**Reinventing Your Church** Brian D. McLaren, 1998 Is any one way really the right way for a church to impact today's rapidly changing culture With all the different church models to choose from does any one of them truly have the answer Brian McLaren offers churches large and small a fresh creative option beginning as he did by asking What kind of church would we want if we had to start from scratch With wisdom gleaned from experience and seasoned with humor McLaren presents not another here's the way approach but thirteen tested strategies that can help pastors and congregations of every kind to determine where they want to go and how to get there *Ancient-Future Evangelism (Ancient-Future)* Robert E. Webber, 2003-11-01 Following his well received *Ancient Future Faith* Robert Webber presents a new model for evangelism and discipleship the first in a series of four books applying his theoretical ideas to practical situations Part 1 of *Ancient Future Evangelism* surveys evangelism and Christian formation throughout the church and then translates the process for twenty first century Christians Webber presents evangelism as four distinct stages and suggests three accompanying rites of passage that can be easily adapted to any church tradition Part 2 underscores how the four fold process of faith formation is interwoven with three theological principles Christ as victor over evil the church as witness to God's salvation and worship as a witness to God's mission accomplished in Jesus *Ancient Future Evangelism* will appeal to both emerging evangelicals as well as traditional church leaders It relates faith to Christian practice by drawing wisdom from the past and translating those insights into the present and future life of the church **Reinventing Paul** John G. Gager, 2002 Through an exhaustive analysis of Paul's letters to the Galatians and the Roman illuminating answers are given to the key questions about the teachings of Paul *Ecclesiogenesis* Leonardo Boff, 1986-01-01 Examines whether Catholicism should be adapted to suit an individual country's culture and analyzes the structure of the Catholic Church *Equipping Counselors for Your Church: The 4E Ministry Training Strategy* Robert W. Miller, 2023-04-28 During the past thirty years the American religious landscape has undergone a dramatic change More and more churches meet in converted warehouses many have ministers who've never attended a seminary and congregations are singing songs whose melodies might be heard in bars or nightclubs Donald E Miller's provocative examination of these new paradigm churches sometimes called megachurches or postdenominational churches shows how they are reinventing the way Christianity is experienced in the United States today Drawing on over five years of research and hundreds of interviews Miller explores three of the movements that have created new paradigm churches Calvary Chapel Vineyard Christian Fellowship and Hope Chapel Together these groups have over one thousand congregations and are

growing rapidly attracting large numbers of worshipers who have felt alienated from institutional religion While attempting to reconnect with first century Christianity these churches meet in nonreligious structures and use the medium of contemporary twentieth century America to spread their message through contemporary forms of worship Christian rock music and a variety of support and interest groups In the first book to examine postdenominational churches in depth Miller argues that these churches are involved in a second Reformation one that challenges the bureaucracy and rigidity of mainstream Christianity The religion of the new millennium says Miller will connect people to the sacred by reinventing traditional worship and redefining the institutional forms associated with denominational Christian churches Nothing less than a transformation of religion in the United States may be taking place and Miller convincingly demonstrates how postmodern traditionalists are at the forefront of this change This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997 During the past thirty years the American religious landscape has undergone a dramatic change More and more churches meet in converted warehouses many have ministers who ve never attended a seminary and congregations are singing songs whose melodies mi

**Reinventing Liberal Christianity** Theo Hobson,2013-10-16 In past years liberal Christianity challenged centuries of authoritarian tradition and had great political influence Today it is widely dismissed as a watering down of the faith and more conservative forms of Christianity are increasingly dominant Can the liberal Christian tradition recover its influence Hobson argues that a simple revival is not possible because liberal Christianity consists of two traditions He aims to transform liberal Christianity through the rediscovery of faith and ritual

*Confident Leader!: Become One, Stay One* Dan Reiland,2020-04-21 Contains a transformational process that brings clarity to how to develop confidence

*The Scandal of the Evangelical Mind* Mark A. Noll,2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical

movement by one of evangelicalism's most respected historians. Unsparing in his indictment, Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth, status, and political influence have contributed so little to rigorous intellectual scholarship. While nourishing believers in the simple truths of the gospel, why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities, the arts, and other realms of high culture? Over twenty-five years since its original publication, *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant. In a new preface, Noll lays out his ongoing personal frustrations with this situation, and in a new afterword, he assesses the state of the scandal, showing how white evangelicals' embrace of Trumpism, their deepening distrust of science, and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections.

**Weird Church** Paul Nixon, Beth Ann Estock, 2016-02-05 A wake-up call to anyone who still thinks church revitalization is simply a matter of doing better the things that used to come so easily. However, for the innovators whose ministries cannot fully be measured or understood by the old paradigms of members and money, *Weird Church* offers compelling vindication and encouragement that may cause them to stand and cheer.

Reinventing Evangelism : New Strategies for Presenting Christ in Today's World Donald C. Posterski, 1989 Reinvent Beth Jones, 2020-05-05 Reach your God-given potential and live a joyful life by finding your purpose in Christ with this inspiring guide from Beth Jones, host of Hillsong Channel's *The Basics With Beth*. The world around us is in a constant state of reinvention, from technology to careers to family. It's easy to struggle in the midst of change, and each season brings new challenges. But we need reinvention, the kind that leads us to new fulfillment and our calling in Christ. To reinvent ourselves in Christ means a transformation in our hearts, souls, bodies, and minds. And we can achieve this by biblically exploring and answering the questions: What do you want? What do you have? What will you do? and Why will you do it? Let the baggage of the past become history today. Let God renew your hope, and you will experience the joy of living like never before. No matter what has happened, and no matter where you are on this journey, *Reinvent* will help you start fresh and love life.

**Saving Christianity?** Michael Youssef, 2020-03-03 A clear and frank exploration of the future of Christianity and whether it needs to be saved. We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented or even reimagined in order to save it. With *Newsweek* declaring *The Decline and Fall of Christian America* on its cover, and *The Daily Beast* questioning *Does Christianity Have a Future*, bloggers and Christian commentators are discussing whether we need a new kind of Christianity. In *Saving Christianity*, Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity's recent past explored the very same question. *Saving Christianity* will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible. We dare not abandon this mere faith, as Dr. Youssef describes it, because it is the light for all humanity, and especially for those of us living in today's chaotic times. After reading *Saving Christianity*, you'll have a renewed

confidence in the future of the church and the central place it will occupy for generations to come
