## **Reinhold Niebuhr Prophet To Politicians:**

Reinhold Niebuhr, Prophet to Politicians Ronald H. Stone, 1971 Advent Blue Offering Envelope 2005 Package of 50

Reinhold Niebuhr in the 1960s Stone, 2019-04 The Civil Rights Movement The Cuban Missile Crisis The assassination of a president and a senator Praise turns into protest hope into disenchantment The 1960s was an era born in hope that ended in deep conflict during this era Reinhold Niebuhr once dubbed America's theologian retired from Union Seminary in New York in this book the author introduces us to Niebuhr's life in the 1960s from his critical vantage point as Niebuhr's former student and later colleague Though little has been published about this decade in Niebuhr's life the author's analysis shows a theologian whose work shifts to speak more effectively to the less religious more secular world around him The author introduces readers to never before seen letters between the author and Reinhold and Ursula Niebuhr which shed light not only on the impact Niebuhr had on the 1960s but also on the way the 1960s shaped Niebuhr *The Irony of American History* Reinhold Niebuhr, 2010-01-22 Niebuhr is one of my favorite philosophers I take away from his works the compelling idea that there's serious evil in the world and hardship and pain And we should be humble and modest in our belief we can eliminate those things But we shouldn't use that as an excuse for cynicism and inaction I take away the sense we have to make these efforts knowing they are hard President Barack Obama Forged during the tumultuous but triumphant postwar years when America came of age as a world power The Irony of American History is more relevant now than ever before Cited by politicians as diverse as Hillary Clinton and John McCain Niebuhr's masterpiece on the incongruity between personal ideals and political reality is both an indictment of American moral complacency and a warning against the arrogance of virtue Impassioned eloquent and deeply perceptive Niebuhr's wisdom will cause readers to rethink their assumptions about right and wrong war and peace The supreme American theologian of the twentieth century Arthur Schlesinger Jr New York Times Niebuhr is important for the left today precisely because he warned about America's tendency including the left's tendency to do bad things in the name of idealism His thought offers a much better understanding of where the Bush administration went wrong in Iraq Kevin Mattson The Good Society Irony provides the master key to understanding the myths and delusions that underpin American statecraft The most important book ever written on US foreign policy Andrew J Bacevich from the Introduction **The Essential Reinhold Niebuhr** Reinhold Niebuhr, 1986-01-01 Theologian ethicist and political analyst Reinhold Niebuhr was a towering figure of twentieth century religious thought Now newly repackaged this important book gathers the best of Niebuhr's essays together in a single volume Selected edited and introduced by Robert McAfee Brown a student and friend of Niebuhr's and himself a distinguished theologian the works included here testify to the brilliant polemics incisive analysis and deep faith that characterized the whole of Niebuhr's life This fine anthology makes available to a new generation the thought of one of the most penetrating and rewarding of twentieth century minds Reinhold Niebuhr remains the great illuminator of the dark

conundrums of human nature history and public policy Arthur Schlesinger Jr Sparkling gems brought from the shadows of history into contemporary light Beautifully selected and edited they show that Niebuhr's fiery polemics and gracious assurances still speak with power to us today Roger L Shinn An extremely useful volume David Brion Davis New York Review of Books This collection which brings together Niebuhr's most penetrating and enduring essays on theology and politics should demonstrate for a new generation that his best thought transcends the immediate historical setting in which he wrote Brown's introduction succinctly presents the central features of Niebuhr's life and thought Library Journal

**Prophetic Realism** Ronald Stone, 2005-11-07 After September 11 2001 ordinary citizens faced a new world ruled by political and religious machinations against the threat of terrorism While political leaders pursued a policy of militarism many religious leaders advocated pacifism Ronald H Stone advocates a middle road between these two extremes what he calls prophetic realism Taking up Reinhold Niebuhr's notion of Christian realism Stone argues that our current situation calls for hard answers to hard questions Stone offers compelling evidence that Jesus provides the prophetic model of our interaction with our enemies This book will change people's minds about the relationship of religion and politics in the contemporary world

**Reflections on the End of an Era** Reinhold Niebuhr, 1934 *Kenneth W. Thompson, The Prophet of Norms* F. Rajae, 2013-03-12 The aim of this book is to capture the international thought and practice of Kenneth W Thompson His career embodied three roles in which he revealed his thoughts and practice as a facilitator of space for encouraging debates scholarship and practice as an educator and most importantly as a theorist of international relations *An Interpretation of Christian Ethics* Reinhold Niebuhr, 2021-11-09 Reinhold Niebuhr's *An Interpretation of Christian Ethics* is both an introduction to the discipline and a presentation of the author's distinctive approach That approach focuses on a realistic rather than moralistic understanding of the challenges facing human individuals and institutions and a call for justice imperfect though it might be as what love looks like in a fallen world The book's most distinctive aspect is the author's insistence that perfect love and justice are unattainable in this world yet they remain our most important goals

disciplines and respects this specific focus can be diagnosed as a lacuna The task of this book is to develop a hypothesis in terms of under what political social organizational or intellectual context Niebuhr made use of what definition of the state When did he support the extension of state power e g in war times during economic crisis and when did he criticize tendencies toward autocratic structures inside Western style democracies      **Moral Man and Immoral Society** Reinhold Niebuhr,2021-01-26 One of the theological classics of the twentieth century Niebuhr s Moral Man and Immoral Society argues that using moral persuasion and shaming to affect the behavior of such collectives as corporations and nation states is fruitless as these groups will inevitably seek to promote only their self interest He calls for a realistic assessment of group behavior and enumerates how individual morality can mitigate social immorality This edition includes a foreword by Cornel West that explores the continued interest in Niebuhr s thought and its contemporary relevance      *Between the 'Mysticism of Politics' and the 'Politics of Mysticism'* David Ranson,2013-08-31 Between the Politics of Mysticism and the Mysticism of Politics traces the dialectic of the mystical and the political from both a theological and an historical perspective It presents the dialectic as a hermeneutic for the rise of the new ecclesial communities within the Roman Catholic Tradition and suggests it as the framework by which a trajectory for Christian holiness might emerge in the 21st century      **Religion and Radical Politics** Robert Hedborg Craig,1992 This study discusses an array of movements organisations and activists many largely unstudied who sought to aid the poor and oppressed through Christian social action      **Political Realism in American Thought** John W. Coffey,1977 Combines a historical and philosophical perspective to examine in detail the concept of political realism as it is developed by Protestant theologian Reinhold Niebuhr diplomat historian George Kennan and political theorist Hans Morgenthau presenting suggestions for lines along which sound political principles may lie      **God & Money** Charles McDaniel,2007 God Money confronts the current dominant right wing Republican evangelical Christian view that unfettered market driven capitalism and Christian faith and values are compatible Drawing on such ethical luminaries as Reinhold Niebuhr G K Chesterton Peter Berger and John Paul II author Charles McDaniel shows that to reverse the current decline in public morality capitalism must be balanced by enduring religious and moral values Challenging the captivity of Christian culture by free market global capitalism McDaniel joins other Christian ethical visionaries in advocating a redemptive economy one that champions individual human dignity true community and the moral regeneration of cultural traditions in vital dialectic with the inevitable market capitalism of the contemporary world      *Religion and Contemporary Politics* Timothy J. Demy,Jeffrey M. Shaw Ph.D.,2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political

and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

**The Prodigal Prophet** Timothy Keller, 2018-10-02 An angry prophet A feared and loathsome enemy A devastating storm And the surprising message of a merciful God to his people The story of Jonah is one of the most well known parables in the Bible It is also the

most misunderstood Many people even those who are nonreligious are familiar with Jonah A rebellious prophet who defies God and is swallowed by a whale But there s much more to Jonah s story than most of us realize In *The Prodigal Prophet* pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah Keller makes the case that Jonah was one of the worst prophets in the entire Bible And yet there are unmistakably clear connections between Jonah the prodigal son and Jesus Jesus in fact saw himself in Jonah How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus Jonah s journey also doesn t end when he is freed from the belly of the fish There is an entire second half to his story but it is left unresolved within the text of the Bible Why does the book of Jonah end on what is essentially a cliffhanger In these pages Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable and shares the powerful Christian message at the heart of Jonah s story
