History of Cleopatra, Queen of Egypt Jacob Abbott, 2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need I have read them with the greatest interest To them I am indebted for about all the historical knowledge I have Considered what we would now call young adult literature this collection first published between 1848 and 1871 was designed to present a clear distinct connected narrative of the lives of the great figures of world history those people who have been most influential at least as American author and educator JACOB ABBOTT 1803 1879 saw it from his 19th century perspective Wildly popular and republished many times under different collected names this replica set mimics the 1904 reprint known as the Makers of History series It will delight students of history as well as show the scholar how history telling has changed over the last few centuries More than 30 other volumes in the series are also available from Cosimo Classics This volume dating from 1851 covers Egyptian queen Cleopatra 69Bi30Be from before her ascension to the throne to her relationships with Caesar and Antony the Alexandrine War and much more

Antony & Cleopatra William Shakespeare, 1891 Nefertiti & Cleopatra Julia Samson, 1985 Cleopatra's Heir Gillian Bradshaw, 2002-05-31 What if the son of Cleopatra and Julius Caesar had lived past his 18th year Mixing truth and fiction this is a compelling and imaginative story Library Journal The might and power of Julius Caesar the man who conquered the known world The beauty of Cleopatra the woman who conquered the conqueror Together they could have forged an empire of unprecedented power Tragically it was not meant to be But what of the son who was born of their passion Gillian Bradshaw gives us a possible answer in Cleopatra's Heir a riveting historical novel drawn from meticulous research and a unique historical premise The young son of Julius Caesar and the fabled Cleopatra Caesarion was seen by some as the hope of the marriage between Rome and Egypt by others as the folly of a commander's lust for a wanton foreign schemer For the new Roman ruler Octavius Caesarion is the threat that could topple his dreams of a

safe and peaceful Roman Empire The brutal truth is that Caesarion could not be allowed to live But what if he somehow managed to survive the inevitable assassination and went underground to hide his identity How will he find a way to live when he has always chosen honor even as his life has been shadowed by forces greater than anyone should have to cope with Caesarion will travel the lands that he thinks he knows so well only to discover that he knew his people not at all And only after that discovery when he loses it all and is forced to confront his humanity will Caesarion finally come to know friendship honesty and love And the essential truth that a man bereft of land titles and even a name can still be noble and true Bradshaw makes ancient history immediate and thrilling Orlando Sentinel An excellent writer Philadelphia Inquirer

Cleopatra Duane W. Roller, 2011 Cleopatra VII 69-30 BC is the most famous woman from classical antiquity Yet her modern reputation is based largely on her post antique representation in drama art and other media The current study is the first to examine the queen solely from the source material from the Greco Roman period literary sources Egyptian documents including those of the queen herself her own writings and her representations in art *Cleopatra* Joyce Tyldesley, 2008-08-05 The Romans regarded her as fatale monstrum a fatal omen Pascal said the shape of her nose changed the history of the world Shakespeare portrayed her as an icon of tragic love But who was Cleopatra really We almost feel that we know Cleopatra but our distorted image of a self destructive beauty does no justice to Cleopatra's true genius In Cleopatra Egyptologist Joyce Tyldesley offers an unexpectedly vivid portrait of a skillful Egyptian ruler Stripping away our preconceptions many of them as old as Egypt's Roman conquerors Cleopatra is a magnificent biography of a most extraordinary queen **Cleopatra** Michel Chauveau, 2002 Cleopatra kohl and vipers barges and thrones Elizabeth Taylor and Richard Burton We have long been schooled in the myth of the Egyptian ruler In his new book Michel Chauveau brings us a picture of her firmly based in reality Cleopatra VII reigned in Egypt between 51 and 30 B C E Her primary goal as a ruler was to restore over the eastern Mediterranean the supremacy of the Lagides the dynasty of Macedonian origin of which she herself was a descendant We know the queen best from Greek and Latin sources though these must be used with caution because of their bias Understandably enough they reflect not only matters of interest to Romans but also the propaganda that Octavian used against the queen during his struggles with Mark Antony Chauveau combines his knowledge of Egyptian sources with judicious use of classical materials to produce an authoritative biography of Cleopatra the woman and queen seen in the light of the turbulent era in which she lived *Cleopatra Rules!* Vicky Alvear Shecter, 2021-11-16 Learn all about Cleopatra a far more capable and powerful ruler than people have thought in this lively and informative biography Most of what we've known about Cleopatra and what crept into art film and literature came from her enemies the Romans Ascending to the throne at young age of 17 Cleopatra proved to be a brilliant negotiator who forged alliances that kept her in power and in control of her kingdom This book about Egypt's last and most famous pharaoh features an inviting text many sidebars and excellent color illustrations maps photos of ancient artifacts and artworks from many historical periods Cleopatra Stacy

Schiff,2011 Her palace shimmered with onyx garnet and gold but was richer still in political and sexual intrigue Above all else Cleopatra was a shrewd strategist and an ingenious negotiator She was married twice each time to a brother She waged a brutal civil war against the first when both were teenagers She poisoned the second Ultimately she dispensed with an ambitious sister as well incest and assassination were family specialties Cleopatra appears to have had sex with only two men They happen however to have been Julius Caesar and Mark Antony among the most prominent Romans of the day Both were married to other women Cleopatra had a child with Caesar and after his murder three more with his prot g Already she was the wealthiest ruler in the Mediterranean the relationship with Antony confirmed her status as the most influential woman of her age The two would together attempt to forge a new empire in an alliance that spelled their ends Cleopatra has lodged herself in our imagination ever since Along the way Cleopatra s supple personality and the drama of her circumstances have been lost In a return to the classical sources Stacy Schiff separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order Jacket *Cleopatra* Prudence J. Jones,2006 This fascinating sourcebook documents what we know of Cleopatra and also shows how she has evolved through the lens of interpretation

When Women Ruled the World Kara Cooney,National Geographic Society (U.S.),2018 Explores the lives of six remarkable female pharaohs from Hatshe psut to Cleopatra women who ruled with real power What was so special about ancient Egypt that provided women this kind of access to the highest political office What was it about these women that allowed them to transcend patriarchal obstacles What did Egypt gain from its liberal reliance on female leadership and could today s world learn from its example **Cleopatra** Susan Walker,Sally-Ann Ashton,2006-08-25 In this text the authors look at the historical Cleopatra at images of Cleopatra as a Greek queen and as ruler of Egypt at contemporary perceptions of her and at how we see her today

Cleopatra Polly Schoyer Brooks,1995 A chronicle of the life of one of history s most famous women shows how Cleopatra distantly related to Alexander the Great and worshipped as a goddess in Egypt became a major figure in the ancient struggle for power in the Mediterranean **Cleopatra** Don Nardo,2016 Cleopatra VII a Greek woman who became Egypt s last pharaoh was arguably the most famous woman of ancient times Smart resourceful and bold she sought world domination by allying herself with two of the three strongest Roman men of her day Julius Caesar and Mark Antony Her downfall came at the hands of the third most powerful Roman Octavian who would later become Augustus the first Roman emperor

Introduction to Cleopatra Gilad James, PhD, Cleopatra VII Philopator was a well known queen of ancient Egypt who gained worldwide fame for her beauty, intelligence, and political acumen. She ruled over Egypt from 51 BC until her death in 30 BC and was the last ruler of the Ptolemaic dynasty. Cleopatra was the daughter of Ptolemy XII Auletes and she became queen at the age of 18. During her time as queen, she had relationships with two of the most powerful men in ancient Rome: Julius Caesar and Mark Antony. Her involvement with these two men led to her downfall and ultimately her death. Cleopatra was known for her intellectual curiosity and her ability to speak multiple languages. She was also a skilled diplomat and was able to maintain her power by forming alliances and negotiating with other leaders. Her reign saw the growth of Egypt's economy and a resurgence of its cultural and artistic traditions. Cleopatra was also a patron of the arts and was known for her love of music, poetry, and literature. Despite her many accomplishments, she was viewed by many of her contemporaries as a dangerous woman who used her beauty and intelligence to manipulate those around her.
