**Relación de la provincia de Antioquia** Francisco Silvestre,David James Robinson,1988     *Extranjeros, ciudadanía y membresía: Política a finales de la Colonia y la Independencia en la Nueva Granada 1750- 1830* García Estrada, Rodrigo De J,2014-10-20 El estudio de las políticas migratorias de la Corona española y sus permanencias así como de los cambios que ocasionó el advenimiento de la República corrobora la presencia de concepciones de antiguo régimen en la cultura colombiana que permearon las leyes migratorias y que explican los bajos índices de inmigrantes extranjeros en el siglo XIX en comparación con otros países latinoamericanos. Esta obra da cuenta de las situaciones que experimentaron los inmigrantes entre fines de la Colonia y comienzos de la República mostrando su sistemática expulsión del territorio nacional para quienes luego de obtenida su ciudadanía no estuvieron dispuestos a renunciar a sus derechos políticos     **Hispanic Lands And**

**Peoples** William M. Denevan,2019-04-10 This anthology focuses on James J Parsons' work in Latin America and in Spain with the resulting neglect of his publications on other regions particularly California. It includes the integration of economy and ecology     **Asuntos criminales** Archivo General de la Nación (Colombia),1995     **Colombia Before Independence**

Anthony McFarlane,2002-05-16 This book describes and analyzes economic and political developments in Colombia during the final century of Spanish rule. Its purpose is threefold first to provide a general portrait of Colombian society during the late colonial period showing the character of economic social and political life in the territory's principal regions second to assess the impact on the region of European imperialist expansion during the eighteenth century and third to provide a context for understanding the causes of independence. The book offers the only available survey of Colombian history and historiography for this period     **Relaciones de mando** New Granada (Viceroyalty),Pedro María Ibáñez,1910     **Boletín**

Autonomía local y poder municipal en la constitución del Estado 1848 1863 busca responder a tres interrogantes cómo caracterizar el federalismo de mediados de siglo XIX en la Nueva Granada cuáles fueron sus contenidos y manifestaciones a partir de qué coordenadas se articuló un proyecto federal. Cuestionando el

relato histórico sobre el federalismo que se construyó en los albores de la Independencia que lo asoció con la guerra civil el desorden y la inestabilidad política en este libro se analiza la manera como se enunció un proyecto federal que intentó responder al desafío de construir un Estado nacional capaz de equilibrar las fuerzas regionales y diseñar un aparato institucional que le diera sentido a la diversidad política social cultural y geográfica del país. El federalismo neogranadino encontró su propia identidad en el cruce con el proceso de descentralización política administrativa y fiscal que se adelantó desde la década de 1840. A partir de la discusión en torno a los límites naturales y el significado de la autonomía local y el poder municipal la descentralización se consolidó como un proyecto político que reformuló las relaciones entre las localidades y las autoridades nacionales y abrió el camino para el establecimiento de la república federal. El libro explora de esta manera el desarrollo del federalismo y la descentralización en la Nueva Granada a mediados del siglo XIX sus alcances y limitaciones las tensiones que produjeron y las transformaciones políticas que desencadenaron [Antioqueno Colonization in Western Colombia, Revised Edition](#) James J. Parsons, 2023-07-28 This title provides a detailed exploration of the historical and cultural development of the Antioqueño people and their distinctive colonization patterns in western Colombia. Originally published in 1949 the study is rooted in J J Parsons' fieldwork conducted in 1946 primarily based in Medellín. Under the guidance of Carl O Sauer Parsons focused on Antioquia as a unique cultural region examining its geography society and the expansion of its population and influence through colonization. This updated edition incorporates the author's additional visits to Colombia substantial revisions to chapters on population transportation and industry and updates from recent census data and scholarly contributions. The book paints a picture of an Antioquia that has transformed significantly particularly Medellín which has grown into a major metropolitan hub since Parsons first visit. However the study highlights that despite rapid modernization and population growth the region continues to maintain a relatively high standard of living and literacy. By tracing the evolution of the Antioqueño culture and economy Parsons provides insights into the area's historical resilience and adaptability shedding light on the forces that have shaped its unique identity within Colombia's national context. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1949 [Aproximación histórica a la relación de la masonería con la caridad, la beneficencia y la filantropía en Bogotá, 1869-1886](#) Rueda Enciso, José Eduardo, 2021-03-30 Este libro es una exploración acerca del interés que mostraron los radicales masones en su mayoría por impulsar y promover proyectos de beneficencia de asistencia social y médica como política pública en el Estado Soberano de Cundinamarca durante el Olimpo Radical. Esfuerzos que se concretaron en octubre de 1869 con la creación de la Junta General de Beneficencia entidad pública que tuvo a su cargo el Lazareto de Agua de Dios y en Bogotá la Casa de Beneficencia el Hospital de Caridad el Asilo de Locos y el Hospicio de Niños.

Establecimientos que adquirieron un carácter público estatal así como una reorganización administrativa y financiera laica La participación de los masones en la Junta de Beneficencia fue determinante entre 1869 y 1878 periodo en el que fueron miembros de la Junta sacerdotes y administradores de los establecimientos y motor esencial de colectas públicas encaminadas a su financiación Para poder reconstruir tal cuadro se revisó analizó y criticó la bibliografía existente y se adelantó una cuidadosa investigación en la prensa de la época *Biblioteca de historia nacional*, 1910 *Gobernadores de Antioquía, 1571-1819*

Rodríguez, Rafael de Porras, 1833 *De la quietud a la felicidad* Luis Miguel Córdoba Ochoa, 1998 *Mapping the Country of Regions* Nancy P. Appelbaum, 2016-05-18 The nineteenth century was an era of breathtakingly ambitious geographic expeditions across the Americas The seminal Chorographic Commission of Colombia which began in 1850 and lasted about a decade was one of Latin America's most extensive The commission's mandate was to define and map the young republic and its resources with an eye toward modernization In this history of the commission Nancy P Appelbaum focuses on the geographers' fieldwork practices and visual production as the men traversed the mountains, savannahs and forests of more than thirty provinces in order to delineate the country's territorial and racial composition Their assumptions and methods Appelbaum argues contributed to a long lasting national imaginary What jumps out of the commission's array of reports maps, sketches and paintings is a portentous tension between the marked differences that appeared before the eyes of the geographers in the field and the visions of sameness to which they aspired The commissioners and their patrons believed that a prosperous republic required a unified and racially homogeneous population but the commission's maps and images paradoxically emphasized diversity and helped create a country of regions By privileging the whiter inhabitants of the cool Andean highlands over those of the boiling tropical lowlands the commission left a lasting but problematic legacy for today's Colombians *Diario Oficial* Colombia, 1961
