**Knitting Into the Mystery** Susan S. Jorgensen, Susan S.

Izard, 2003 Knitters there are some 38 million of them in the United States alone are part of a tradition that's both plainly practical and deeply spiritual With needles clicking they weave together not just garments to warm the body but also comfort and companionship to nurture the soul This tradition is flowering today through knitting ministries a worldwide ecumenical movement of women's groups gathering to pray and knit for those in need and those celebrating life's joys As they create shawls for others their handiwork becomes an expression of their love and of the loving care of the God who works through them Knitting into the Mystery shares the stories of how this ministry has touched lives and hearts around the world It offers directions for knitting the shawls and for starting a parish or community knitting ministry It also provides a selection of prayers written from many faith traditions to offer with each completed shawl Book jacket Mental Health and Spirituality
