Sobrevivirá Estados Unidos

John Hagee, 2013-04-02 This new book by New York Times bestselling author and pastor John Hagee says the United States is heading into a Perfect Storm. Titanic, John F. Kennedy's assassination, 9/11. John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive*, Hagee uses these tragedies to prove two points: that the unthinkable can happen and given the right conditions the unthinkable can quickly become the inevitable. In *Can America Survive*, Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. Think it can't happen? Hagee asks in a theme repeated throughout the book: Think again. Indeed, Hagee presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a perfect storm that could bring down the unsinkable United States of America. *Can America Survive* is not just a warning; it is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, those who do not remember the mistakes of the past are doomed to repeat them in the future. Think it can't happen? Think again. **Welcome To The Family**

Kenneth Copeland, 2012-05-01 In this book, Kenneth Copeland shares on a one-to-one basis the steps you are to follow in joining God's family. He shows what God's Word says about receiving salvation, baptism in the Holy Spirit, and healing. Heaven wouldn't be the same without. **La Palabra Santa**
