Reinhold Niebuhr 1892 1971 Modern Theology:

Reinhold Niebuhr: Major Works on Religion and Politics (LOA #263) Reinhold Niebuhr, 2015-04-07 A definitive collection of writings by the theologian and public intellectual who was the conscience of the American Century One of my favorite philosophers remarked Barack Obama about the theologian Reinhold Niebuhr 1892 1971 in 2007 President Obama is but one of the many American political leaders including Jimmy Carter and Martin Luther King Jr to be influenced by Niebuhr's writings Throughout the Depression World War II and the Cold War Niebuhr was one of the most prominent public voices of his time probing with singular style the question of how to act morally in a fallen world This Library of America volume prepared by Niebuhr's daughter is a collection of four indispensable books *Leaves from the Notebook of a Tamed Cynic* 1929 *Moral Man and Immoral Society* 1932 *The Children of Light and the Children of Darkness* 1944 and *The Irony of American History* 1952 and other essays sermons and lectures Notable entries include Niebuhr's world famous Serenity Prayer plus his writings on Prohibition the Allied bombing of Germany apartheid in South Africa and the Vietnam War many of which are collected here for the first time LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

Leaves from the Notebook of a Tamed Cynic Reinhold Niebuhr, 1929 Renowned theologian Reinhold Niebuhr began his career as pastor of Bethel Evangelical Church in Detroit Michigan where he served from 1915 1928 *Leaves From the Notebook of a Tamed Cynic* is Niebuhr's account of the frustrations and joys he experienced during his years at Bethel Addressed to young ministers this book provides reflections and insights for those engaged in the challenging yet infinitely rewarding occupation of pastoral ministry Niebuhr's powerful book remains as useful and relevant today as it was eighty years ago

The Irony of American History Reinhold Niebuhr, 2010-01-22 Niebuhr is one of my favorite philosophers I take away from his works the compelling idea that there's serious evil in the world and hardship and pain And we should be humble and modest in our belief we can eliminate those things But we shouldn't use that as an excuse for cynicism and inaction I take away the sense we have to make these efforts knowing they are hard President Barack Obama Forged during the tumultuous but triumphant postwar years when America came of age as a world power *The Irony of American History* is more relevant now than ever before Cited by politicians as diverse as Hillary Clinton and John McCain Niebuhr's masterpiece on the incongruity between personal ideals and political reality is both an indictment of American moral complacency and a warning against the arrogance of virtue Impassioned eloquent and deeply perceptive Niebuhr's wisdom will cause readers to rethink their assumptions about right and wrong war and peace The supreme American theologian of the twentieth century Arthur Schlesinger Jr New York Times Niebuhr is important for the left today precisely

because he warned about America's tendency including the left's tendency to do bad things in the name of idealism His thought offers a much better understanding of where the Bush administration went wrong in Iraq Kevin Mattson *The Good Society* Irony provides the master key to understanding the myths and delusions that underpin American statecraft The most important book ever written on US foreign policy Andrew J Bacevich from the Introduction **Reinhold Niebuhr Revisited** Daniel F. Rice, 2009-07-10 In 2007 then presidential candidate Barack Obama called Reinhold Niebuhr 1892-1971 his favorite philosopher Reinhold Niebuhr Revisited offers fresh and creative ways of looking at this influential American theologian's views on religion politics and culture through the eyes of diverse respected scholars Reinhold Niebuhr 1892-1971 Ernest John Tinsley, 1973 Does Civilization Need Religion? Reinhold Niebuhr, 1927 *Moral Man and Immoral Society* Reinhold Niebuhr, 2021-01-26 One of the theological classics of the twentieth century Niebuhr's *Moral Man and Immoral Society* argues that using moral persuasion and shaming to affect the behavior of such collectives as corporations and nation states is fruitless as these groups will inevitably seek to promote only their self interest He calls for a realistic assessment of group behavior and enumerates how individual morality can mitigate social immorality This edition includes a foreword by Cornel West that explores the continued interest in Niebuhr's thought and its contemporary relevance The Oxford Handbook of Reinhold Niebuhr Robin Lovin, Joshua Mauldin, 2021 This authoritative Handbook features 38 chapters placing Reinhold Niebuhr 1892-1971 in his historical context to offer readers an appreciation of his insights and how he was received by his contemporaries *An Interpretation of Christian Ethics* Reinhold Niebuhr, 2021-11-09 Reinhold Niebuhr's *An Interpretation of Christian Ethics* is both an introduction to the discipline and a presentation of the author's distinctive approach That approach focuses on a realistic rather than moralistic understanding of the challenges facing human individuals and institutions and a call for justice imperfect though it might be as what love looks like in a fallen world The book's most distinctive aspect is the author's insistence that perfect love and justice are unattainable in this world yet they remain our most important goals **Why Niebuhr Now?** John Patrick Diggins, 2011-06-15 Barack Obama has called him one of my favorite philosophers John McCain wrote that he is a paragon of clarity about the costs of a good war Andrew Sullivan has said We need Niebuhr now more than ever For a theologian who died in 1971 Reinhold Niebuhr is maintaining a remarkably high profile in the twenty first century In *Why Niebuhr Now* acclaimed historian John Patrick Diggins tackles the complicated question of why at a time of great uncertainty about America's proper role in the world leading politicians and thinkers are turning to Niebuhr for answers Diggins begins by clearly and carefully working through Niebuhr's theology which focuses less on God's presence than his absence and the ways that absence abets the all too human sin of pride He then shows how that theology informed Niebuhr's worldview leading him to be at the same time a strong opponent of fascism and communism and a leading advocate for humility and caution in foreign policy Turning to the present Diggins highlights what he argues is a misuse of Niebuhr's legacy on both the right and the left while neoconservatives distort Niebuhr's arguments

to support their call for an endless war on terror in the name of stopping evil many liberal interventionists conveniently ignore Niebuhr's fundamental doubts about power Ultimately Niebuhr's greatest lesson is that while it is our duty to struggle for good we must at the same time be wary of hubris remembering the limits of our understanding The final work from a distinguished writer who spent his entire career reflecting on America's history and promise Why Niebuhr Now is a compact and perceptive book that will be the starting point for all future discussions of Niebuhr **Stride Toward Freedom** Dr.

Martin Luther King, Jr., 2010-01-01 MLK's classic account of the first successful large scale act of nonviolent resistance in America the Montgomery bus boycott A young Dr King wrote Stride Toward Freedom just 2 years after the successful completion of the boycott In his memoir about the event he tells the stories that informed his radical political thinking before during and after the boycott from first witnessing economic injustice as a teenager and watching his parents experience discrimination to his decision to begin working with the NAACP Throughout he demonstrates how activism and leadership can come from any experience at any age Comprehensive and intimate Stride Toward Freedom emphasizes the collective nature of the movement and includes King's experiences learning from other activists working on the boycott including Mrs Rosa Parks and Claudette Colvin It traces the phenomenal journey of a community and shows how the 28 year old Dr King with his conviction for equality and nonviolence helped transform the nation and the world **Ford's The Modern**
