Reincarnation Its Causes And Methods:

Reincarnation Annie Besant, 2014-03 This Is A New Release Of The Original 1922 Edition **European Cases of the Reincarnation Type** Ian Stevenson, M.D., 2008-11-13 Many cultures accept that a person may die and then come back to life in another form but Westerners have traditionally rejected the idea Recently however surveys conducted in Europe indicate a substantial increase in the number of Europeans who believe in reincarnation and numerous claims of reincarnation have been reported This book examines particular cases in Europe that are suggestive of reincarnation The first section provides a brief history of the belief in reincarnation among Europeans The second section considers eight cases from the first third of the twentieth century that were not independently investigated but were reported and sometimes published by the persons concerned The third section covers 32 cases from the second half of the twentieth century that were investigated by the author Many of these cases involved either children who exhibited unusual behavior attributed to a previous life or adults who experienced recurrent or vivid dreams attributed to a previous life In the fourth section the author compares European cases suggestive of reincarnation with those of other countries and cultures Reincarnation in America Lee Irwin, 2017-07-31 This book presents a history of reincarnation from ancient times to the present it is written for a diverse readership interested in theories of life after death The survey offers an exciting journey through a maze of fascinating ideas that all contribute to an underlying theory that after death comes rebirth Karma and Reincarnation Barbara Y. Martin, Dimitri Moraitis, 2021-09-30 We have lived an extraordinary series of lives that has led us to our present experience And the life we are living now will prepare us for lives yet to be lived There is life after death and Barbara Martin has seen it Now for the first time comes her inspired firsthand account of the intricate world of spiritual rebirth The award winning authors of *Change Your Aura Change Your Life* reveal the afterlife in a work based directly on Martin's personal explorations of the world to come and awe inspiring clairvoyant experience with the spiritual worlds Both a fully practical handbook to the ins and outs of the karmic cycle and a field guide to the spiritual plane and how reincarnation works Dive deeper into the mystery of your soul's potential and how to understand your past present and future lives from a higher perspective Uncover your own destiny and what you can do to unravel the mystery of your soul's journey Brings together the design of the world beyond and the mechanics of karma Gives practical guidelines and tools to deal effectively with karmic situations and avoid generating adverse karma Helps align readers with their spiritual purpose Shows readers how to face and resolve their karmic troubles Provides essential keys to spiritual development A true spiritual wonder in a single fully accessible volume *Karma and Reincarnation* is perfect for both those taking their first steps down a spiritual path and longtime spiritual students **The Book of Reincarnation** Sirona Knight, 2002 In this absorbing new study the author presents basic concepts that are common to the varied doctrines of reincarnation in diverse cultures and religions **101 Ways to Avoid Reincarnation, Or, Getting it Right the First Time** Hester Mundis, 1989 From flea repelling crystal pet collars to Machu

Picchu package tours the New Age movement offers a delicious variety of services and products for every spiritual want Mundis presents the first no nonsense guide to enlightenment Ārya ,1915 **A Western Approach to Reincarnation and Karma** Rudolf Steiner,1997 The soul s immortality and its repeated earthly births are not new ideas in Western thought They are implicit in the Pythagorean and Platonic traditions as well as in some branches of esoteric Judaism and Cabbala But it was not until the early years of this century that the West was given a detailed modern evolutionary philosophy of human life based on the reality of reincarnation and karma This turning point occurred when Rudolf Steiner began to make public the results of his spiritual scientific researches He viewed the revelation of reincarnation and karma as one of his most important life tasks Steiner s contribution however remains unique in its understanding of the human being as an evolving developing being of body soul and spirit On the basis of his researches presented in numerous books and lectures we begin to understand how the complex interaction of human lives between birth and death and between death and a new birth gives new meaning not only to individual lives lived on Earth in community with others but also to human history and evolution and to earthly and cosmic events This book collects many of Steiner s major statements on reincarnation and karma The primary purpose of this volume is to help readers meet the challenge of spiritual research in the area of individual evolution of the soul and spirit in the context of cultural and universal evolution Such a study can be tremendously revealing and provide spiritual understanding in a time of increasing intellectual confusion and spiritual poverty The notion of reincarnation and karma is generally associated in most minds with spiritual traditions of the East especially Hinduism and Buddhism Ren Querido s in depth sixty page introduction however places these concepts within the context of Western spiritual development and esoteric tradition showing us a panoramic view of how such ideas have developed over the centuries in the West Contents Introduction by Ren Querido 1 Our Present Dilemma 2 Historical Survey of Reincarnation and Karma 3 Rudolf Steiner s Original Contributions The lectures 1 Natural and Chance Illnesses in the Human Being 2 Elemental Events Volcanic Eruptions Earthquakes Epidemics in Relation to Karma 3 Death and Rebirth in Relation to Karma 4 Knowledge of Reincarnation and Karma 5 Examples of Karma Working between Two Incarnations 6 Vital Questions in the Light of Reincarnation and Karma 7 The Formation of Karmic Forces 8 Reincarnation of the Spirit and Destiny Children Who Remember Previous Lives Ian Stevenson, M.D.,2000-12-15 The concept of reincarnation has been around for thousands of years and is a part of many religions including Hinduism Buddhism Jainism and Sikhism In addition to these religious beliefs many people believe it offers an explanation for the mysteries of life There are children that claim to remember previous lives as adults or even animals These claimed memories might affect the development of the child and be incorporated into the child s personality This book presents an in depth look at Dr Stevenson s forty years studying children who claim to remember previous lives It is an informative professional read that dispels common misconceptions about reincarnation and offers an open minded perspective It provides an overview of the history of the belief in and evidence for reincarnation with

new material relating to birthmarks and birth defects independent replication studies and recent developments in genetic study It also covers research on children the methods used the cases studied and the analyses of the data The idea of reincarnation is explored as an explanation for some unsolved problems in psychology and medicine

Nyāya Sūtra - on Philosophical Method Victor A. van Bijlert, 2024-06-27 Ny ya S tra offers a new English translation of the text ascribed to Ak ap da an Indian philosopher who lived around the beginning of the Common Era The translation is accompanied by the original Sanskrit text and an original commentary The commentary explains every s tra separately and identifies the sources of the Ny ya S tra It analyses the way older ideas on epistemology logic and soteriology were presented as a new coherent system of thought The book puts forward the main goal of the Ny ya S tra to define what it considered the basic tenets of a soteriology and how the goal of this soteriology could be reached by rationally applying epistemological and logical methods to finding out the truth In turn this truth was thought to lead to the ultimate soteriological goal of freedom from suffering Showing the coherence of the text and its ultimate goal being soteriological the new commentary also discusses many scholarly issues regarding the Ny ya S tra and its position in the history of Indian philosophy This book will be of interest to researchers studying Indian philosophy world philosophies epistemology logic philosophical method art of debate soteriology rationalism spirituality Hinduism Indian religions and religious studies

Return to Life Jim B. Tucker, M.D., 2013-12-03 Dr Tucker in a follow up to his book Life Before Life explores American cases of young children who report memories of previous lives in the New York Times bestseller Return to Life A first person account of Jim Tucker's experiences with a number of extraordinary children with memories of past lives

Return to Life focuses mostly on American cases presenting each family's story and describing his investigation. His goal is to determine what happened, what the child has said, how the parents have reacted, whether the child's statements match the life of a particular deceased person, and whether the child could have learned such information through normal means. Tucker has found cases that provide persuasive evidence that some children do in fact possess memories of previous lives. Among others, readers will meet a boy who describes a previous life on a small island. When Tucker takes him to that island, he finds that some details eerily match the boy's statements and some do not. Another boy points to a photograph from the 1930s and says he used to be one of the men in it. Once the laborious efforts to identify that man are successful, many of the child's numerous memories are found to match the details of his life. Soon after his second birthday, a third boy begins expressing memories of being a World War II pilot who is eventually identified. Thought provoking and captivating, Return to Life urges its readers to think about life and death and reincarnation and reflect about their own consciousness and spirituality.

Jewish Tales of Reincarnation Yonasson Gershom, 2000-01-31 Scattered throughout many kabbalistic and Hasidic texts are numerous teaching stories with reincarnation as their central theme. In order to make the classical stories understandable to the modern reader, each tale has been expanded to include clear explanations of cultural and religious details. Both classical and contemporary tales are included here from sources as widely varied as kabbalistic texts, folklore anthologies, and discussion on the Internet. Of special interest are several new tales collected by the author himself which have never before appeared in print.

Practical Ethics and Profound Emptiness Jampa Tegchok, 2017-04-25 Let a great Tibetan scholar guide you through one of Nagarjuna's masterworks. In Practical Ethics and Profound Emptiness, Khensur Jampa Tegchok walks us carefully through a classic of Indian Buddhist philosophy, explaining the implications of its philosophical arguments and grounding its advice in a recognizable day-to-day world. In Precious Garland, the source text for this commentary, Nagarjuna advises his patron king on how best to take advantage of human life to secure a happy rebirth in the next life while making progress toward the goal of enlightenment. Known primarily for his incisive presentation of emptiness, here Nagarjuna shows his wise understanding of how to navigate the intricacies of worldly life to balance everyday needs with spiritual practice. Loaded with equal measures of penetrating explanations of the highest reality and inspiring encouragement towards the bodhisattva practices, Practical Ethics and Profound Emptiness makes the case for living a thoughtful, morally upright life in the world to achieve immediate and ultimate spiritual goals.

Rebirth as Doctrine and Experience Francis Story, 2000-12-01 Francis Story's interest in cases of rebirth memories finally led him to assist Dr. Ian Stevenson in tracing, investigating, and studying such cases in Sri Lanka, Thailand, and India. The present book contains Story's essays on the theme of rebirth as well as case

studies that he undertook in collaboration with Professor Stevenson the foremost American investigator of reported rebirth memories These case studies which make fascinating reading lend strong evidential support to the hypothesis of rebirth and thus help to illuminate the ultimate questions concerning human destiny after death **The Truth of Rebirth** Thanissaro Bhikkhu, 2024-10-28 Each time you choose one course of action over another you re making a wager as to the consequences of your choice This is especially true if the choice is between something easy that promises pleasant short term rewards and something hard that promises great rewards but only after a long time Will the harder choice be worth the effort Will the easier one be irresponsible in the long run As a person embedded in time there s no way you can know for sure **The Long Trajectory** Eric M. Weiss, 2012-09 The title says it all Eric Weiss is going for the gold I m watching and believing Michael Murphy Cofounder of Esalen Institute Author of The Future of the Body As I read Eric Weiss The Long Trajectory I am often lifted beyond understanding into ecstasy Integrating the physical transphysical and spiritual dimensions Weiss offers a metaphysical model that heals the past and opens the door to a new future for humanity Dr Christopher M Bache Youngstown State University Author of Dark Night Early Dawn What happens to us after we die Do we cease to exist Do we survive bodily death Do we live again in a new body Without answers to these questions we cannot know who and what we really are In The Long Trajectory author and philosopher Eric Weiss explores these fundamental questions Inspired by the philosophies of Alfred North Whitehead and Sri Aurobindo Weiss develops a new metaphysical system he calls transphysical process metaphysics It rethinks space time matter energy consciousness and personality in ways consistent with the findings of science while providing a coherent explanation for the survival of the personality beyond death and how it can reincarnate in a new body
