Works that explored the war's devastating impact on white women's lives for example proclaimed the importance of their experiences on the home front while popular writings that celebrated black manhood and heroism in the wake of emancipation helped readers begin to envision new roles for blacks in American life Recovering a lost world of popular literature *The Imagined Civil War* adds immeasurably to our understanding of American life and letters at a pivotal point in our history *Teaching and Learning Shakespeare through Theatre-based Practice* Tracy Irish, Jennifer Kitchen, 2023-12-28 How can the study of Shakespeare contribute to equipping young people for the challenges of an uncertain future This book argues for the necessity of a Shakespeare education that finds meaning in the texts through inviting in the prior knowledge experiences and ideas of students combines intellectual social and emotional learning and develops a critical perspective on what a cultural inheritance is all about It offers a comprehensive exploration of the educational principles underpinning theatre based practice and explains how and why this practice can open up the possibilities of Shakespeare study in the classroom It empowers Shakespeare educators working with young people aged 5-18 to interact critically creatively and collaboratively with Shakespeare as a living artist Drawing on the authors research and experience with organizations including the Royal Shakespeare Company Shakespeare's Globe the Folger and Coram Shakespeare Schools Foundation Part One consolidates recent developments in the field and engages in lively dialogue with core questions of Shakespeare's place in the classroom Part Two curates a series of interviews with leaders and practitioners from the above and other Shakespeare institutions exploring their core principles and practices Part Three presents chapters from and about classroom teachers who share their experiences of successfully embedding theatre based approaches to Shakespeare in their own diverse contexts *American Studies* Jack Salzman, American Studies Association, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies: An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *A New Plantation World* Daniel Vivian, 2018-03 Examines the creation of sporting plantations in the South Carolina lowcountry during the first four decades of the twentieth century **Christobiography** Craig S. Keener, 2019-08-27 Are the canonical Gospels historically reliable The four canonical Gospels are ancient biographies narratives of Jesus's life The authors of these Gospels were intentional in how they handled historical information and sources Building on recent work in the study of ancient biographies Craig Keener argues that the writers of the canonical

Gospels followed the literary practices of other biographers in their day In Christobiography he explores the character of ancient biography and urges students and scholars to appreciate the Gospel writers method and degree of accuracy in recounting the life and ministry of Jesus Keener s Christobiography has far reaching implications for the study of the canonical Gospels and historical Jesus research He concludes that the four canonical Gospels are historically reliable ancient biographies      **The Journal of Southern History** Wendell Holmes Stephenson,1969 Includes section Book reviews
