Reitet Far Deutschland Das Reiterschicksal Des Carl Friedrich Von Langen:

With the Turks in Palestine Alexander Aaronsohn, 1916 Aaronsohn was born in a Jewish village in Palestine but came in 1910 to America to enter the service of the United States Department of Agriculture In June 1913 he returned to his native land to take some motion pictures as a basis for a lecture tour in America He was there when the war broke out and he was impressed into service in the Turkish Army From that time on until his escape on the cruiser the U S S Des Moines he was actively involved both in the campaign of the Turks in Asia Minor and in certain popular movements among his own people which very nearly led to his execution

The Great War from the German Trenches Artur H. Boer, 2016-09-16 Life in the trenches for German soldiers during World War I was every bit as hellish as it was for Allied troops Arthur Boer survived almost four years of continual fighting on both the Eastern and Western fronts as a sapper combat engineer who found himself in the thick of major battles He laid barbed wire in no man s land under machine gun fire bet money on aerial combat above the trenches between Baron von Richthofen and the English faced starvation and crushing boredom His war diary describes all in gritty detail including the horror of gas warfare doomed vainglorious charges and his return home to a ruined Germany

Fighting the French in Morocco Albert Bartels, 1932 In 1932 an English translation of the autobiographical *Fighting the French in Morocco* by Albert Bartels was published It covered the period from early 1903 to late 1920 From this we know that Albert Bartels sailed to Morocco from his native city of Hamburg on 6th February 1903 aged 19 years This makes his date of birth sometime between 7th Feb 1883 and 6th Feb 1884 He married the daughter of the English Consul in Mazagan in 1912 As a German businessman living in Morocco he was imprisoned in 1914 by the French at the start of WW1 By 1915 seperated by war his wife and son were living in London with her relatives He then escaped in 1915 to lead the local tribes as a Berber captain in the fight against the French until the armistice in 1918 Wanted by the French he spent the next year protected as a prisoner in Spain before returning to Germany through Italy in 1920

My Mission in Finland and the Baltic States Rüdiger von der Goltz, 2021-05-23 On the bright Easter Monday morning 10 large German ocean liners with German troops accustomed to victory left the roadstead of Danzig led by the liners Rheinland and Westfalen the small cruiser Kolberg numerous torpedo boats and smaller ships Far ahead the minesweepers under Captain v Rosenberg did their dangerous duty to protect us from danger Germany rules the waves A proud sad memory It was the first time in world history that a German fleet that a German army sailed from a German port across the Baltic to wage war on the other side of the sea But it was also the first time that Germany was asked from across the sea for help for the threatened culture It now looks as if the German voyage to Finland will not only be the first but also the only one of its kind We were followed by an eleventh transport ship with 400 Finns who having arrived in Danzig from Reval the day before wanted to take

part in the liberation of their fatherland under German leadership They were sufficiently armed winter provisioned and assembled into a battalion in Hang to which we gave the name Thesleff General Headquarters, 1914-1916, and Its Critical Decisions Erich von Falkenhayn,1919 With the German Armies in the West Sven Anders Hedin,1915 Positive account of Germany s 1914 campaign in Belgium and France written after Hedin s 6 week tour of the Western Front at the invitation of the German government providing him with access to military operations and government officials *Ginster* Siegfried Kracauer,2024-03-26 When World War I breaks out a young architecture student in Munich does everything in his power to avoid being enlisted into the German military in this perceptive wickedly humorous novel by a prominent twentieth century writer journalist and film critic Siegfried Kracauer s *Ginster* is the great World War I novel you ve never heard of Here the sheer horrors are kept offstage as in Greek tragedy and merely reported from time to time The setting is the German home front Its Chaplinesque antihero Ginster spends the war gumming up the German war machine as he maneuvers to stay out of its clutches and save his own skin Which he does however there is a deeper struggle going on between Ginster s dreamy self absorption and the pitiless organization of society war or no war Ginster has no wish to do anything Alas his reveries are forever being interrupted by the demands of an other minded world All the scenes of Ginster are well to the rear of the military action yet with Kracauer narrating military language saturates all aspects of civilian life in the homeland Ginster s nearest and dearest are so gung ho he feels that he s at the front when he visits them War the author seems to say is merely ordinary life seen from the back instead of the front As a new European war darkens our horizon one no more expected than was World War I Kracauer s novel feels timelier than ever **A German Deserter's War Experiences** Julius Koettgen,2013-11-25 A firsthand account of a German soldier s horrific experiences fighting in France and Belgium culminating in his escape from military service In 1913 Julius Koettgen a pacifist and a socialist was drafted into the ranks of sapper battalion No 30 He dutifully fought in the ranks of the Kaiser s armies during 1914 and 1915 and saw action in France and Belgium where he describes the terrible events which were to become known as the rape of Belgium and also details the extent of the fighting including being forced to form part of a firing squad crossing the Meuse under heavy fire using corpses as road building materials annihilating a cavalry charge hand to hand bayonet fighting and the awful events of the disastrous German retreat from the Marne Koettgen also experienced the horrors of trench warfare and the famous Christmas truce of 1914 In 1915 he decided that enough was enough and escaped military life by deserting the colors and slipping through the lines to neutral Holland His was memoirs were published by a gleeful allied press under the title *A German Deserter's War Experience* This English translation edited and introduced by Emmy Award winning historian Bob Carruthers provides a rare primary source of insight into the German side during the crucial opening battles of the war and is essential reading for anyone with an interest in the Great War from the German perspective *Mensch Ist Gut* L. Frank,1955 **Guerre À la Guerre!** Ernst Friedrich,2014-03-21 ... reitet für Deutschland Clemens Laar,Hans

Arlart,1964 **The March on Paris and the Battle of the Marne, 1914** Alexander Von Kluck,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Wanderer Between the Two Worlds Walter Flex,2014 One of the first novellas to be published in German during World War I Walter Flex s *The Wanderer between the Two Worlds* should be better known A story of romantic idealism and homoerotic friendship set against the backdrop of Germany s war on the Eastern front the book was an instant best seller when it was published in 1916 In the post War years the book s reputation grew both among the German student movement and among the Nazi party so much so that a poem from the novella was read on German radio on 30 April 1945 at the announcement of Adolf Hitler s death Published in English for the first time *The Wanderer between the Two Worlds* has been translated by Brian Murdoch the acclaimed translator of Erich Maria Remarque s *All Quiet on the Western Front* **Copse 125** Ernst Jünger,2003 **Zero Hour** Georg Grabenhorst Georg,Georg Grabenhorst,2006-04 This is a work of fiction whose central character is a Hans Volkenhorn eighteen years old when the story begins and an officer candidate or Fahnenjunker In the German army recruitment for the Officer Corps was based on commissioning young men who joined the ranks as officer candidates Fahnenjunkers or cadets from the Cadet Corps After a period of service as a private soldier though with some privileges over his fellow privates the Fahnenjunker was sent on a course for potential officers and if successful he was commissioned as a Fahnrinch ensign with the right to wear the coveted officer s sword knot This novel is unusual for a German work of fiction on the Great War in that it eschews scenes of gratuitous brutality and blood and gore and yet the descriptions of the battlefields and other scenes where our hero was involved are vivid enough for which the translator A Featherstonhaugh must take the credit Volkenhorn is a sensitive artistic individual very much family minded scarcely an adult when his war begins in the summer of 1917 on the Flanders coast and not yet twenty when his war ends in blindness He was a rifleman in an infantry battalion but soon transferred to the MG company Back home he has a girl friend Annaliese to whom he is constantly writing letters and to whom his thoughts are constantly turning He has much to say about his fellow Junkers whose friendships were all important to him and yet admitting his detestation of one of them for his filthy and smutty yarns saying there were moments when he could cheerfully shoot him His picture of the fighting at Poelcapelle is real enough and he recounts one incident when he comes across two German soldiers cutting thick pieces of flesh from a horse that had just gone down but was not dead In a fury he puts three bullets in the animal s head and turns on the men yelling They ought to be in your skulls you brutes But for me the finest piece of descriptive writing comes towards

the end when he is buried in the trench by shellfire and rescued It is the gradual loss of his sight over a period that is told with such realism that you can almost feel it yourself This story is a fine piece of writing
