Truth Plus Love Matt Brown, 2019-04-23 Imagine what our world might look like if Christians became known for remarkable love as well as life giving truth The stakes are high and the need is great for Christians to represent Jesus to a watching world And today we have more influence than ever before for better and for worse We are among the first generations to have access to a global megaphone through social media But it's not enough to speak truth louder to a noisy culture To counter the reputation Christians have earned our love must be just as loud Ask evangelist Matt Brown and he will tell you Christians today are facing a crisis of influence In our rush to speak truth to today's tensions cultural issues and trending controversies it becomes all too easy to focus on proving our points rather than extending God's grace Conversely when we seek only to love yet never proclaim a better way we short circuit God's plan *Truth Plus Love* invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ Through biblical insight cultural analysis and practical principles Matt Brown outlines how to champion truth without compromise how to love unconditionally and

ultimately how to step into this great adventure of representing God to the world It s hard it s messy and it s the unfinished project of a lifetime yet here we find our great adventure representing God to a watching world The Trustworthiness of God Paul Helm,Carl R. Trueman,2002 For two millennia the church has affirmed and celebrated Scripture as the written word of God However in the twentieth century the doctrine of Scripture became the focus and flashpoint for division One legacy of those debates has been a reluctance to address the nature of Scripture This collection of essays seeks to re open dialogue on this fundamental tenet of the Christian faith by offering something of a prelude to a fresh approach to Scripture In particular these explorations seek to map out some implications of the fundamental link between the character of God as trustworthy and the trustworthiness of His word Following an introductory orientation the first two sections take soundings in selected texts from the Old and New Testaments The third section offers perspectives from church history and also grapples with aspects of the contemporary context and philosophical and epistemological issues Two responses to the main essays complete the collection None of the contributors wishes to articulate the discussion in terms of the categories of past controversies or pretends to offer an exhaustive analysis All however share the desire to engage their readers in constructive dialogue on this vital issue **The Incredible Patience of God** Lane Adams,2003-10 **Living As Jesus Lived** Zac
