Reiki Chris Parkes,Penny Parkes,2010-12-15 Reiki is a Japanese word meaning Universal Life Force Energy Drawing on ancient practices which are said to have dated back to Buddha Reiki balances the energy in the body renewing vitality and bringing about a powerful feeling of serenity and relaxation through the laying on of hands Reiki can be used to relieve the problems associated with stress tension chronic illness and post operative pain In this revised and updated edition Chris and Penny Parkes explain what to expect from a treatment how it works and how it can be of benefit and even show how you too can train very easily to practice Reiki Written by one of the few Reiki masters in the UK and featuring the original Usui method this practical and accessible book reveals the fascinating story behind the discovery of Reiki *Essential Reiki Teaching Manual* Diane Stein,2007-06-01 Reiki master and best selling author Diane Stein has been a dedicated hands on healer since 1988 Stein believes strongly that this powerful healing art once a closely guarded secret tradition should be accessible and available to all Since she began teaching in 1990 Stein has initiated thousands of students in all three levels of Reiki healing Through these efforts she developed a comprehensive teaching method that encompasses the fundamentals of this ancient system The ESSENTIAL REIKI TEACHING MANUAL equips the Reiki initiate with the practical tools needed for launching a Reiki healing practice leading a Reiki workshop and becoming a more effective Reiki practitioner This hands on instructional guide together with the digitally re mastered DIANE STEIN S ESSENTIAL REIKI WORKSHOP DVD is the next best thing to a personal teaching session with Diane Stein herself *Reiki and the Seven Chakras* Richard Ellis,2002 Reiki is a unique system of healing that allows you to harness and transmit energy through your hands restoring balance and harmony within the body and bringing relief to a wide range of physical and emotional problems This book by renowned Reiki teacher Richard Ellis illustrates all the hand positions used for the first level of Reiki but it goes much further and shows them in their relation to the seven chakras Chakras are the main energy points of the body and provide the anatomy of energy healing These are different for everyone and so to practise Reiki effectively you need to understand a person s chakras which will in turn explain the type of person they are and the health problems they are vulnerable to For example one person may have an excessive first chakra making them prone to obesity or digestive problems and to pessimism while another may be deficient making them vulnerable to anorexia and restlessness You would therefore approach these two people differently Reiki and the Seven Chakras captures the feeling of wonder that surrounds Reiki but it is also an immensely practical guide So many of the current books on Reiki are very dry following a formula of detailing the history of Reiki healing and then showing you how to do it This one breaks the mould and is written from a very personal point of view which makes it incredibly interesting to read and also very accessible essential if you are to understand the true nature and potential of Reiki Natural Healing for Dogs and Cats Diane Stein,2011-03-23 This invaluable resource tells how to use nutrition minerals massage herbs homeopathy acupuncture acupressure flower essences and psychic healing for optimal
