upon interviews with government officials business executives and labor leaders as well as data from government archives and corporate documents MacLeod highlights the difficulties of linking market reforms to improved public welfare Privatization failed to live up to its promise of raising living standards or decentralizing the economy Indeed privatization actually increased the concentration of wealth in Mexico while redirecting the economy toward foreign markets These findings contribute to theoretical debates regarding state autonomy and the embeddedness of economic action MacLeod calls into question the autonomy of the Mexican state in its privatization program He shows that the creation of markets where public firms once dominated has involved both the destruction of social relations and the construction of new relations and institutions to regulate the market **The Costs and Benefits of Regulation** J.
