Reincarnation And Christianity:

May a Christian Believe in Reincarnation? Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant's article on various scientific moral and historical aspects of reincarnation from a Christian perspective

Reincarnation in Christianity Geddes MacGregor, 1978 **Reincarnation** Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same

Reincarnation for Christians John W. Sweeley, 2013 Why Christians Should Believe in Reincarnation Reincarnation was an accepted belief by the great minds of antiquity In Greece Plato was influenced by earlier classical Greek philosophers such as Pythagoras 6th cent BCE while Reincarnation was both believed and taught by Jesus and many Church Fathers through the 8th century as well as in Hebrew texts and mystical traditions throughout the middle ages In Reincarnation for Christians Monsignor Sweeley proves that reincarnation was accepted by Jesus according to Holy Scripture was accepted and taught by the Church Fathers as a doctrine of the faith and is believed today by many Christians Moreover he makes clear why there is no conflict between the atonement of Jesus and Jesus as the redeemer of humanity with the necessity of living many lives before we attain salvation In this timely book about reincarnation and the Christian tradition Monsignor Sweeley gives us an eye opening look into an issue that has been long ignored by mainstream Christian churches Most Rev Alan R Kemp D Min CEO The Ascension Alliance Msgr Jack Sweeley has amassed an enormous collection of information about the belief called reincarnation He includes evidence in support of reincarnation from the Christian Scriptures as well as from the Dead Sea Scrolls and the Nag Hammadi Library He cites and

quotes notables from all walks of life and periods of history who have shared a belief in reincarnation Bishop Bernie O Finch D C EMD DD As a believer in reincarnation I was amazed at the information that literally packs the pages of Monsignor Sweeley s book As you will find reincarnation is not just New Age but has been a major belief in one form or another for thousands of years Katy O Ishee author of Pieces of My Heart and Gemini s Galaxy Msg Sweeley s brilliantly researched and comprehensive treatment of the Judeo Christian roots of Reincarnation will change your entire perspective on the subject K Michael Murphy M A DDS In these powerfully transformative times many in the Western world are accepting this doctrine and others are eager to know more about the Christian church s position on this subject Sri Swami Shankarananda Giri Divine Life Church Baltimore MD Love Your God with All Your Mind J.P. removed reincarnation from the Bible then eliminated anyone who didn't follow this strict revised doctrine as set forth by the Church. Interesting note: some Biblical scholars believe that Jesus is the reincarnate of Buddha who was the reincarnate of Kristina. Backed up with indisputable historical assumptions. A must read for anyone who strives for the truth about Christianity's original teachings.

Twenty Cases Suggestive of Reincarnation Ian Stevenson, 1980. Cases of responsive xenoglossy thus add to the evidence concerning the survival of human personality after death.

The Case against Origen and Reincarnation Eric Liberatos, 2015-12-18. The Case against Origen and Reincarnation surveys the writings of Origen, a controversial Christian theologian whose life straddled the third and fourth centuries. By placing his work in the context of his theological predecessors, Eric Liberatos uses this analysis to trace the development of Origen's distinctive doctrines such as reincarnation. His review of the history of the period concludes that Origen's condemnation by ecumenical councils arose from the virulent polemics and contentious politics of various ecclesiastical leaders of the period. The Case against Origen and Reincarnation will appeal to all who seek to understand the development of Christian thought and the influences of politics and personality on the church's theologies. Award-winning book that earned acclaim from the prestigious Next Generation Indie Book Awards 2016 Winner in Religious Non-fiction. 2016 Finalist in Historical Non-fiction.

Reincarnation in the Bible? Dan Carlton, 2013-10. In my early twenties I read a book that started me in a completely different direction. Up to that time I had been taught to be agnostic and believed the Bible to be the result of ignorant men trying to explain what they did not understand with superstition, fables, exaggerated history, etc. The book is *There is a River* by Thomas Sugrue. A few years ago I started writing down my conclusions in order to clarify to myself just what I did believe. I could not accept the idea that I could be right when everyone I talked to disagreed with me. And yet my conclusions do seem to me to agree with Scripture, including my belief in reincarnation, which I believe is not only a fact revealed in the Bible but is a necessary part of God's plan of salvation. A motivating factor in my desire to share my understanding of truth is my belief that all of the problems in the world can be traced to erroneous beliefs. If everyone correctly understood and applied truth, I believe our problems would vanish. God says we become what we think. Pr 23:7. My belief that the Bible teaches that reincarnation is a fact hasn't endeared me to those who not only reject such an idea but also

sincerely believe such a belief comes from the pit of hell and smells of smoke After reading Reincarnation in the Bible perhaps you can show me where I am in error if you disagree with me Or who knows perhaps you will agree with me At any rate I hope you find my book interesting and enjoyable if not enlightening *The Past Life Perspective* Ann Barham,2016-06-07 Previously published as Nine lives and counting **The Voice** L. Edward VanHoose,2004-06 This work is the result of arduous hours of research entitled Biblical Cases of the Reincarnation Type developed during my graduate studies Many have marveled at the finding s persuasiveness and have suggested their publication The result is the very up beat and reader friendly volume now in your hands The Voice like its previous incarnation offers the first demonstrable case for reincarnation in the Bible that is objective It doesn t solely rely on how an author interprets a verse or suggests the subject was surreptitiously removed from the scriptures My research methods essentially emulated those of University of Virginia Psychiatrist Ian Stevenson M D For forty years he investigated cases of young children remembering a past life His landmark work Twenty Cases Suggestive of Reincarnation has been in print since 1966 *The Historical Jesus* Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index
