Relate Loving In Later Life

Colin Murray Parkes

Relate Loving In Later Life:

Relate Guide To Loving In Later Life Marj Thoburn, Suzy Powling, 2012-05-31 Is sex wasted on the young Marj Thoburn thinks it might be This complete guide to sex loving and relationships for the 50s 80s age group is a positive constructive and celebratory guide which suggests that life and loving sex BEGIN at 50 Inside every older person is a young person trying to come to terms with ageing This books looks at the physical and psychological changes that may present challenges to older couples and provides practical exercises and strategies for coping and learning together For example How do you maintain your self esteem when your body stops responding the way it used to What can you do if your partner seems more attracted to people who are younger than you How do you begin a new relationship if you find yourself divorced separated widowed or single in later life How do you begin to get to know each other again once the children have left home Written with understanding and humour and drawing on a wide range of case studies this invaluable book offers a wealth of advice for those who want to keep improving the quality of their relationship whatever their age

Loving Later Life Frits de Lange, 2015-04-27 Is loving later life possible In our youth obsessed culture nobody enjoys growing old We normally fear our own aging and generally do not love old people they remind us that death is inescapable the body frail and social status transitory In *Loving Later Life* Frits de Lange shows how an ethics of love can acknowledge and overcome this fear of aging and change our attitude toward the elderly De Lange reframes the biblical love command this way We must care for the aging other as we care for our own aging selves We can encourage positive self love by embracing life as we age taking good care of our own aging bodies staying good friends with ourselves and valuing the last season of life When we cultivate this kind of self love we are released from our aversion to growing old and set free to care about others who are aging our parents our relatives and others in their final season of life

Late-Life Love: A Memoir Susan Gubar, 2018-11-13 Winning and intelligent An impressive often heartening addition to the literature of aging Heller McAlpin Wall Street Journal In this unique blend of memoir and literary commentary Bookpage acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love both for her husband and for the literature that has shaped her life Throughout the complications of devoted caregiving her own ongoing cancer treatments and a stressful move to a more manageable apartment Gubar proves that love and desire have no expiration date on the page or in life *Late Life Love* offers a resounding retort to ageist stereotypes appraises the obstacles unique to senior couples and celebrates second chances

Love Stories of Later Life Amanda Smith Barusch, 2008-03-13 Even with baby boomers retiring and greater media and research attention being lavished on older people most gerontologists have studiously avoided examining romance among the elderly *Love Stories of Later Life* is an appealing and eye opening remedy to this neglect as leading gerontologist Amanda Smith Barusch presents original research into what love and romance mean in seniors lives The result is a glimpse into a world many people didn't know existed that of romantic love in later life Unlike superficial guidebooks that purport to help seniors find a new

mate Love Stories of Later Life integrates theory and the latest research on love and the aging process Drawing on a wealth of personal narratives collected during a landmark five year study the book presents the lived experiences of older adults from all walks of life It addresses the impact of common age related changes both emotional and physical on romantic relationships and argues that love continues to sculpt our personalities and our lives even in life s later decades Each chapter includes practical tools for the serious student of love including exercises designed to increase self awareness and relationship building as well as annotated lists of suggested reading that are at once comprehensive and accessible Barusch s fresh perspective engaging voice and in depth qualitative research make Love Stories of Later Life an important contribution to the study of individual lives and the aging process This book will guide gerontologists social workers and counselors as they in turn help their older clients navigate love s challenges Visit the author s website Amanda Barusch [Romantic Love in Cultural Contexts](#) Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world s cultures Yet love displays in different ways because culture has an impact on people s conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and

pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal

Handbook of Families and Aging Rosemary Blieszner, Victoria Hilkevitch Bedford, 2012-09-20 This comprehensive state of the art textbook and reference volume in family gerontology reviews and critiques the recent theoretical empirical and methodological literature identifies future research directions and makes recommendations for gerontology professionals This book is both an updated version of and a complement to the original Handbook of Families and Aging The many additions include the most recent demographic changes on aging families new theoretical formulations innovative research methods recent legal issues and death and bereavement as well as new material on the relationships themselves sibling partnered and intergenerational relationships for example Among the brand new topics in this edition are step family relationships aging families and immigration aging families and 21st century technology and peripheral family ties Unlike the more cursory summaries found in textbooks the essays within Handbook of Families and Aging Second Edition provide thoughtful in depth coverage of each topic No other book provides such a comprehensive and timely overview of theory and research on family relationships the contexts of family life and major turning points in late life families Nevertheless the contents are written to be engaging and accessible to a broad audience including advanced undergraduate students graduate students researchers and gerontology practitioners Serious lay readers will also find this book highly informative about contemporary family issues

What We Love Most about Life, 2016

Sex and Diversity in Later Life Trish Hafford-Letchfield, Paul Simpson, Paul Reynolds, 2022-11-15 Addressing diversity in sexual and intimate experience later in life 50 this collection explores how being older intersects with ethnicity gender sexuality and class This original text extends knowledge concerning intimacies practices and pleasures for those thought to represent normative forms of sexual identification and expression

Love and Loss Colin Murray Parkes, 2013-05-13 Loving and grieving are two sides of the same coin we cannot have one without risking the other Only by understanding the nature and pattern of loving can we begin to understand the problems of grieving Conversely the loss of a loved person can teach us much about the nature of love Love and Loss the result of a lifetime's work has important implications for the study of attachment and bereavement In this volume Colin Murray Parkes reports his innovative research that enables us to bring together knowledge of childhood attachments and problems of bereavement resulting in a new way of thinking about love bereavement and other losses Areas covered include patterns of attachment and grief loss of a parent child or spouse in adult life social isolation and support The book concludes by looking at disorders of attachment and considering bereavement in terms of its implications on love loss and change in a wider context Illuminating the structure and focus of thinking about love and loss this book sheds light on a wide range of psychological issues It will be essential reading for professionals working with bereavement as well as graduate students of psychology psychiatry and sociology

Late-Life Mood Disorders Helen Lavretsky, Martha Sajatovic, Charles F. Reynolds (III), 2013-04-04 Late life Mood Disorders provides a comprehensive review of the current research advances in neurobiology and psychosocial origins of geriatric mood disorders The review of the latest developments and gold standards of care is provided by an international group of leading experts

Late-Life Depression and Anxiety Art Walaszek, M.D., 2022-02-07 Late Life Depression and Anxiety empowers health care professionals to identify and diagnose anxiety and depression in older adult patients and help them find relief stay independent and lower their risk of suicide Readers will gain up to date knowledge of the scope and seriousness of depression anxiety and suicide in older adults alongside a system of proven assessment and treatment techniques for turning evidence based theory into practice

The Price of Love Colin Murray Parkes, 2014-08-01 In the course of a long career Colin Murray Parkes one of the most important and influential psychiatrists working in the field of bereavement and loss has produced a body of work which can be considered truly ground breaking His early studies involved working alongside John Bowlby in the development of attachment theory and led to his pioneering work on the Harvard Bereavement Project in the USA and at the new St Christopher's Hospice in Britain Parkes focussed on two psychological processes grief which is the painful search for a lost person or object of attachment and transition which is the process of changing the assumptive world in ways that ensure that nothing worthwhile need be completely lost Out of the struggle to resolve the conflict between holding on and letting go of the old assumptions there gradually emerges a new and more mature model of the world These ideas throw light on a wide range of life change events and have proved useful to people faced with bereavement physical disabilities dying disasters and even terrorist attacks In recent years he has supported humanitarian efforts in countries including Rwanda India and Japan Parkes career has spanned several decades and touched countless lives In The Price of Love Parkes presents papers which span the full extent of his career covering and linking together our understanding of the five major areas of his work Love and grief Crisis trauma and transition Death and dying Disasters War and terrorism breaking the cycle The papers included here have been carefully selected and annotated to show how Parkes thinking has developed during a career as researcher practitioner and educator In each section of the book psychological and social causes are paired with consequences and interventions both preventive

and therapeutic and explored from Western and cross cultural perspectives all with Parkes customary clarity and compassion This unique collection of papers will prove invaluable to psychologists psychiatrists palliative care staff counsellors and students as well as those studying international conflict and working with the bereaved New Directions in the Study of Late Life Religiousness and Spirituality Susan H. Mcfadden, Mark Brennan, 2014-05-01 Examine the questions of how what and why associated with religiousness and spirituality in the lives of older adults New Directions in the Study of Late Life Religiousness and Spirituality explores new ways of thinking about a topic that was once taboo but that has now attracted considerable attention from the gerontological community It examines various approaches to methodology and definition that are used in the study of religion spirituality and aging In addition it explores the ways that gerontological research can highlight the role of religion and spirituality in the lives of older adults The first section will introduce you to new ways of thinking about research methodology and data analysis that can be applied to studying the complexity of older adults religious spiritual practice and beliefs You ll learn several approaches to the study of phenomena that are both personal and also deeply embedded in community The second section addresses issues of definition exploring important questions that call for critical reflection such as What are we studying What social and psychological influences shape our thinking about definition and Do the definitions used by gerontologists match those held by older people The final section moves the study of religion spirituality and aging beyond a focus on health and mortality to examine well being more broadly in the context of the life experiences of older adults Here is a small sample of what you ll learn about in New Directions in the Study of Late Life Religiousness and Spirituality structural equation modeling a statistical method designed to capture the dynamics inherent in the passage of time feminist qualitative methods for studying spiritual resiliency in older women spirituality as a public health issue the differences between groups of older people in the way they define religion and spirituality the psychosocial implications of two types of religious orientation dwelling and seeking older women s responses to the experience of widowhood and to the question of whether their religious beliefs were affected by the experience how social context influences our decisions and our interpretations of people s religious beliefs behaviors and experiences the ways that people caring for a spouse with dementia rely on religious coping a model that delineates three different ways people relate to God in coping and a study that asks whether these types of coping produce different outcomes for caregivers how people adjust to bereavement as a function of their beliefs about an afterlife *The Handbook of Life-Span Development, Volume 2*, 2010-08-09 In the past fifty years scholars of human development have been moving from studying change in humans within sharply defined periods to seeing many more of these phenomenon as more profitably studied over time and in relation to other processes The Handbook of Life Span Development Volume 2 Social and Emotional Development presents the study of human development conducted by the best scholars in the 21st century Social workers counselors and public health workers will receive coverage of the social and emotional aspects of human change across the lifespan Myths and Mysteries of

Same-Sex Love Christine Downing, 2006 Myths and Mysteries of Same Sex Love makes a powerful statement about the realities of gay and lesbian psyche A gay and lesbian psychic perspective may at first be startling but once examined it proves to be unforgettable The Advocate Looking into Later Life Rachael Davenhill, 2018-10-08 This book belongs to a long tradition at the Tavistock Clinic of work focused on the mental and emotional well being of the elderly It applies psychoanalytic thinking to areas that have generally attracted very little sustained attention over the years Archetype Revisited Anthony Stevens, 2004-07-31 Archetype A Natural History of the Self first published in 1982 was a ground breaking book the first to explore the connections between Jung s archetypes and evolutionary disciplines such as ethology and sociobiology and an excellent introduction to the archetypes in theory and practical application as well C G Jung s archetypes of the collective unconscious have traditionally remained the property of analytical psychology and have commonly been dismissed as mystical by scientists But Jung himself described them as biological entities which if they exist at all must be amenable to empirical study In the work of Bowlby and Lorenz and in recent studies of the bilateral brain Dr Anthony Stevens has discovered the key to opening up this long ignored scientific approach to the archetypes originally envisaged by Jung himself At last in a creative leap made possible by the cross fertilisation of several specialist disciplines psychiatry can be integrated with psychology with ethology and biology The result is an immensely enriched science of human behaviour In this revised updated edition Anthony Stevens considers the enormous cultural social and intellectual changes that have taken place in the past 20 years and includes An updated chapter on The Archetypal Masculine and Feminine reflecting recent research findings and developments in the thinking of feminists Commentary on the intrusion of neo Darwinian thinking into psychology and psychiatry Analysis of what has happened to the archetype in the past 20 years in terms of our understanding of it and our responses to it A Pint of Patience with a Dollop of Love Dr. Rachna Buxani-Mirpuri, 2021-05-27 The first glimpse of the world for a child is through their parents practices communication patterns and habits This book will offer a valuable guide as it reflects on building strong healthy relationships between parents and their children It is humbling to learn and relearn concepts The author indeed acknowledges that parenting is a continuous process and does not require perfection Parenting requires shared wisdom compassion and understanding between parents their children and the world You will be introduced to character development conflict management the power of uttering positivity trusting your instincts communication and listening to your children attentively Adult Attachment and Couple Psychotherapy Christopher Clulow, 2012-12-06 Attachment theory has triggered an explosion of research into family relationships and has provided a conceptual basis for the work of practitioners Adult Attachment and Couple Psychotherapy brings research and practice perspectives to bear on the adult couple relationship and provides a framework for assessing and working with secure and insecure partnerships Divided into three parts the book looks at what is meant by secure and insecure attachment in the couple describes how theory and research have been applied to practice and how practice has added to the understanding of

the complex problems that couples bring to therapy examines the significance of training and the organisation of work for effective practice with couples Using vivid illustrations from clinical and community work Adult Attachment and Couple Psychotherapy offers stimulating reading for all those involved in this field who wish to re assess their models of practice
