May a Christian Believe in Reincarnation? Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant s article on various scientific moral and historical aspects of reincarnation from a Christian perspective **Reincarnation in Christianity** Geddes MacGregor, 1978 *Out on a Limb* Shirley MacLaine, 1986-10-01 Her most controversial book is one you will never forget An outspoken thinker a celebrated actress a truly independent woman Shirley MacLaine goes beyond her previous two bestsellers to take us on an intimate yet powerful journey into her personal life and inner self An intense clandestine love affair with a prominent politician sparks Shirley MacLaine s quest of self discovery From Stockholm to Hawaii to the mountain vastness of Peru from disbelief to radiant affirmation she at last discovers the roots of her very existence and the infinite possibilities of life Shirley MacLaine opens her heart to explore the meaning of a great and enduring passion with her lover Gerry the mystery of her soul s connection with her best friend David the tantalizing secrets behind a great actor s inspiration with the late Peter Sellers And through it all Shirley MacLaine s courage and candor new doors new insights new revelations and a luminous new world she invites us all to share Reincarnation in America Lee Irwin, 2017-07-31 This book presents a history of reincarnation from ancient times to the present it is written for a diverse readership interested in theories of life after death The survey offers an exciting journey through a maze of fascinating ideas that all contribute to an underlying theory that after death comes rebirth **Reincarnation** Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same Reincarnation in the Light of

Deardorff, 1994 With impetus provided by the accumulated historical and textual evidence supporting reincarnation this book first examines Gospel evidence that Jesus actually taught reincarnation and karma rather than resurrection Deardorff s compelling analysis bolsters other studies indicating that the concept of resurrection displaced reincarnation in earliest Christianity due to its pre belief by certain Pharisee converts and specifies how the Gospels came to reflect this belief Jesus in India reexamines the evidence that the lost years of Jesus youth were spent in the India Deardorff s analysis brings out the plausibility of Jesus having gained knowledge about reincarnation and related spiritual matters under certain yogis in India With the empty tomb on Easter morning not to be explained by resurrection the book reviews six resuscitation hypotheses and presents a seventh one that withstands previous objections This well documented research constitutes an important addition to the existing literature on comparative religions and a thought provoking contribution to the on going debate on the historicity of a wide range of New Testament passages *The Gnostic Gospels* Elaine Pagels, 1989-09-19 NATIONAL BESTSELLER NATIONAL BOOK AWARD WINNER NATIONAL BOOK CRITICS CIRCLE WINNER SELECTED BY THE MODERN LIBRARY AS ONE OF THE 100 BEST NONFICTION BOOKS The landmark study exploring alternative perspectives of early Christianity as revealed through the Nag Hammadi texts that could have shaped the religion differently if included in the Christian canon Pagels is always readable always deeply informed always richly suggestive of pathways her readers may wish to follow out for themselves Harold Bloom The Washington Post Pagels writes with the instincts of a novelist the skill of a scholar and the ability to sort out significances that many writers lack Chicago Tribune An intellectually elegant concise study The economy with which Pagels evokes the world of early Christianity is a marvel The New Yorker The Gnostic Gospels is a work of luminous scholarship and wide popular appeal First published in 1979 to critical acclaim winning the National Book Award and the

National Book Critics Circle Award The Gnostic Gospels has continued to grow in reputation and influence It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament In this spellbinding book renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today With insight and passion Pagels explores a remarkable range of recently discovered gospels including the Gospel of Thomas and the Gospel of Mary Magdalene to show how a variety of Christianities emerged at a time of extraordinary spiritual upheaval Some Christians questioned the need for clergy and church doctrine and taught that the divine could be discovered through spiritual search Many others like Buddhists and Hindus sought enlightenment and access to God within Such explorations raised questions Was the resurrection to be understood symbolically and not literally Was God to be envisioned only in masculine form or feminine as well Was martyrdom a necessary or worthy expression of faith These early Christians dared to ask questions that orthodox Christians later suppressed and their explorations led to profoundly different visions of Jesus and his message Brilliant and stunning in its implications The Gnostic Gospels is a radical eloquent reconsideration of the origins of the Christian faith **New Birth or**
