Craig L. Lambert

Reign Of Edward Iii Crown And Political Society In England 1327 1377:

The Reign of Edward III W. M. Ormrod, 1993 This book provides not only a detailed study of the reign of Edward III but also a reassessment of his domestic achievements By considering the history of the reign not in chronological or institutional terms but through Edward's relations with each section of the active political elite Ormrod reveals Edward III as the prototype of a successful medieval king rebuilding and enhancing the authority of the throne through the longest period of domestic peace in the Middle Ages

The Reign of Edward III William Mark Ormrod, 1993 *The Reign of Edward III: Crown and political society in England, 1327-77. The king ; The ministers ; The magnates ; The clergy ; Provincial society and the gentry ; Urban society and the merchants* W. M. Ormrod, 1993 Edward III W. M. Ormrod, 2012-01-24 Edward III 1312

1377 was the most successful European ruler of his age Reigning for over fifty years he achieved spectacular military triumphs and overcame grave threats to his authority from parliamentary revolt to the Black Death Revered by his subjects as a chivalric dynamo he initiated the Hundred Years War and gloriously led his men into battle against the Scots and the French In this illuminating biography W Mark Ormrod takes a deeper look at Edward to reveal the man beneath the military muscle What emerges is Edward's clear sense of his duty to rebuild the prestige of the Crown and through military gains and shifting diplomacy to secure a legacy for posterity New details of the splendor of Edward's court lavish national celebrations and innovative use of imagery establish the king's instinctive understanding of the bond between ruler and people With fresh emphasis on how Edward's rule was affected by his family relationships including his roles as traumatized son loving husband and dutiful father Ormrod gives a valuable new dimension to our understanding of this remarkable warrior king

Cornwall, Connectivity and Identity in the Fourteenth Century S. J. Drake, 2019 The links between Cornwall a county frequently considered remote and separate in the Middle Ages and the wider realm of England are newly discussed WINNER The Federation of Old Cornwall Societies FOCS Holyer an Gof Cup for non fiction 2020 Stretching out into the wild Atlantic fourteenth century Cornwall was a land at the very ends of the earth Within its boundaries many believed that King Arthur was a real life historical Cornishman and that their natal shire had once been the home of mighty giants Yet if the county was both unusual and remarkable it still held an integral place in the wider realm of England Drawing on a wide range of published and archival material this book seeks to show how Cornwall remained strikingly distinctive while still forming part of the kingdom It argues that myths saints government and lordship all endowed the name and notion of Cornwall with authority in the minds of its inhabitants forging these people into a commonalty At the same time the earldom duchy and the Crown together helped to link the county into the politics of England at large With thousands of Cornishmen and women drawn east of the Tamar by the needs of the Crown warfare lordship commerce the law the Church and maritime interests connectivity with the wider realm emerges as a potent integrative force Supported by a cast of characters ranging from vicious pirates and gentlemen criminals through to the Black Prince the volume sets Cornwall in the latest debates about

centralisation devolution and collective identity about the nature of Cornishness and Englishness themselves S J DRAKE is a Research Associate at the Institute of Historical Research He was born and brought up in Cornwall **The Hundred Years War (Part III)** ,2013-07-25 In this work the third volume of essays dealing with many understudied aspects of the Hundred Years War American British and European scholars deal with the varied sources that reveal the lives of soldiers in the conflict as well as the development of strategy and generalship in the many theaters of the war The authors also focus on real heroes and villains of the conflict as well as the war s impact on regions as scattered as Wales the Low Countries Italy Scotland and Spain Contributors are Adrian Bell Anne Curry Adam Chapman Andy King David Simpkin Christopher Candy Donald Kagay William Caferro David Hoonstra Elena Odio Daniel Franke David Green Philip Morgan Sean McGlynn Wendy Turner Andrew Villalon Aleksandra Pfau Kelly DeVries and Sergio Boffa Winner of the 2014 Verbruggen Prize of De Re Militari the Society for the Study of Medieval Military History given annually for the best book on medieval military history

John Gower, Poetry and Propaganda in Fourteenth-century England David Richard Carlson,2012 John Gower s works examined as part of a tradition of official writings on behalf of the Crown John Gower has been criticised for composing verse propaganda for the English state in support of the regime of Henry IV at the end of his distinguished career However as the author of this book shows using evidence from Gower s English French and Latin poems alongside contemporary state papers pamphlet literature and other historical prose Gower was not the only medieval writer to be so employed in serving a monarchy s goals Professor Carlson also argues that Gower s late poetry is the apotheosis of the fourteenth century tradition of state official writing which lay at the origin of the literary Renaissance in Ricardian and Lancastrian England David Carlson is Professor in the Department of English University of Ottawa *Richard II* Anthony Goodman,James Gillespie,2003

In this reassessment of Richard II an outstanding group of international contributors re evaluates the frequently biased evidence to create a new and rounded portrait of this fascinating and much maligned king They investigate Richard s contemporary reputation and key aspects of his policies covering topics which include the conventions of co operation between kings and communities discourse on the nature and purpose of rule monarchy as spectacle the cultural expression of royal personality and the fiscal basis of government They highlight the seriousness of the problems affecting the exercise of kingship and show how the traditional and innovative panaceas attempted by a conventionally minded prince resulted in his downfall It is a study which repositions the reign within the evolution of English kingship **London Literature,**

1300-1380 Ralph Hanna,2005-06-08 Ralph Hanna charts the generic and linguistic features particular to London writing

Every Inch a King ,2012-11-13 The role of kings the source of their authority and the nature of the practical restraints on their power have exercised political and religious philosophers historians competing candidates for rule and subject populations from the time of the earliest documented human societies How the kingly image is created and presented and how the ruler performs his or her function as the source of justice are among the topics addressed in this volume which also

covers the role of queens in maintaining dynastic succession yet being the target of tales of adultery This volume is of particular interest in bringing together studies of kingly power from Cyrus the Great and Alexander in the ancient world to Shah Abbas in the seventeenth century and covering the European Middle Ages as well as Iran and the Muslim world

Johannes XXII., Avignon und Europa Sebastian Zanke,2013-09-12 Die Studie Johannes XXII Avignon und Europa widmet sich mit einem innovativen Ansatz einem kontrovers diskutierten Pontifikat und ordnet hierbei anhand der in den p pstlichen Registerserien berlieferten kurialen Korrespondenz klassische Themen wie die Auseinandersetzung zwischen Kaisertum und Papsttum in einen europ ischen Vergleichshorizont ein Fallstudien die von den Britischen Inseln bis zum Mittelmeer reichen geben daneben den Mechanismen Strukturen und Akteuren der p pstlichen Politik eine deutliche Kontur wobei auch die grunds tzliche Rolle des Papsttums im sp tmittelalterlichen Europa aus einem neuen Blickwinkel betrachtet wird By implementing a European approach the study offers a new view on the controversial pontificate of John XXII Through examination of the correspondence preserved in the papal registers classic topics like the dispute between papacy and empire can be interpreted within a broader context while case studies ranging from the British Isles to the Mediterranean reveal the mechanisms and actors of papal politics in late medieval Europe England's Northern Frontier Jackson W. Armstrong,2020-11-12 The three counties of England s northern borderlands have long had a reputation as an exceptional and peripheral region within the medieval kingdom preoccupied with local turbulence as a result of the proximity of a hostile frontier with Scotland Yet in the fifteenth century open war was an infrequent occurrence in a region which is much better understood by historians of fourteenth century Anglo Scottish conflict or of Tudor responses to the so called border reivers This first book length study of England s far north in the fifteenth century addresses conflict kinship lordship law justice and governance in this dynamic region It traces the norms and behaviours by which local society sought to manage conflict arguing that common law and march law were only parts of a mixed framework which included aspects of feud as it is understood in a wider European context Addressing the counties of Northumberland Cumberland and Westmorland together Jackson W Armstrong transcends an east west division in the region s historiography and challenges the prevailing understanding of conflict in late medieval England setting the region within a wider comparative framework *English Identity and Political Culture in the Fourteenth Century* Andrea Ruddick,2013-11-21 A study of the nature of national sentiment in fourteenth century England in its political and constitutional context **England and Iberia in the Middle Ages, 12th-15th Century** M. Bullón-Fernandez,María Bullón-Fernández,2007-03-19 This groundbreaking interdisciplinary collection of essays by American British and Iberian scholars examines the literary historical and artistic exchanges between England and Iberia from the Twelfth to Fifteenth century **Encyclopedia of the Hundred Years War** John A. Wagner,2006-08-30 Provides clear concise and basic descriptions and definitions to over 260 key people events and terms relating to the series of conflicts between France and England in the 14th and 15th centuries that later came to be known as

the Hundred Years War The Encyclopedia of the Hundred Years War provides its users with clear concise and basic descriptions and definitions of people events and terms relating in some significant way to the series of intermittent conflicts that occurred between France and England in the fourteenth and fifteenth centuries and that later came to be known collectively as the Hundred Years War Because this volume focuses exclusively on war itself what caused it how it was fought and what effects it had on the political social economic and cultural life of England and France it is not a general overview of fourteenth and fifteenth century history in either country but a specialized treatment of the Anglo French warfare that occurred during those centuries Entries cover battles leaders truces and treaties military terms and tactics and sources for the war including the plays of William Shakespeare who has long been an important if not always reliable source for information about the people and events of the Hundred Years War The Encyclopedia was written primarily for students and other nonspecialists who have an interest but little background in this period of European history Besides providing a highly usable resource for quickly looking up names and terms encountered in reading or during study the Encyclopedia offers an excellent starting point for classroom or personal research on subjects relating to the course causes and consequences of the Hundred Years War All entries conclude with suggested further readings A comprehensive bibliography completes the encyclopedia which is fully indexed

Crisis and Survival in Late Medieval Ireland Brendan Smith, 2013-06-20 This volume explores the ways in which the English settlers in Louth maintained their English identity in the face of plague and warfare through the turbulent decades between 1330 and 1450

The Long Process of Development Jerry F. Hough, Robin Grier, 2015-04-30 This groundbreaking book examines the history of Spain England the United States and Mexico to explain why development takes centuries

Shipping the Medieval Military Craig L. Lambert, 2011 Mariners made a major but neglected contribution to England's warfare in the middle ages Here their role is examined anew showing their importance During the fourteenth century England was scarred by famine plague and warfare Through such disasters however emerged great feats of human endurance Not only did the English population recover from starvation and disease but thousands of the kingdom's subjects went on to defeat the Scots and the French in several notable battles Victories such as Halidon Hill Neville's Cross Cr cy and Poitiers not only helped to recover the pride of the English chivalrous class but also secured the reputation of Edward III and the Black Prince Yet what has been underemphasized in this historical narrative is the role played by men of more humble origins none more so than the medieval mariner This is unfortunate because during the fourteenth century the manpower and ships provided by the English merchant fleet underpinned every military expedition The aim of this book is to address this gap Its fresh approach to the sources allows the enormous contribution of the English merchant fleet to the wars conducted by Edward II and Edward III to be revealed the author also explores the complex administrative process of raising a fleet and provides career profiles for many mariners examining the familial relationships that existed in port communities and the shipping resources of English ports Craig L Lambert is Research Assistant at the

University of Hull *Disunited Kingdoms* Michael Brown, 2014-07-10 In the last decades of the thirteenth century the British Isles appeared to be on the point of unified rule dominated by the lordship law and language of the English However by 1400 Britain and Ireland were divided between the warring kings of England and Scotland and peoples still starkly defined by race and nation Why did the apparent trends towards a single royal ruler a single elite and a common Anglicised world stop so abruptly after 1300 And what did the resulting pattern of distinct nations and extensive borderlands contribute to the longer term history of the British Isles In this innovative analysis of a critical period in the history of the British Isles Michael Brown addresses these fundamental questions and shows how the national identities underlying the British state today are a continuous legacy of these years Using a chronological structure to guide the reader through the key periods of the era this book also identifies and analyses the following dominant themes throughout the changing nature of kingship and sovereignty and their links to wars of conquest developing ideas of community and identity key shifts in the nature of aristocratic societies across the isles the European context particularly the roots and course of the Hundred Years War This is essential reading for undergraduates studying the history of late Medieval Britain or Europe but will also be of great interest for anyone who wishes to understand the continuing legacy of the late medieval period in Britain *The Black Prince and the Capture of a King* Marilyn Livingstone, Morgen Witzel, 2018-07-19 This taut narrative of the fourteenth century conflict between England and France offers a detailed climactic account of a legendary battle Publishers Weekly The epic fourteenth century Battle of Poitiers marked a major turn in the Hundred Years War between England and France Prince Edward known to all as the Black Prince not only won a surprising victory in his first campaign as commander but managed the nearly impossible feat of taking the French monarch King Jean II prisoner In the summer of 1356 Prince Edward drove toward the Loire Valley deep in French territory There he met the full French army led by King Jean and a number of French nobles including veterans of the defeat at Cr cy ten years before Outnumbered the Prince fell back but in September he turned near the city of Poitiers to make a stand Historians Witzel and Livingstone provide a day by day description of the campaign of July to September 1356 climaxing with a vivid description of the Battle of Poitiers itself The detailed account and analysis of the battle and the campaigns that led up to it has a strong focus on the people involved in the campaign ordinary men at arms and noncombatants as well as princes and nobles

Eventually, you will entirely discover a supplementary experience and completion by spending more cash. nevertheless when? accomplish you believe that you require to acquire those all needs behind having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more almost the globe, experience, some places, behind history, amusement, and a lot more?

Reign Of Edward Iii Crown And Political Society In England 1327 1377 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reign Of Edward Iii Crown And Political Society In England 1327 1377 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reign Of Edward Iii Crown And Political Society In England 1327 1377 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reign Of Edward Iii Crown And Political Society In England 1327 1377 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reign Of Edward Iii Crown And Political Society In England 1327 1377 Books
