**Reincarnation, Sex, and Love** Gladys V. Jones,1983-06-01

**Orientation** Rick R. Reed,2016-03-01 Robert and Jess may just be the world's most unlikely couple: a gay man and a lesbian. But there is something mysterious going on here. Is Jess the reincarnation of the lover Robert lost to AIDS more than two decades ago? Can they transcend sexual orientation and find true love again? Before this question can be answered, both must confront a deadly peril just waiting to pounce.

**Reincarnation Blues** Michael Poore,2018-07-10 A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love, Death herself. Tales of gods and men akin to Neil Gaiman's *Sandman* as penned by a kindred spirit of Douglas Adams. Kirkus Reviews starred review. First we live. Then we die. And then we get another try. Ten thousand tries to be exact. Ten thousand lives to get it right. Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn't make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo's lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living, as he dives into one new existence after another, praying for the day he'll never have to leave her side again. But *Reincarnation Blues* is more than a great love story. Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle; if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut's, Michael Poore's *Reincarnation Blues* is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it's more than Milo and Suzie's story. It's your story, too. Praise for *Reincarnation Blues*: The most fun you'll have reading about a man who has been killed by both catapult and car accident. NPR: This book made me laugh out loud. And then a page later it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life. Chicago Review of Books: Charming, surprisingly light and uplifting. It reads like a writer having fun. New York Journal of Books: [One Sex to the Other](#) Amy Shapiro,2006-09 Ever sensed you've lived before or felt you knew what it's like to be the opposite sex? Amy Shapiro shares true stories of 40 Dual Gender souls who discovered past lives as their opposite sex and how those insights clarified and resolved present life issues and problems. With healing as a common result, their stories reveal universal truths about us all. Cases contributed by colleagues also shed light on Past Life Therapists and the lives they touch.

**I'm Over All That** Shirley MacLaine,2012-04-03 In a collection of personal essays, the actress shares her views and insights on aging, Hollywood, being polite, sex, and anger.

**Love in Modern Japan** Sonia Ryang,2006-10-19 This book places love and sex in Japan in social and historical context and includes four case studies. A lot of Ryang's claims are potentially very controversial, so the book is guaranteed to stir up debate. It will be of interest to those in Japanese and East Asian studies as well as anthropology, gender studies, and feminist anthropology.

**The Eternal Ones**

Kirsten Miller,2010-08-19 Haven Moore has always known she s different there are the talents that can t be explained the knowledge of places she s never been and then there are the visions that overwhelm her terrifying visions of a life that ended tragically two decades earlier and more than a thousand miles away in New York City The citizens of Haven s rural highly religious community believe that she s been possessed by a demon But this is no demon it s reincarnation Haven journeys all the way to Manhattan in search of clues about her past life and a decades old murder One wrong move could lead her into the clutches of the sinister villain at the center of a conspiracy much larger than she could have ever imagined But if she makes the right choices Haven will find the answers she s been seeking her entire life This is an epic and thrilling romance set in the snake handling churches of Appalachia the dusty ruins of ancient Rome and the grand mansions of Manhattan The Eternal Ones tells the story of the first battle in a war between undying love and eternal evil Archangel's Blade Nalini Singh,2011-09-06 New York Times bestselling author Nalini Singh is back in the shadows of a deadly beautiful world where angels rule vampires serve and one female hunter must crawl out of the darkness to survive The severed head marked by a distinctive tattoo on its cheek should have been a Guild case but dark instincts honed over hundreds of years of life compel the vampire Dmitri to take control There is something twisted about this death something that whispers of centuries long past but Dmitri s need to discover the truth is nothing to the vicious strength of his response to the hunter assigned to decipher the tattoo Savaged in a brutal attack that almost killed her Honor is nowhere near ready to come face to face with the seductive vampire who is an archangel s right hand and who wears his cruelty as boldly as his lethal sensuality the same vampire who has been her secret obsession since the day she was old enough to understand the inexplicable violent emotions he aroused in her As desire turns into a dangerous compulsion that might destroy them both it becomes clear the past will not stay buried Something is hunting and it will not stop until it brings a blood soaked nightmare to life once more *Sex, Love, and Marriage in the 21st Century* Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the

core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world

*How to be a Good Lover* Kwabena Osei,2022-07-10 It is meaningful to talk about love Love is the universal language The essence of life is the divine love Love beautifies life Life without love is meaningless The circle of life operates on the energy of love and sex To be ignorant about love and sex through which you existed for the human experiences on the mother earth is suicidal Let us talk about love and sex in the open platform to enlighten mankind Awareness in the divine principles of love automatically upgrades your romances through loving kindness to boost your sexual capabilities to be a good lover Lack of the knowledge about the true love and the false love alike rushing in love for possessiveness many people are perishing each and every day by the edge of the hidden sword of the false love This precious book how to be a good lover is very significant for the human race It is meant to serve as the preventive measures against the deceptions and the atrocities being caused consistently in the name of love Life relationship or marriage is all about self expression through loving kindness and caring for each other to make the world a safer place for mankind
