Rehabilitation and Deviance

Philip Bean

Rehabilitation And Deviance

Allison McKim

Rehabilitation And Deviance:

Rehabilitation and Deviance (Routledge Revivals) Philip Bean, 2013-11-05 First published in 1976 this book examines rehabilitation within the penal system in Britain in the 1970s It argues that the rehabilitative ideal is not the only possible alternative to a penal policy but an option which has now become institutionalized and alien to traditional concepts of justice Using a framework derived from the sociology of law Philip Bean looks at aspects of rehabilitation as it is operated in the courts and in certain penal institutions He shows how the concept of rehabilitation has had an important but harmful effect on penal policy as it is often incompatible with penal aims This book considers the impact that sentencing social enquiry reports and modern prison policies have on rehabilitation The concluding chapter asks for a return to concepts of justice and a move away from discussions about personal lives of deviant members of society Perspectives on Disability and Rehabilitation Karen Whalley Hammell, 2006-02-24 It explores issues that are central to rehabilitation such as the nature of the body the idea of independence the rehabilitation process evidence based practice and client centred practice Seeking always to ground theoretical ideas in the realities of every day rehabilitation practice and drawing from a wealth of research evidence the book continually examines the implications of these perspectives for the education practice service delivery research and theoretical development of the rehabilitation professions Provides an accessible introduction to current theoretical perspectives on disability Demonstrates how these theoretical perspectives can inform a practitioner's approach to rehabilitation Relevant for all the rehabilitation and health care professions **Reaffirming Rehabilitation** Francis T. Cullen, Karen E. Gilbert, 2012-11-13 Reaffirming Rehabilitation 2nd Edition brings fresh insights to one of the core works of criminal justice literature This groundbreaking work analyzes the rehabilitative ideal within the American correctional system and discusses its relationship to and conflict with political ideologies Many researchers and policymakers rejected the value of rehabilitation after Robert Martinson's proclamation that nothing works Cullen and Gilbert's book helped stem the tide of negativism that engulfed the U S correctional system in the years that followed the popularization of the nothing works doctrine Now Cullen traces the social impact on U S corrections policy This new edition is appropriate as a textbook in corrections courses and as recommended reading in related courses It also serves as a resource for researchers and policymakers working in the field of corrections **Criminology** Gennaro F. Vito, Jeffrey R. Maahs, Ronald M. Holmes, 2006 Across America crime is a consistent public concern The authors have produced a comprehensive work on major criminological theories combining classical criminology with new topics such as Internet crime and terrorism The text also focuses on how criminology shapes public policy **Addicted to Rehab** Allison McKim, 2017-07-03 After decades of the American war on drugs and relentless prison expansion political officials are finally challenging mass incarceration Many point to an apparently promising solution to reduce the prison population addiction treatment In Addicted to Rehab Bard College sociologist Allison McKim gives an in depth and innovative ethnographic account of two such rehab programs for

women one located in the criminal justice system and one located in the private healthcare system two very different ways of defining and treating addiction McKim's book shows how addiction rehab reflects the race class and gender politics of the punitive turn As a result addiction has become a racialized category that has reorganized the link between punishment and welfare provision While reformers hope that treatment will offer an alternative to punishment and help women McKim argues that the framework of addiction further stigmatizes criminalized women and undermines our capacity to challenge gendered subordination Her study ultimately reveals a two tiered system bifurcated by race and class

Sexual Deviance

Tony Ward, D. Richard Laws, Stephen M Hudson, 2003 Ward Laws and Hudson are among the world's leading authorities in the area of understanding and treating sex offenders They address the biological developmental cultural and learning factors in the genesis and development of sexual deviancy and links those theories to interventions with sex offenders Sexual Deviance examines why sex offences are committed and covers the controversies surrounding what to do about it It discusses cutting edge theoretical developments in etiology rehabilitation and practice Sexual Deviance is divided into two sections The first covers explanations of sexual deviance including ethical issues and classification systems for sexually deviant disorders The second section addresses responses to sexual deviance including traditional and newer intervention approaches This is an area fraught with controversies both within the clinical community and in the public policy sector and the authors seek to discuss those issues that are particularly controversial

System Alison Burke, David Carter, Brian Fedorek, Tiffany Morey, Lore Rutz-Burri, Shanell Sanchez, 2019 **SWRC Reports and Proceedings**, 1984

Medical Professionals and the Organization of Knowledge

Eliot Freidson, Judith Lorber, 2017-07-12 Medical Professionals and Their Work conveys how medical people shape and organize the knowledge perception and experience of illness as well as the substance of illness behavior its management and treatment It is now well established that the unique symbolic equipment of the human animal is intimately connected with the functioning of the body Freidson and Lorber believe that the proper understanding of specifically human rather than generally animal illness requires careful and systematic study of the social meanings surrounding illness The content of social meanings varies from culture to culture and from one historical period to another As important as the content of those social meanings is the organization of groups who serve as carriers and sometimes creators In the case of illness a critical difference exists between those considered to be competent to diagnose and treat the sick and those excluded from this special privilege a separation as old as the shaman or medicine man Such differences become solidified when the expert healer becomes a member of an organized full time occupation sustained in monopoly over the work of diagnosis and treatment by the force of the state and invested with the authority to make official designation of the social meanings to be ascribed to physical states The medical profession in advanced nations is in a vise between professional needs and political demands Its organization and its knowledge establish many of the conditions for being recognizably and legitimately ill and the professional controls many of

the circumstances of treatment It thus plays a central role in shaping the experience of being ill With this fact of modern life in mind this collection on the character of experts or professionals in general and of medicine as a profession in particular is uniquely fashioned

Deviance Leon Anderson, 2017-08-22 This sociology of deviance textbook draws on up to date scholarship across a spectrum of deviance categories providing a symbolic interactionist analysis of the deviance process The book addresses positivistic theories of deviant behavior within a more encompassing description of the deviance process that includes the work of deviance claims makers rule breakers and social control agents Cross cultural and historical treatment of deviance categories provides background for understanding current conceptions of and responses to deviance The book is divided into four parts Section One introduces students to the sociology of deviance A sociological approach to deviance is contrasted with popular views of deviants as demonic mentally ill and culturally exotic Sociological methods for studying deviance are described with particular emphasis on deviance ethnography Classic positivistic theories of deviant behavior are presented with critique and discussion of revised formulations of the theories The symbolic interactionist constructionist approach is presented as a recursive set of processes involving deviance claims making by moral entrepreneurs rule breaking actions of social control and stigma management and resistance by those labelled as deviant Section Two focuses on high consensus criminal deviance with chapters on murder rape street level property crime and white collar crime Chapters in Section Three addresses various forms of lifestyle deviance including alcohol abuse drug abuse and sex work Section Four examines three categories of status deviance mental illness obesity and eating disorders and LGBTQ identities Provided by publisher

[The Oxford Handbook of Philosophy and Psychiatry](#) K. W. M. Fulford, 2013-07-04 Philosophy has much to offer psychiatry not least regarding ethical issues but also issues regarding the mind identity values and volition The Oxford Handbook of Philosophy and Psychiatry offers the most comprehensive reference resource for this area every published one that is essential for both students and researchers in this field

Video Games, Crime and Next-Gen Deviance Craig Kelly, Adam Lynes, Kevin Hoffin, 2020-07-03 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding freely available to read online Drawing on the emerging deviant literature perspective this book explores a range of culturally embedded harms and other activities to offer new insight on the idea that video games are intertwined with forms of deviancy

[Rethinking Corrections](#) Lior Gideon, Hung-En Sung, 2011 Explores the challenges faced by convicted offenders over the course of rehabilitation and reintegration Each chapter focuses on a specific phase of the process

The Psychological and Social Impact of Illness and Disability Irmo Marini, PhD, DSc, CRC, CLCP, Mark A. Stebnicki, PhD, LPC, DCMHS, CRC, CCM, CCMC, 2017-12-28 Praise for the Sixth Edition Adds an important international perspective on illness and disability The personal narratives help bring the real world of people who are survivors to the forefront of the scientific discourse Doody's Medical Reviews Now in its seventh edition this bestselling classic continues to be the most comprehensive and diverse text available on the psychosocial aspects of illness and disability It is substantially revised to

reflect the growing disparity between the haves and the have nots and incorporates social justice issues throughout the text. In addition to new and updated information integrated throughout the book, the seventh edition features two new chapters addressing social justice in regards to depression and disability and the psychosocial aspects of grief, death, and dying. Additionally, the text now includes an Instructor's Manual and PowerPoint slides. Combining a mix of seminal work from rehabilitation counseling legends with current theoretical and treatment approaches, the book provides a practical, real-life perspective and offers broad and inclusive coverage of the day-to-day challenges of working with a diverse and marginalized population. Additionally, the text analyzes barriers to enabling patients with disabilities and improving their quality of life. Chapter objectives, review questions, and personal narratives in each chapter facilitate in-depth learning. New to the Seventh Edition: Completely updated to incorporate social justice issues from the medical and psychosocial aspects of combat trauma to the impact of mental and physical disabilities on immigrants, refugees, and asylum seekers throughout. Includes two new chapters addressing Social Justice, Depression and Disability, and the Psychosocial Aspects of Grief, Death, and Dying. Includes an Instructor's Manual and PowerPoint slides. Enhanced coverage of topics concerning diverse and marginalized populations, including Women with Disabilities, Sexuality and Disabilities, LGBTQ Issues, Aging with Disabilities, Trauma, and more. Key Features: Presents the most comprehensive and diverse coverage of psychosocial aspects of disability of any text. Emphasizes the negative impact of societal attitudes and treatment of disabled individuals on their psychological adjustment to disability. Examines both seminal and current thinking and treatment approaches. Provides a bridge between theory and practice with abundant narratives. Includes objectives and review questions in each chapter.

Illness Or Deviance? Jennifer Murphy, 2015-06-12. Is drug addiction a disease that can be treated or is it a crime that should be punished? In her probing study *Illness or Deviance*, Jennifer Murphy investigates the various perspectives on addiction and how society has myriad ways of handling it: incarcerating some drug users while putting others in treatment. *Illness or Deviance* highlights the confusion and contradictions about labeling addiction. Murphy's fieldwork in a drug court and an outpatient drug treatment facility yields fascinating insights such as how courts and treatment centers both enforce the disease label of addiction yet their management tactics overlap: treatment with therapeutic punishment. The addict label is a result not just of using drugs but also of being a part of the drug lifestyle by selling drugs. In addition, Murphy observes that drug courts and treatment facilities benefit economically from their cooperation, creating a very powerful institutional arrangement. Murphy contextualizes her findings within theories of medical sociology as well as criminology to identify the policy implications of a medicalized view of addiction.

Key Concepts in Crime and Society Ross Coomber, Joseph F. Donnermeyer, Karen McElrath, John Scott, 2014-12-15. A crucial text for whetting the academic appetite of those studying criminology at university. The comprehensive engagement with key crime and deviance debates and issues make this a perfect springboard for launching into the complex, diverse, and exciting realm of researching criminology. Dr. Ruth Penfold Mounce, University of York.

Essential reading for those new to the discipline and an invaluable reference point for those well versed in criminology and the sociology of crime and deviance Dr Mark Monaghan University of Leeds **Key Concepts in Crime and Society** offers an authoritative introduction to key issues in the area of crime as it connects to society By providing critical insight into the key issues within each concept as well as highlighted cross references to other key concepts students will be helped to grasp a clear understanding of each of the topics covered and how they relate to broader areas of crime and criminality The book is divided into three parts Understanding Crime and Criminality introduces topics such as the social construction of crime and deviance social control the fear of crime poverty and exclusion white collar crime victims of crime race gender and crime Types of Crime and Criminality explores examples including human trafficking sex work drug crime environmental crime cyber crime war crime terrorism and interpersonal violence Responses to Crime looks at areas such as crime and the media policing moral panics deterrence prisons and rehabilitation The book provides an up to date critical understanding on a wide range of crime related topics covering the major concepts students are likely to encounter within the fields of sociology criminology and across the social sciences Population Control Jen Rinaldi,Kate Rossiter,2023-11-15 Violence is an inescapable through line across the experiences of institutional residents regardless of facility type historical period regional location government or staff in power or type of population Population Control explores the relational conditions that give rise to institutional violence whether in residential schools internment camps or correctional or psychiatric facilities This violence is not dependent on any particular space but on underlying patterns of institutionalization that can spill over into community settings even as Canada closes many of its large scale facilities Contributors to the collection argue that there is a logic across community settings that claim to provide care for unruly populations a logic of institutional violence which involves a deep entanglement of both loathing and care This loathing signals a devaluation of the institutionalized and leaves certain populations vulnerable to state intervention under the guise of care When that offer of care is polluted by loathing however there comes along with it an unavoidable and socially prescribed violence Offering a series of case studies in the Canadian context from historical asylums and laundries for fallen women to contemporary prisons group homes and emergency shelters Population Control understands institutional violence as a unique and predictable social phenomenon and makes inroads toward preventing its reoccurrence **Crime and Justice: American Style** Clarence C. Schrag,1972

The Origins of the Criminal Justice System Omi Hodwitz,2025-02-18 The Origins of the Criminal Justice System traces the development of Western systems of justice through the ages It examines the social and political contexts that shaped responses to deviance and crime the formalization and execution of these responses and the communities affected by these policies and practices *The Power of Positive Deviance* Richard Pascale,Jerry Sternin,Monique Sternin,2010-06-16 Think of the toughest problems in your organization or community What if they d already been solved and you didn t even know it In The Power of Positive Deviance the authors present a counterintuitive new approach to problem solving Their

advice Leverage positive deviants the few individuals in a group who find unique ways to look at and overcome seemingly insoluble difficulties By seeing solutions where others don't positive deviants spread and sustain needed change With vivid firsthand stories of how positive deviance has alleviated some of the world's toughest problems malnutrition in Vietnam staph infections in hospitals the authors illuminate its core practices including Mobilizing communities to discover invisible solutions in their midst Using innovative designs to act your way into a new way of thinking instead of thinking your way into a new way of acting Confounding the organizational immune response seeking to sustain the status quo Inspiring and insightful The Power of Positive Deviance unveils a potent new way to tackle the thorniest challenges in your own company and community

This is likewise one of the factors by obtaining the soft documents of this **Rehabilitation And Deviance** by online. Rehabilitation And Deviance Introduction

In today's digital age, the availability of Rehabilitation And Deviance books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rehabilitation And Deviance books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rehabilitation And Deviance books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rehabilitation And Deviance versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rehabilitation And Deviance books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rehabilitation And Deviance books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Rehabilitation And Deviance books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rehabilitation And Deviance books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rehabilitation And Deviance books and manuals for download and embark on your journey of knowledge?

FAQs About Rehabilitation And Deviance Books

1. Where can I buy Rehabilitation And Deviance books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rehabilitation And Deviance book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
