Olson,2002-09 The Soul's Long Journey Edward Reaugh Smith,2003 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense

law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore **The Living Classroom, Second Edition** Christopher M. Bache,2024-12-01 A pioneering work in teaching and transpersonal psychology The Living Classroom explores the dynamics of collective consciousness in the classroom In this second edition Bache has in his own words come out of the psychedelic closet speaking candidly about the role that psychedelics played in the development of his integral holistic pedagogy Combining scientific research with personal accounts collected over thirty years Bache examines the subtle influences that radiate invisibly around teachers as they work unintended cognitive resonances that spring up between teachers and students in the classroom While these kinds of synchronistic connections are often overlooked by traditional academics Bache demonstrates that they occur too frequently and are too pointed to be dismissed as mere coincidence Drawing upon Rupert Sheldrake s theory of morphic fields Bache proposes that well taught courses generate learning fields around them forms of collective consciousness that can trigger new insights and startling personal transformations Moving beyond theory this book is rich with student stories and offers practical hands on strategies for teachers who want to begin working with these learning fields to take their teaching to a more conscious level

Stumbling Down the Shamanic Path Michèle Burdet,2010-05-06 Stumbling Down the Shamanic Path relates how a spiritual skeptic became a questioner a meditator who avoided gurus an explorer of earth energies and then met the teacher who discerned the shaman sleeping in the spirit of a middle aged alpinist That was only the beginning for pursuit of this new tack offered a new set of hurdles After years of bumpy roads Michle Burdet is today a practitioner of ancient shamanic arts such as soul retrieval and is teaching apprentices to carry on the torch of what she likes to call prehistoric psychotherapy

A Quest for Wisdom David Lorimer,2021-03-24 A Quest for Wisdom is a wide ranging volume which brings together 25 of David Lorimer s highly acclaimed essays Among the significant thinkers featured here are many who have shone their light on his path and which can provide enriching nourishment for readers on their own life journeys The essays explore philosophy meaning and spirituality consciousness death and transformation and responsibility ethics and society Perceptive and illuminating they examine the nature of life and death questions of meaning and purpose and the challenge of how we can live more harmoniously together David hopes that readers will be inspired as Dr Albert Schweitzer put it in our common task to become more finely and deeply human

Healing Lost Souls William J. Baldwin,2003-06-01 For two decades William Baldwin has been a pioneer in the ever expanding therapeutic fields of Spirit Releasement Past Life Regression and Soul Mind Fragmentation In his Florida practice he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity formerly called Multiple Personality Disorders Healing Lost Souls explains the attributes of each therapy in everyday language and provides dozens of case studies to illustrate its clinical use Likening his work to the ancient practice of shamanism Baldwin has found that psychological disorders are often rooted in past life traumas the interference of attached entities of various origins and the fragmentation of one s soul Baldwin stresses the

importance of active patient participation throughout the stages of regression as well as the need to treat encountered entities with respect since they are often mere lost souls as bewildered and frightened as the patients themselves *The Goddess and the God* Lorie Odegaard, 2006-03 If you'd prefer spirituality over the traditional fear tactics and exclusionary claims of theology *The Goddess and the God A Synthesis* by Lorie Odegaard is the book you should read *Something Else, Something Other* Carmen Gleadow, 2007 Is there an afterlife What happens when we die How do we reach the other side What is heaven like according to comatose children who have regained consciousness What do Quantum and Reincarnation theories share Is organ transplantation the physical replacement of organs or is there more to it than that What are soulmates These and other questions are explored by Dr Carmen Gleadow against an academic background of religious medical and philosophical research New Books National Defense University. Library, **Amerindian Rebirth** Canadian Anthropology Society. Meeting, 1994-01-01 Until now few people have been aware of the prevalence of belief in some form of rebirth or reincarnation among North American native peoples This collection of essays by anthropologists and one psychiatrist examines this concept among native American societies from near the time of contact until the present day *Amerindian Rebirth* opens with a foreword by Gananath Obeyesekere that contrasts North American and Hindu Buddhist Jain beliefs The introduction gives an overview and the first chapter summarizes the context distribution and variety of recorded belief All the papers chronicle some aspect of rebirth belief in a number of different cultures Essays cover such topics as seventeenth century Huron eschatology Winnebago ideology varying forms of Inuit belief and concepts of rebirth found among subarctic natives and Northwest Coast peoples The closing chapters address the genesis and anthropological study of Amerindian reincarnation In addition the possibility of evidence for the actuality of rebirth is addressed *Amerindian Rebirth* will further our understanding of concepts of self identity kinship religion cosmology resiliency and change among native North American peoples *There Is Life After Death* Tom Harpur, 2011-02-19 What happens when we die Will we simply dissolve into nothingness or will we survive death in some other form Issues of death and dying have consumed humanity from time immemorial In our modern western culture we have tended out of fear to deny and push death away And yet a healthy consideration of this issue can help us embrace and understand what happens to us when we die *There is Life After Death* is Tom Harpur's classic examination of death and dying Now fully revised and updated here is a new edition of a book that weighs the scientific religious and anecdotal evidence of survival of death and what happens after we die The likelihood of death being a portal to other forms of existence is argued persuasively Tom Harpur looks at the witness of near death experiences and examines the idea of reincarnation as well as the claims of channelers and spirit mediums Most importantly the author looks at how the great world religions from Christianity Judaism and Islam to Hinduism Buddhism and Native Spirituality among others deal with life after death This book is a powerful summary of what we know and believe about death *There is Life After Death* is both illuminating and comforting in its message and conclusions and goes a long way in

putting to rest one of the last great taboos of our culture **After Leadership** Brigid Carroll, Josh Firth, Suze Wilson, 2018-09-17 Leadership studies today resembles a bewildering diversity of theories concepts constructs and approaches struggling in huge part for meaning relevance and impact As Dennis Tourish so eloquently puts it much of the literature suffers from unrelenting triviality and sterile preoccupations Seeking to create a clean break from this current state of leadership studies *After Leadership* begins with the premise of a post apocalyptic world where only fragments of leadership science now remain echoing Alisdair McIntyre s imagining of such a scene as the basis for re establishing the foundations and focus of moral theory From these fragments the authors seek to construct a new leadership studies that challenges much of the established thinking on leadership exposes its limitations and biases and most importantly seeks to construct the foundations of a more inclusive participatory bold relational and social platform for leadership in the future *After Leadership* thus imagines a brave new world where what leadership is and what we seek from it can be developed anew rather than remaining bound up in the problematic traditions and preoccupations that characterise leadership studies today Offering both full length chapter explorations that explore new ways of understanding and practicing leadership as well as shorter essays that aim to provoke further reflection on leadership and what we seek of it *After Leadership* offers a uniquely critical and creative collection that will inspire students scholars and leadership educators to reconsider their understanding and practice of leadership *Your Nostradamus Factor* Ingo Swann, 2018-09-02 You Can Predict the Future Throughout the centuries the future has been seen in dreams in visions and by seers But you don t have to be a prophet or a visionary to predict what the future holds Now Ingo Swann explains how to understand and use the future predicting ability that lies within He identifies the different ways the future is revealed Spontaneous forewarnings during dreams Spontaneous alerts that happen when awake Forewarnings and alerts communally experienced by numbers of people while sleeping or while awake Consciously controlled future seeing achieved by seers Ingo Swann also presents fascinating documented examples of prophecies that came true ranging from those that foresaw the sinking of the Titanic to his own prediction of the fall of the Berlin Wall *Your Nostradamus Factor* explains how you can develop your ability to foresee the future by Overcoming blocks to future seeing Tracking a particular subject and testing your predictions Using astrology to help see the future and Paying close attention to your dreams With the millennium right around the corner Swann also offers startling predictions for the future of the environment the economy science and society originally published in 1993 *Nectar for Your Soul* Vladimir Dubkovskiy, Valeria Dubkovskaya, 2022-05-15 In this book you will find answers to the eternal philosophical questions of mankind Who are we the new and improved results of natural evolution from monkeys or God s creations What is the meaning of life What has been happening on our planet in recent decades What is the reason for the cataclysms and crises that have descended upon the Earth And also many other important questions found the answer in this book
